The terms and restrictions of this Agreement shall be subordinated only to the First Purchase Money Mortgage lien on the Affordable Housing property and in no way shall impair the First Purchase Money Mortgagee's ability to exercise the contract remedies available to it in the event of any default of such mortgage as such remedies are set forth in the First Purchase Money Mortgage documents for the Affordable Housing unit. Any Affordable Housing owner-occupied property that is acquired by a First Purchase Money Mortgagee by Deed in lieu of Foreclosure, or by a Purchaser at a Foreclosure sale conducted by the holder *of* the First Purchase Money Mortgagee shall be permanently released from the restrictions and covenants *of* this Affordable Housing Agreement. All resale restrictions shall cease to be effective as *of* the date *of* transfer *of* title pursuant to Foreclosure with regard to the First Purchase Money Mortgagee, a lender in the secondary mortgage market, including but not limited to the FNMA, Federal Home Loan Mortgage Corporation, GNMA, or an entity acting *on* their behalf and all subsequent purchasers, Owners and mortgagees *of* that particular Affordable Housing unit (except for the defaulting mortgagor, who shall be forever subject to the resale restrictions *of* this Agreement with respect to the Affordable Housing unit owned by such defaulting mortgagor at time *of* the Foreclosure sale)

Upon a judgment of Foreclosure, the Authority shall execute a document to be recorded in the county recording office as evidence that such Affordable Housing unit has been forever released from the restrictions of this Agreement Execution of foreclosure sales by any other class of creditor or mortgagee shall not result in a release of the Affordable Housing unit from the provisions and restrictions of this Agreement

In the event of a Foreclosure sale by the First Purchase Mortgagee, the defaulting mortgagor shall be personally obligated to pay to the Authority any excess funds generated from such Foreclosure sale. For purposes of this Agreement, excess funds shall be the total amount paid to the sheriff by reason of the Foreclosure sale in excess of the greater of (1) the maximum permissible Resale Price of the Affordable Housing unit as of the date of the Foreclosure sale pursuant to the rules and guidelines of the Authority, and (2) the amount required to pay and satisfy the First Money Mortgage, including the costs of Foreclosure, plus any second mortgages approved by the Authority in accordance with this Agreement. The amount of excess funds shall also include all payments to any junior creditors out of the Foreclosure sale proceeds even if such were to the exclusion of the defaulting mortgagor

The Authority is hereby given a first priority lien, second only to the First Purchase Money Mortgagee and any taxes or public assessments by a duly authorized governmental body, equal to the full amount of such excess funds This obligation of the defaulting mortgagor to pay the full amount of excess funds to the Authority shall be deemed to be a personal obligation of the Owner of record at time of the Foreclosure sale surviving such sale The Authority shall be empowered to enforce the obligation of the defaulting mortgagor in any appropriate court of law or equity as though same were a personal contractual obligation of the defaulting mortgagor. Neither the First Purchase Money Mortgagee nor the purchaser at the Foreclosure sale, shall be responsible, or liable to, the Authority for any portion of this excess.

No part of the excess funds, however, shall be part of the defaulting mortgagor's equity

The defaulting mortgagor's equity shall be determined to be the difference between the maximum permitted Resale Price of the Affordable Housing unit as of the date of the Foreclosure sale as calculated in accordance with this Agreement and the total of the following sums First Purchase Money Mortgage, prior liens, costs of Foreclosure, assessments, property taxes, and other liens which may have been attached against the unit prior to Foreclosure, provided such total is less than the maximum permitted Resale Price

If there are Owner's equity sums to which the defaulting mortgagor is properly entitled, such sums shall be turned over to the defaulting mortgagor or placed in an escrow account for the defaulting mortgagor if the defaulting mortgagor cannot be located The First Purchase Money Mortgagee shall hold such funds in escrow for a period of two years or until such earlier time as the defaulting mortgagor shall make a claim for such At the end of two years, if unclaimed, such funds, including any accrued interest, shall become the property of the Authority to the exclusion of any other creditors who may have claims against the defaulting mortgagor.

Nothing shall preclude the Township of Montgomery from acquiring an affordable property prior to foreclosure sale at a negotiated price not to exceed the maximum Resale Price and holding, renting or conveying it to a Certified Household if such right is exercised within 90 days after the property is listed for sale and all outstanding obligations to the First Purchase Money Mortgagee are satisfied.

X. VIOLATION, DEFAULTS AND REMEDIES

In the event of a threatened breach of any of the terms of this Agreement by an Owner, the Authority shall have all remedies provided at law or equity, including the right to seek injunctive relief or specific performance, it being recognized by both parties to this Agreement that a breach will cause irreparable harm to the Authority, in light of the public policies set forth in the Fair Housing Act and the obligation for the provision of low and moderate income housing. Upon the occurrence of a breach of any of the terms of the Agreement by an Owner, the Authority shall have all remedies provided at law or equity, including but not limited to foreclosure, acceleration of all sums due under the mortgage, recoupment of any funds from a sale in violation of the Agreement, injunctive relief to prevent further violation of the Agreement, entry on the premises, and specific performance

XI RIGHT TO ASSIGN

The Authority may assign from time to time its rights, and delegate its obligations hereunder without the consent of the Owner Upon such assignment, the Authority, its successors or assigns shall provide written notice to the Owner

It is the intention of all parties that the provisions of this instrument are severable so that if any provisions, conditions, covenants or restrictions thereof shall be invalid or void under any applicable federal, state or local law, the remainder shall be unaffected thereby.

Article 4. Affordable Housing Covenants

Sale and use of the Property is governed by regulations known as the Uniform Housing Affordability Controls, which are found in New Jersey Administrative Code at Title 5, chapter 80, subchapter 26 (N.J.A.C. 5:80-26.1, *et seq*, the "Regulations"). Consistent with the Regulations, the following covenants (the "Covenants") shall run with the land for the period of time commencing upon the earlier of (a) the date hereof or (b) the prior commencement of the "Control Period", as that term is defined in the Regulations, and terminating upon the expiration of the Control Period as provided in the Regulations.

A. The Property may be conveyed only to a household who has been approved in advance and in writing by CGP&H, LLC, an administrative agent appointed under the Regulations (hereinafter, collectively, the "Administrative Agent").

B. No sale of the Property shall be lawful, unless approved in advance and in writing by the Administrative Agent, and no sale shall be for a consideration greater than maximum permitted price ("Maximum Resale Price", or "MRP") as determined by the Administrative Agent.

C. No refinancing, equity loan, secured letter of credit, or any other mortgage obligation or other debt (collectively, "Debt") secured by the Property, may be incurred except as approved in advance and in writing by the Administrative Agent. At no time shall the Administrative Agent approve any such Debt, if incurring the Debt would make the total of all such Debt exceed Ninety-Five Percent (95%) of the applicable MRP.

D. The owner of the Property shall at all times maintain the Property as his or her principal place of residence.

E. Except as set forth in F, below, at no time shall the owner of the Property lease or rent the Property to any person or persons, except on a short-term hardship basis as approved in advance and in writing by the Administrative Agent.

F. If the Property is a two-family home, the owner shall lease the rental unit only to income-certified low-income households approved in writing by the Administrative Agent, shall charge rent no greater than the maximum permitted rent as determined by the Administrative Agent, and shall submit for written approval of the Administrative Agent copies of all proposed leases prior to having them signed by any proposed tenant.

G. No improvements may be made to the Property that would affect its bedroom configuration, and in any event, no improvement made to the Property will be taken into consideration to increase the MRP, except for improvements approved in advance and in writing by the Administrative Agent;

H. The affordable housing covenants, declarations and restrictions implemented by this Declaration and by incorporation, N.J.A.C. 5:80-26:1 *et seq*., shall remain in effect despite the entry and enforcement of any judgment of foreclosure with respect to the Affordable Unit so long as the Affordable Unit remains subject to the affordability controls being implemented by this Declaration;

I. The Affordable Units are subject to a 30 year affordability control period that commenced on the date of first conveyance of title, which is August 28, 2002, of this Affordable Unit governed by this Declaration to a certified affordable purchaser who has executed the documents required by N.J.S.A. 5:80-26.1 et seq.

Article 5. Remedies for Breach of Affordable Housing Covenants

A breach of the Covenants will cause irreparable harm to the Administrative Agent and to the public, in light of the public policies set forth in the New Jersey Fair Housing Act, the Uniform Housing Affordability Control rules found at N.J.A.C. 5:80-26, and the obligation for the provision of low and moderate-income housing. Accordingly, and as set forth in N.J.A.C. 5:80-26.10A(b):

A. In the event of a threatened breach of any of the Covenants by the Grantee, or any successor in interest or other owner of the Property, the Administrative Agent shall have all remedies provided at law or equity, including the right to seek injunctive relief or specific performance.

B. Upon the occurrence of a breach of any Covenants by the Grantee, or any successor in interest or other owner of the Property, the Administrative Agent shall have all remedies provided at law or equity including but not limited to forfeiture, foreclosure, acceleration of all sums due under any mortgage, recouping of any funds from a sale in violation of the Covenants, diverting of rent proceeds from illegal rentals, injunctive relief to prevent further violation of said Covenants, entry on the premises, those provided under Title 5, Chapter 80, Subchapter 26 of the New Jersey Administrative Code and specific performance.

Article 6. Notice of Resale, Recapture Covenant and 95/5 Purchase Options

A. The owner of the Property is required to notify the Montgomery Township Administrative Agent and New Jersey Council On Affordable Housing by certified mail of any intent to sell the property 90 days prior to entering into an agreement for the first non-exempt sale of the Property after the conclusion of the Control Period, as set forth in Section 5:93-9.8(b)(2) of the Substantive Rules of the New Jersey Council On Affordable Housing as in effect at the time the Property was first restricted as part of the Affordable Housing Program.

B. Upon the first such non-exempt sale of the Property, Ninety-Five Percent (95%) of the difference between (i) the actual sale price and (ii) the regulated maximum sales price that would be applicable were the Control Period still in effect, shall be paid at closing to the New Jersey Department of Community Affairs, acting as receiving agent for the local municipality.

C. Sale and use of the Property is governed by regulations known as the Uniform Housing Affordability Controls, which are found in New Jersey Administrative Code at Title 5, chapter 80, subchapter 26 (N.J.A.C. 5:80-26.1, *et seq*, the "Regulations"). Consistent with the Regulations, the following covenants (the "Covenants") shall run with the land for the period of time commencing upon the earlier of (a) the date hereof or (b) the prior commencement of the "Control Period", as that term is defined in the Regulations, and terminating upon the expiration of the Control Period as provided in the Regulations.

A. The Property may be conveyed only to a household who has been approved in advance and in writing by CGP&H, LLC, an administrative agent appointed under the Regulations (hereinafter, collectively, the "Administrative Agent").

B. No sale of the Property shall be lawful, unless approved in advance and in writing by the Administrative Agent, and no sale shall be for a consideration greater than maximum permitted price ("Maximum Resale Price", or "MRP") as determined by the Administrative Agent.

C. No refinancing, equity loan, secured letter of credit, or any other mortgage obligation or other debt (collectively, "Debt") secured by the Property, may be incurred except as approved in advance and in writing by the Administrative Agent. I. The Affordable Units are subject to a 30-year affordability control period that commenced on the date of first conveyance of title, which is August 28, 2002, of this Affordable Unit governed by this Declaration to a certified affordable purchaser who has executed the documents required by N.J.S.A. 5:80-26.1 et seq.

A breach of the Covenants will cause irreparable harm to the Administrative Agent and to the public, in light of the public policies set forth in the New Jersey Fair Housing Act, the Uniform Housing Affordability Control rules found at N.J.A.C. 5:80-26, and the obligation for the provision of low and moderate-income housing. Accordingly, and as set forth in N.J.A.C. 5:80-26.10A (b):

conditioning shall not be made a condition of the unit resale. The Owner and the Purchaser must personally certify at the time of closing that no unapproved transfer of funds for the purpose of selling and receiving property has taken place at Resale

I The Owner shall not permit any lien, other than the First Purchase Money Mortgage, second mortgages approved by the Authority and liens of the Authority to attach and remain on the property for more than sixty (60) days.

K The Owner shall have responsibility for fulfilling all requirements in accordance with and subject to any rules and regulations duly promulgated by the Council (*N J.A.C.* 5 :92-1 et seq), for determining that a resale transaction is qualified for a Certificate of Exemption. L The Owner shall have responsibility for fulfilling all requirements in accordance with and subject to any rules and regulations duly promulgated by the Council (N J.A C. 5:92-1 et seq), for determining that a resale transaction is qualified for a Hardship Waiver The Owner may submit a written request for a Hardship Waiver if no Certified Household has executed an agreement to purchase within ninety (90) days of notification of an approved resale price and referral of potential purchasers. Prior to issuing a Hardship Waiver, the Municipality shall have 30 days in which to sign an agreement to purchase the unit at the approved resale price and subsequently rent or convey it to a Certified Household The Municipality may transfer this option to the Department, the Agency, or a qualified non-profit organization as determined by the Council. For approval of a Hardship Waiver, an Owner must document efforts to sell the unit to an income eligible household If the waiver is granted, the Owner may offer a low income unit to a moderate income household or a moderate income unit to a household whose income exceeds 80% of the applicable median income guide. UNOFFICIAL COPY

M. The Owner shall be obligated to pay a reasonable service fee to the Authority at the time of closing and transfer of title in the amount specified by the Authority at the time a restricted resale price has been determined after receipt of a Notice of Intent to Sell. Such fee shall not be included in the calculation of the maximum resale price.

IX. FORECLOSURE

The terms and restrictions of this Agreement shall be subordinated only to the First Purchase Money Mortgage lien on the Affordable Housing property and in no way shall impair the First Purchase Money Mortgagee's ability to exercise the contract remedies available to it in the event of any default of such mortgage as such remedies are set forth in the First Purchase Money Mortgage documents for the Affordable Housing unit. Any Affordable Housing owner-occupied property that is acquired by a First Purchase Money Mortgagee by Deed in lieu of Foreclosure, or by a Purchaser at a Foreclosure sale conducted by the holder *of* the First Purchase Money Mortgagee shall be permanently released from the restrictions and covenants *of* this Affordable Housing Agreement. All resale restrictions shall cease to be effective as *of* the date *of* transfer *of* title pursuant to Foreclosure with regard to the First Purchase Money Mortgagee, a lender in the secondary mortgage market, including but not limited to the FNMA, Federal Home Loan Mortgage Corporation, GNMA, or an entity acting *on* their behalf and all subsequent purchasers, Owners and mortgagees *of* that particular Affordable Housing unit (except for the defaulting mortgagor, who shall be forever subject to the resale restrictions *of* this Agreement with respect to the Affordable Housing unit owned by such defaulting mortgagor at time *of* the Foreclosure sale).

Upon a judgment of Foreclosure, the Authority shall execute a document to be recorded in the county recording office as evidence that such Affordable Housing unit has been forever released from the restrictions of this Agreement. Execution of foreclosure sales by any other class of creditor or mortgagee shall not result in a release of the Affordable Housing unit from the provisions and restrictions of this Agreement.

In the event of a Foreclosure sale by the First Purchase Mortgagee, the defaulting mortgagor shall be personally obligated to pay to the Authority any excess funds generated from such Foreclosure sale. For purposes of this Agreement, excess funds shall be the total amount paid to the sheriff by reason of the Foreclosure sale in excess of the greater of: (1) the maximum permissible Resale Price of the Affordable Housing unit as of the date of the Foreclosure sale pursuant to the rules and guidelines of the Authority, and (2) the amount required to pay and satisfy the First Money Mortgage, including the costs of Foreclosure, plus any second mortgages approved by the Authority in accordance with this Agreement. The amount of excess funds shall also

UNOFFICIAL COPY

include all payments to any junior creditors out of the Foreclosure sale proceeds even if such were to the exclusion of the defaulting mortgagor.

The Authority is hereby given a first priority lien, second only to the First Purchase Money Mortgagee and any taxes or public assessments by a duly authorized governmental body, equal to the full amount of such excess funds. This obligation of the defaulting mortgagor to pay the full amount of excess funds to the Authority shall be deemed to be a personal obligation of the Owner of record at time of the Foreclosure sale surviving such sale. The Authority shall be empowered to enforce the obligation of the defaulting mortgagor in any appropriate court of law or equity as though same were a personal contractual obligation of the defaulting mortgagor. Neither the First Purchase Money Mortgagee nor the purchaser at the Foreclosure sale, shall be responsible, or liable to, the Authority for any portion of this excess.

No part of the excess funds, however, shall be part of the defaulting mortgagor's equity.

The defaulting mortgagor's equity shall be determined to be the difference between the maximum permitted Resale Price of the Affordable Housing unit as of the date of the Foreclosure sale as calculated in accordance with this Agreement and the total of the following sums First Purchase Money Mortgage, prior liens, costs of Foreclosure, assessments, property taxes, and other liens which may have been attached against the unit prior to Foreclosure, provided such total is less than the maximum permitted Resale Price

If there are Owner's equity sums to which the defaulting mortgagor is properly entitled, such sums shall be turned over to the defaulting mortgagor or placed in an escrow account for the defaulting mortgagor if the defaulting mortgagor cannot be located The First Purchase Money Mortgagee shall hold such funds in escrow for a period of two years or until such earlier time as the defaulting mortgagor shall make a claim for such At the end of two years, if unclaimed, such funds, including any accrued interest, shall become the property of the Authority to the exclusion of any other creditors who may have claims against the defaulting mortgagor.

Nothing shall preclude the Township of Montgomery from acquiring an affordable property prior to foreclosure sale at a negotiated price not to exceed the maximum Resale Price and holding, renting or conveying it to a Certified Household if such right is exercised within 90 days after the property is listed for sale and all outstanding obligations to the First Purchase Money Mortgagee are satisfied.

IX FORECLOSURE

The terms and restrictions of this Agreement shall be subordinated only to the First Purchase Money Mortgage lien on the Affordable Housing property and in no way shall impair the First Purchase Money Mortgagee's ability to exercise the contract remedies available to it in the event of any default of such mortgage as such remedies are set forth in the First Purchase Money Mortgage documents for the Affordable Housing unit Any Affordable Housing owner-occupied property that is acquired by a First Purchase Money Mortgagee by Deed in lieu of Foreclosure, or by a Purchaser at a Foreclosure sale conducted by the holder *of* the First Purchase Money Mortgagee shall be permanently released from the restrictions and covenants *of* this Affordable Housing Agreement All resale restrictions shall cease to be effective as *of* the date *of* transfer *of* title pursuant to Foreclosure with regard to the First Purchase Money Mortgagee, a lender in the secondary mortgage market, including but not limited to the FNMA, Federal Home Loan Mortgage Corporation, GNMA, or an entity acting *on* their behalf and all subsequent purchasers, Owners and mortgagees *of* that particular Affordable Housing unit (except for the defaulting mortgagor, who shall be forever subject to the resale restrictions *of* this Agreement with respect to the Affordable Housing unit owned by such defaulting mortgagor at time *of* the Foreclosure sale)

Upon a judgment of Foreclosure, the Authority shall execute a document to be recorded in the county recording office as evidence that such Affordable Housing unit has been forever released from the restrictions of this Agreement Execution of foreclosure sales by any other class of creditor or mortgagee shall not result in a release of the Affordable Housing unit from the provisions and restrictions of this Agreement

In the event of a Foreclosure sale by the First Purchase Mortgagee, the defaulting mortgagor shall be personally obligated to pay to the Authority any excess funds generated from such Foreclosure sale For purposes of this Agreement, excess funds shall be the total amount paid to the sheriff by reason of the Foreclosure sale in excess of the greater of (1) the maximum permissible Resale Price of the Affordable Housing unit as of the date of the Foreclosure sale pursuant to the rules and guidelines of the Authority, and (2) the amount required to pay and satisfy the First Money Mortgage, including the costs of Foreclosure, plus any second mortgages approved by the Authority in accordance with this Agreement The amount of excess funds shall also include all payments to any junior creditors out of the Foreclosure sale proceeds even if such were to the exclusion of the defaulting mortgagor

The Authority is hereby given a first priority lien, second only to the First Purchase Money Mortgagee and any taxes or public assessments by a duly authorized governmental body, equal to the full amount of such excess funds This obligation of the defaulting mortgagor to pay the full amount of excess funds to the Authority shall be deemed to be a personal obligation of the Owner of record at time of the Foreclosure sale surviving such sale The Authority shall be empowered to enforce the obligation of the defaulting mortgagor in any appropriate court of law or equity as though same were a personal contractual obligation of the defaulting mortgagor Neither the First Purchase Money Mortgagee nor the purchaser at the Foreclosure sale, shall be responsible, or liable to, the Authority for any portion of this excess

No part of the excess funds, however, shall be part of the defaulting mortgagor's equity

The defaulting mortgagor's equity shall be determined to be the difference between the maximum permitted Resale Price of the Affordable Housing unit as of the date of the Foreclosure sale as calculated in accordance with this Agreement and the total of the following sums First Purchase Money Mortgage, prior liens, costs of Foreclosure, assessments, property taxes, and other liens which may have been attached against the unit prior to Foreclosure, provided such total is less than the maximum permitted Resale Price

If there are Owner's equity sums to which the defaulting mortgagor is properly entitled, such sums shall be turned over to the defaulting mortgagor or placed in an escrow account for the defaulting mortgagor if the defaulting mortgagor cannot be located. The First Purchase Money Mortgagee shall hold such funds in escrow for a period of two years or until such earlier time as the defaulting mortgagor shall make a claim for such At the end of two years, if unclaimed, such funds, including any accrued interest, shall become the property of the Authority to the exclusion of any other creditors who may have claims against the defaulting mortgagor

Nothing shall preclude the Township of Montgomery from acquiring an affordable property prior to foreclosure sale at a negotiated price not to exceed the maximum Resale Price and holding, renting or conveying it to a Certified Household if such right is exercised within 90 days after the property is listed for sale and all outstanding obligations to the First Purchase Money Mortgagee are satisfied

X VIOLATION, DEFAULTS AND REMEDIES

In the event of a threatened breach of any of the terms of this Agreement by an Owner, the Authority shall have all remedies provided at law or equity, including the right to seek injunctive relief or specific performance, it being recognized by both parties to this Agreement that a breach will cause irreparable harm to the Authority, in light of the public policies set forth in the Fair Housing Act and the obligation for the provision of low and moderate income housing Upon the occurrence of a breach of any of the terms of the Agreement by an Owner, the Authority shall have all remedies provided at law or equity, including but not limited to foreclosure, acceleration of all sums due under the mortgage, recoupment of any funds from a sale in violation of the Agreement, injunctive relief to prevent further violation of the Agreement, entry on the premises, and specific performance

D The Affordable Housing unit shall be sold in accordance with all rules, regulations, and requirements duly promulgated by the Counsel (N J A C 5 92-1 et seq), the intent of which is to ensure that the Affordable Housing unit remains affordable to and occupied by Low and Moderate Income-Eligible Households throughout that duration of the agreement

IX FORECLOSURE

The terms and restrictions of this Agreement shall be subordinated only to the First Purchase Money Mortgage lien on the Affordable Housing property and in no way shall impair the First Purchase Money Mortgagee's ability to exercise the contract remedies available to it in the event of any default of such mortgage as such remedies are set forth in the First Purchase Money Mortgage documents for the Affordable Housing unit Any Affordable Housing owner-occupied property that is acquired by a First Purchase Money Mortgagee by Deed in lieu of Foreclosure, or by a Purchaser at a Foreclosure sale conducted by the holder *of* the First Purchase Money Mortgagee shall be permanently released from the restrictions and covenants *of* this Affordable Housing Agreement All resale restrictions shall cease to be effective as *of* the date *of* transfer *of* title pursuant to Foreclosure with regard to the First Purchase Money Mortgagee, a lender in the secondary mortgage market, including but not limited to the FNMA, Federal Home Loan Mortgage Corporation, GNMA, or an entity acting *on* their behalf and all subsequent purchasers, Owners and mortgagees *of* that particular Affordable Housing unit (except for the defaulting mortgagor, who shall be forever subject to the resale restrictions *of* this Agreement with respect to the Affordable Housing unit owned by such defaulting mortgagor at time *of* the Foreclosure sale)

Upon a judgment of Foreclosure, the Authority shall execute a document to be recorded in the county recording office as evidence that such Affordable Housing unit has been forever released from the restrictions of this Agreement Execution of foreclosure sales by any other class of creditor or mortgagee shall not result in a release of the Affordable Housing unit from the provisions and restrictions of this Agreement

In the event of a Foreclosure sale by the First Purchase Mortgagee, the defaulting mortgagor shall be personally obligated to pay to the Authority any excess funds generated from such Foreclosure sale For purposes of this Agreement, excess funds shall be the total amount paid to the sheriff by reason of the Foreclosure sale in excess of the greater of (1) the maximum permissible Resale Price of the Affordable Housing unit as of the date of the Foreclosure sale pursuant to the rules and guidelines of the Authority, and (2) the amount required to pay and satisfy the First Money Mortgage, including the costs of Foreclosure, plus any second mortgages approved by the Authority in accordance with this Agreement The amount of excess funds shall also include all payments to any junior creditors out of the Foreclosure sale proceeds even if such were to the exclusion of the defaulting mortgagor

The Authority is hereby given a first priority lien, second only to the First Purchase Money Mortgagee and any taxes or public assessments by a duly authorized governmental body, equal to the full amount of such excess funds This obligation of the defaulting mortgagor to pay the full amount of excess funds to the Authority shall be deemed to be a personal obligation of the Owner of record at time of the Foreclosure sale surviving such sale The Authority shall be empowered to enforce the obligation of the defaulting mortgagor in any appropriate court of law or equity as though same were a personal contractual obligation of the defaulting mortgagor Neither the First Purchase Money Mortgagee nor the purchaser at the Foreclosure sale, shall be responsible, or liable to, the Authority for any portion of this excess

No part of the excess funds, however, shall be part of the defaulting mortgagor's equity

The defaulting mortgagor's equity shall be determined to be the difference between the maximum permitted Resale Price of the Affordable Housing unit as of the date of the Foreclosure sale as calculated in accordance with this Agreement and the total of the following sums First Purchase Money Mortgage, prior liens, costs of Foreclosure, assessments, property taxes, and other liens which may have been attached against the unit prior to Foreclosure, provided such total is less than the maximum permitted Resale Price

If there are Owner's equity sums to which the defaulting mortgagor is properly entitled, such sums shall be turned over to the defaulting mortgagor or placed in an escrow account for the defaulting mortgagor if the defaulting mortgagor cannot be located. The First Purchase Money Mortgagee shall hold such funds in escrow for a period of two years or until such earlier time as the defaulting mortgagor shall make a claim for such At the end of two years, if unclaimed, such funds, including any accrued interest, shall become the property of the Authority to the exclusion of any other creditors who may have claims against the defaulting mortgagor

Nothing shall preclude the Township of Montgomery from acquiring an affordable property prior to foreclosure sale at a negotiated price not to exceed the maximum Resale Price and holding, renting or conveying it to a Certified Household if such right is exercised within 90 days after the property is listed for sale and all outstanding obligations to the First Purchase Money Mortgagee are satisfied

X VIOLATION, DEFAULTS AND REMEDIES

In the event of a threatened breach of any of the terms of this Agreement by an Owner, the Authority shall have all remedies provided at law or equity, including the right to seek injunctive relief or specific performance, it being recognized by both parties to this Agreement that a breach will cause irreparable harm to the Authority, in light of the public policies set forth in the Fair Housing Act and the obligation for the provision of low and moderate income housing. Upon the occurrence of a breach of any of the terms of the Agreement by an Owner, the Authority shall have all remedies provided at law or equity, including but not limited to foreclosure, acceleration of all sums due under the mortgage, recoupment of any funds from a sale in violation of the Agreement, injunctive relief to prevent further violation of the Agreement, entry on the premises, and specific performance

XI RIGHT TO ASSIGN

The Authority may assign from time to time its rights, and delegate its obligations hereunder without the consent of the Owner Upon such assignment, the Authority, its successors or assigns shall provide written notice to the Owner

IX FORECLOSURE

The terms and restrictions of this Agreement shall be subordinated only to the First Purchase Money Mortgage lien on the Affordable Housing property and in no way shall impair the First Purchase Money Mortgagee's ability to exercise the contract remedies available to it in the event of any default of such mortgage as such remedies are set forth in the First Purchase Money Mortgage documents for the Affordable Housing unit Any Affordable Housing owner-occupied property that is acquired by a First Purchase Money Mortgagee by Deed in lieu of Foreclosure, or by a Purchaser at a Foreclosure sale conducted by the holder *of* the First Purchase Money Mortgagee shall be permanently released from the restrictions and covenants *of* this Affordable Housing Agreement All resale restrictions shall cease to be effective as *of* the date *of* transfer *of* title pursuant to Foreclosure with regard to the First Purchase Money Mortgagee, a lender in the secondary mortgage market, including but not limited to the FNMA, Federal Home Loan Mortgage Corporation, GNMA, or an entity acting *on* their behalf and all subsequent purchasers, Owners and mortgagees *of* that particular Affordable Housing unit (except for the defaulting mortgagor, who shall be forever subject to the resale restrictions *of* this Agreement with respect to the Affordable Housing unit owned by such defaulting mortgagor at time *of* the Foreclosure sale)

Upon a judgment of Foreclosure, the Authority shall execute a document to be recorded in the county recording office as evidence that such Affordable Housing unit has been forever released from the restrictions of this Agreement Execution of foreclosure sales by any other class of creditor or mortgagee shall not result in a release of the Affordable Housing unit from the provisions and restrictions of this Agreement

In the event of a Foreclosure sale by the First Purchase Mortgagee, the defaulting mortgagor shall be personally obligated to pay to the Authority any excess funds generated from such Foreclosure sale For purposes of this Agreement, excess funds shall be the total amount paid to the sheriff by reason of the Foreclosure sale in excess of the greater of (1) the maximum permissible Resale Price of the Affordable Housing unit as of the date of the Foreclosure sale pursuant to the rules and guidelines of the Authority, and (2) the amount required to pay and satisfy the First Money Mortgage, including the costs of Foreclosure, plus any second mortgages approved by the Authority in accordance with this Agreement The amount of excess funds shall also include all payments to any junior creditors out of the Foreclosure sale proceeds even if such were to the exclusion of the defaulting mortgagor.

The Authority is hereby given a first priority lien, second only to the First Purchase Money Mortgagee and any taxes or public assessments by a duly authorized governmental body, equal to the full amount of such excess funds This obligation of the defaulting mortgagor to pay the full amount of excess funds to the Authority shall be deemed to be a personal obligation of the Owner of record at time of the Foreclosure sale surviving such sale The Authority shall be empowered to enforce the obligation of the defaulting mortgagor in any appropriate court of law or equity as though same were a personal contractual obligation of the defaulting mortgagor Neither the First Purchase Money Mortgagee nor the purchaser at the Foreclosure sale, shall be responsible, or liable to, the Authority for any portion of this excess

No part of the excess funds, however, shall be part of the defaulting mortgagor's equity

The defaulting mortgagor's equity shall be determined to be the difference between the maximum permitted Resale Price of the Affordable Housing unit as of the date of the Foreclosure sale as calculated in accordance with this Agreement and the total of the following sums: First Purchase Money Mortgage, prior liens, costs of Foreclosure, assessments, property taxes, and other liens which may have been attached against the unit prior to Foreclosure, provided such total is less than the maximum permitted Resale Price

If there are Owner's equity sums to which the defaulting mortgagor is properly entitled, such sums shall be turned over to the defaulting mortgagor or placed in an escrow account for the defaulting mortgagor if the defaulting mortgagor cannot be located. The First Purchase Money Mortgagee shall hold such funds in escrow for a period of two years or until such earlier time as the defaulting mortgagor shall make a claim for such At the end of two years, if unclaimed, such funds, including any accrued interest, shall become the property of the Authority to the exclusion of any other creditors who may have claims against the defaulting mortgagor

Nothing shall preclude the Township of Montgomery from acquiring an affordable property prior to foreclosure sale at a negotiated price not to exceed the maximum Resale Price and holding, renting or conveying it to a Certified Household if such right is exercised within 90 days after the property is listed for sale and all outstanding obligations to the First Purchase Money Mortgagee are satisfied.

In the event of a threatened breach of any of the terms of this Agreement by an Owner, the Authority shall have all remedies provided at law or equity, including the right to seek injunctive relief or specific performance, it being recognized by both parties to this Agreement that a breach will cause irreparable harm to the Authority, in light of the public policies set forth in the Fair Housing Act and the obligation for the provision of low and moderate income housing Upon the occurrence of a breach of any of the terms of the Agreement by an Owner, the Authority shall have all remedies provided at law or equity, including but not limited to foreclosure, acceleration of all sums due under the mortgage, recoupment of any funds from a sale in violation of the Agreement, injunctive relief to prevent further violation of the Agreement, entry on the premises, and specific performance

Prepared by: Dollie Della Ventura

A DECLARATION OF COVENANTS, CONDITIONS AND RESTRICTIONS

Pursuant to the transfer of ownership of an affordable housing unit for the price of $_____, this AGREEMENT is entered into on this 29th day of August, 2006, between **Helen M. Olah**, owner of the properties designated in Section II PROPERTY DESCRIPTION, hereafter "OWNER", and **The Somerset County Coalition on Affordable Housing (SCCOAH)**, hereafter "AUTHORITY", or **The Township of Montgomery**, MUNICIPALITY", both parties having agreed that the covenants, conditions and restrictions contained herein shall be imposed on the affordable housing unit described in Section II PROPERTY DESCRIPTION for a period of at least thirty (30) years beginning on **September 04, 2002,** and ending at the first non-exempt transfer of title after **September 04, 2032** unless extended by municipal resolution as described in Section III TERM OF RESTRICTION.

WHEREAS, municipalities within the State of New Jersey are required by the Fair Housing Act (P.L. 1985, c. 222) hereinafter "Act", to provide their fair share of housing that is affordable to households with low or moderate incomes in accordance with provisions of the Act; and

WHEREAS, the Act requires that municipalities ensure that such designated housing remains affordable to low and moderate income households for a minimum period of at least 6 years; and

WHEREAS, the Act establishes the Council on Affordable Housing (hereinafter "Council") to assist municipalities in determining a realistic opportunity for the planning and development of such affordable housing; and

WHEREAS, pursuant to the Act, the housing unit (units) described in Section II PROPERTY DESCRIPTION hereafter and/or an attached Exhibit A of this Agreement has (have) been designated as low and moderate income housing as defined by the Act; and

WHEREAS, the purpose of this Agreement is to ensure that the described housing units (unit) remain(s) affordable to low and moderate eligible households for that period of time described in Section III TERM OF RESTRICTION.

NOW, THEREFORE, it is the intent of this Agreement to ensure that the affordability controls are contained directly in the property deed for the premises and incorporated into and recorded with the property deed so as to bind the owner of the described premises and notify all future purchasers of the housing unit that the housing unit is encumbered with affordability controls; and by entering into this Agreement, the owner of the described premises agrees to restrict the sale of the housing unit to low and moderate income eligible households at a maximum resale price determined by the Authority for the specified period of time.

I. DEFINITIONS

For purposes of this Agreement, the following terms shall be defined as follows:

"Affordable Housing" shall mean residential units that have been restricted for occupancy by households whose total gross annual income is measured at less than 80% of the median income level established by an authorized income guideline for geographic region and family size.

"Agency" shall mean the New Jersey Housing and Mortgage Finance Agency established by L. 1983, c.530 (C.55:14K-1 et seq.).

"Agreement" shall mean this written Affordable Housing Agreement between the Authority and the owner of an affordable housing unit which places restrictions on affordable housing units so that they remain affordable to and occupied by low and moderate income-eligible households for the period of time specified in this Agreement.

"Assessments" shall mean all taxes, levies or charges, both public and private, including those charges by any condominium, cooperative or homeowner's association as the applicable case may be, imposed upon the affordable housing unit.

"Authority" shall mean the administrative organization designated by municipal ordinance for the purpose of monitoring the occupancy and resale restrictions contained in this Affordable Housing Agreement. The Authority shall

serve as an instrument of the municipality in exercising the municipal rights to the collection of funds as contained in this Agreement.

"Base Price" shall mean the initial sales price of a unit produced for or designated as owner-occupied affordable housing.

"Certified Household" shall mean any eligible household whose estimated total gross annual income has been verified, whose financial references have been approved and who has received written certification as a low or moderate income-eligible household from the Authority.

"Council" shall mean the Council on Affordable Housing (COAH) established pursuant to the Fair Housing Act, N.J.S.A. 52:27D-301 et seq.

"Department" shall mean the New Jersey State Department of Community Affairs.

"Exempt Transaction" shall mean the following "non-sales" title transactions: (1) Transfer of ownership between husband and wife; (2) Transfer of ownership between former spouses ordered as a result of a judicial decree of divorce or judicial separation (but not including sales to third parties); (3) Transfer of ownership through an executor's deed to a Class A Beneficiary; and, (4) Transfer of ownership by court order. All other title transfers shall be deemed non-exempt.

"Fair Market Price" shall mean the unrestricted price of a low or moderate-income housing unit if sold at a current real estate market rate.

"First Purchase Money Mortgage" shall mean the most senior mortgage lien to secure repayment of funds for the purchase of an affordable housing unit providing that such mortgage is not in excess of the applicable maximum allowable resale price and is payable to a valid first purchase money mortgagee.

"First Purchase Money Mortgagee" shall mean an institutional lender or investor, licensed or regulated by the Federal or a state government or any agency thereof, which is the holder and/or assigns of the first money mortgage.

"Foreclosure" shall mean the termination through legal processes of all rights of the mortgagor or the mortgagor's heirs, successors, assignees or grantees in a restricted affordable housing unit covered by a recorded mortgage.

"Gross Annual Income" shall mean the total amount of all sources of a household's income including, but not limited to salary, wages, interest, tips, dividends, alimony, pensions, social security, business and capital gains, tips and welfare benefits. Generally, gross annual income will be based on those sources of income reported to the Internal Revenue Service (IRS) and/or that can be utilized for the purpose of mortgage approval.

"Hardship Waiver" shall mean an approval by the Authority to sell an affordable unit to a household that exceeds the income eligibility criteria after the owner has demonstrated that no certified household has signed an agreement to purchase the unit. The owner shall have marketed the unit for ninety (90) days after a Notice of Intent to Sell has been received by the Authority and the Authority shall have thirty (30) days thereafter to approve a Hardship Waiver. The Hardship Waiver shall permit a low-income unit to be sold to a moderate-income household or a moderate-income unit to be sold to a household whose income is at 80% or above the applicable median income guide. The Hardship Waiver is only valid for a single sale.

"Household" shall mean the person or persons occupying a housing unit.

"Index" shall mean the measured percentage of change in the median income for a household of four by geographic region using the income guideline approved for use by Council.

"Low Income Household" shall mean a household whose total gross annual income is equal to 50% or less of the median gross income figure established by geographic region and household size using the income guideline approved for use by Council.

"Moderate Income Household" shall mean a household whose total gross annual income is equal to more than 50% but less than 80% of the median gross income established by geographic region and household size using the income guideline approved for use by Council.

"Owner" shall mean the title holder of record as same is reflected in the most recently dated and recorded deed for the particular affordable housing unit. For purposes of the initial sales or rentals of any affordable housing unit, owner shall include the developer/owner of such affordable housing units. Owner shall not include any co-signer or co-borrower on any first purchase money mortgage unless such co-signer or co-borrower is also a named title holder of record of such affordable housing unit.

"Price Differential" shall mean the total amount of the restricted sales price that exceeds the maximum restricted resale price as calculated by the index after reasonable real estate broker fees have been deducted. The unrestricted sales price shall be no less than a comparable fair market price as determined by the Authority at the time a Notice of Intent to Sell has been received from the owner.

"Primary Residence" shall mean the unit wherein a certified household maintains continuing residence for no less than nine months of each calendar year.

"Purchaser" shall mean a certified household who has signed an agreement to purchase an affordable housing unit subject to a mortgage commitment and closing.

"Repayment" shall mean the owner's obligation to the municipality for payment of 95% of the price differential between the maximum allowable resale price and the fair market selling price which has accrued to the affordable unit during the restricted period of resale at the first non-exempt sale of the property after restrictions have ended as specified in the Affordable Housing Agreement.

"Repayment Mortgage" shall mean the second mortgage document signed by the owner that is given to the municipality as security for the payment due under the Repayment Note.

"Repayment Note" shall mean the second mortgage note signed by the owner that requires the repayment to the municipality of 95% of the price differential which has accrued to the low or moderate income unit during the period of resale controls at the first non-exempt sale of the property after restrictions have ended as specified in the Affordable Housing Agreement.

"Resale Price" shall mean the base price of a unit designated as owner-occupied affordable housing as adjusted by the index. The resale price may also be adjusted to accommodate an approved home improvement.

An owner wishing to enter a transaction that will terminate controls as specified heretofore in Section III TERMS OF RESTRICTION shall be obligated to provide a Notice of Intent to Sell to the Authority and the Council. An option to buy the unit at the maximum restricted sales price as calculated by the Index shall be made available to the municipality, the Department, the Agency, or a qualified non-profit organization as determined by the Council for a period of ninety (90) days from the date of delivery of the Notice of Intent to Sell. The option to buy shall be by certified mail and shall be effective on the date of mailing to the owner.

1. If the option to buy is not exercised within ninety (90) days pursuant to Paragraph C above, the owner may elect to sell the unit to a certified income-eligible household at the maximum restricted sales price as calculated by the index provided the unit continues to be restricted by an Affordable Housing Agreement and a Repayment Note for a period of up to thirty (30) years.

2. Alternately, the owner may also elect to sell to any purchaser at a fair market price. In this event, the owner shall be obligated to pay the municipality 95% of the price differential generated at the time of closing and transfer of title of the affordable housing unit after restrictions have ended as specified heretofore in Section III TERM OF RESTRICTION.

3. If the owner does not sell the unit within one (1) year of the date of delivery of the Notice of Intent to Sell, the option to buy shall be restored to the municipality and subsequently to the Department, the Agency or a non-profit approved by the Council. The owner shall then be required to submit a new Notice of Intent to Sell the affordable unit to the Authority.

D. The affordable housing unit shall be sold in accordance with all rules, regulations, and requirements duly promulgated by the Council (N.J.A.C. 5:92-1 et seq.), the intent of which is to ensure that the affordable housing unit remains affordable to and occupied by low and moderate income-eligible households throughout the duration of this Agreement.

V. REQUIREMENTS

A. This Agreement shall be recorded with the recording office of the county in which the affordable housing unit or units are located. The Agreement shall be filed no earlier than the recording of an applicable master deed and no later than the closing date of the initial sale.

B. When a single Agreement is used to govern more than one affordable housing unit, the Agreement shall contain a description of each affordable housing unit governed by the Agreement as described in Section II PROPERTY DESCRIPTION and/or Exhibit A of the Agreement and an ending date to be imposed on the unit as described in Section III TERM OF RESTRICTION of the Agreement.

C. A Repayment Mortgage and a Repayment Note shall be executed between the owner and the municipality wherein the unit(s) is (are) located at the time of closing and transfer of title to any purchaser of an affordable housing unit. The Repayment Mortgage shall provide for the repayment of 95% of the price differential at the first non-exempt transfer of title after the ending date of restrictions as specified in Section III TERM OF RESTRICTION. The Repayment Mortgage shall be recorded with the records office of the county in which the unit is located.

VI. DEEDS OF CONVEYANCE AND LEASE PROVISIONS

All Deeds of Conveyance and Contracts to Purchase from all owners to certified purchasers of affordable housing units shall include the following clause in a conspicuous place.

> "The owner's rights, title and interest in this unit and the use, sale, resale and rental of this property are subject to the terms, conditions, restrictions, limitations and provisions as set forth in the AFFORDABLE HOUSING AGREEMENT which is filed concurrently with this deed in the Office of the County Clerk of Somerset County and is also on file with the Authority."

Any master deed that includes an affordable housing unit shall also reference the affordable unit and the Affordable Housing Agreement and any variation in services, fees, or other terms of the master deed that differentiates the affordable unit from all other units covered in the master deed.

VII. COVENANTS RUNNING WITH LAND

The provisions of this Affordable Housing Agreement shall constitute covenants running with the land with respect to each affordable housing unit affected hereby, and shall bind all purchasers and owners of each affordable housing unit, their heirs, assigns and all persons claiming by, through or under their heirs, executors, administrators and assigns for the duration of this Agreement as set forth herein.

VIII. OWNER RESPONSIBILITIES

In addition to fully complying with the terms and provisions of this Affordable Housing Agreement, the owner acknowledges the following responsibilities:

A. Affordable housing units shall at all times remain the primary residence of the owner. The owner shall not rent any affordable housing unit to any party whether or not that party qualifies as a low or moderate income household without prior written approval from the Authority.

B. All home improvements made to an affordable housing unit shall be at the owner's expense except that expenditures for any alteration that allows a unit to be resold to a larger household size because of an increased capacity for occupancy shall be considered for a recalculation of base price. Owners must obtain prior approval for such alteration from the Authority to qualify for this recalculation.

C. The owner of an affordable housing unit shall keep the affordable housing unit in good repair.

D. Owners of affordable housing units shall pay all taxes, charges, assessments or levies, both public and private, assessed against such unit, or any part thereof, as and when the same become due.

E. Owners of affordable housing units shall notify the Authority in writing no less than ninety (90) days prior to any proposed sale of an intent to sell the property. Owners shall not execute any purchase agreement, convey title or otherwise deliver possession of the affordable housing unit without the prior written approval of the Authority.

F. An owner shall request referrals of eligible households from pre-established referral lists maintained by the Authority.

G. If the Authority does not refer a certified household within sixty (60) days of the Notice of Intent to Sell the unit or no Agreement to Purchase the unit has been executed, the owner may propose a Contract to Purchase the unit to an income eligible household not referred through the Authority. The proposed purchaser must complete all required household eligibility forms and submit gross annual income information for verification to the Authority for written certification as an eligible sales transaction.

H. At resale, all items of property which are permanently affixed to the unit and/or were included when the unit was originally restricted (e.g. refrigerator, range, washer, dryer, dishwasher, wall to wall carpeting) shall be included in the maximum allowable resale price. Other items of property may be sold to the purchaser at a reasonable price that has been approved by the Authority at the time of signing the Agreement to Purchase. The purchase of central air conditioning installed subsequent to the initial sale of the unit and not included in the base price may be made a condition of the unit resale provided the price has been approved by the Authority. Unless otherwise permitted by the Council, the purchase of any property other than central air conditioning shall not be made a condition of the unit resale. The owner and the purchaser must personally certify at the time of closing that no unapproved transfer of funds for the purpose of selling and receiving property has taken place at resale.

I. The owner shall not permit any lien, other than the first purchase money mortgage, second mortgages approved by the Authority and liens of the Authority to attach and remain on the property for more than sixty (60) days.

J. If an affordable housing unit is part of a condominium, homeowner's or cooperative association, the owner, in addition to paying any assessments required by the master deed of the condominium or by-laws of an association, shall further fully comply with all of the terms, covenants or conditions of said master deed or by-laws as well as fully comply with all terms, conditions and restrictions of this Affordable Housing Agreement.

K. The owner shall have responsibility for fulfilling all requirements in accordance with and subject to any rules and regulations duly promulgated by the Council (N.J.A.C. 5:93), for determining that a resale transaction is qualified for a Certificate of Exemption. The owner shall notify the Authority in writing of any proposed exemption transaction and supply the necessary documentation to qualify for a Certificate of Exemption. An exempt transaction does not terminate the resale restrictions or existing liens and is not considered a certified sales transaction in calculating subsequent resale prices. A Certificate of Exemption shall be filed with the deed at the time of the title transfer.

L. The owner shall have responsibility for fulfilling all requirements in accordance with and subject to any rules regulations duly promulgated by the Council (N.J.A.C. 5:93), for determining that a resale transaction is qualified for a Hardship Waiver. The owner may submit a written request for a Hardship Waiver, if no certified household has executed an agreement to purchase within ninety (90) days of notification of an approved resale price and referral of potential purchasers. Prior to issuing a Hardship Waiver, the municipality shall have thirty (30) days in which to sign

an agreement to purchase the unit at the approved resale price and subsequently rent or convey it to a certified household. The municipality may transfer this option to the Department, the Agency, or a qualified non-profit organization as determined by the Council. For approval of a Hardship Waiver, an owner must document efforts to sell the unit to an income eligible household. If the waiver is granted, the owner may offer a low income unit to a moderate income household or a moderate income unit to a household whose income exceeds 80% of the applicable median income guide. The Hardship Waiver shall be filed with the deed at the time of closing and is only valid for the designated resale transaction. It does not affect the resale price. All future resales are subject to all restrictions stated herein.

M. The owner shall be obligated to pay a reasonable service fee to the Authority at the time of closing and transfer of title in the amount specified by the Authority at the time a restricted resale price has been determined after receipt of a Notice of Intent to Sell. Such fee shall not be included in the calculation of the maximum resale price.

IX. FORECLOSURE

The terms and restrictions of this Agreement shall be subordinate only to the first purchase money mortgage lien on the affordable housing property and in no way shall impair the first purchase money mortgagee's ability to exercise the contract remedies available to it in the event of any default of such mortgage as such remedies are set forth in the first purchase money mortgage documents for the affordable housing unit.

Any affordable housing owner-occupied property that is acquired by a first purchase money mortgagee by deed in lieu of foreclosure, or by a purchaser at a foreclosure sale conducted by the holder of the first purchase money mortgagee shall be permanently released from the restrictions and covenants of this Affordable Housing Agreement. All resale restrictions shall cease to be effective as of the date of transfer of title pursuant to foreclosure with regard to the first purchase money mortgagee, a lender in the secondary mortgage market including but not limited to the FNMA, Federal Home Loan Mortgage Corporation, GNMA, or an entity acting on their behalf and all subsequent purchasers, owners and mortgagees of that particular affordable housing unit (except for the defaulting mortgagor, who shall be forever subject to the resale restrictions of this Agreement with respect to the affordable housing unit owned by such defaulting mortgagor at the time of the foreclosure sale).

Upon a judgement of foreclosure, the Authority shall execute a document to be recorded in the county recording office as evidence that such affordable housing unit has been forever released from the restrictions of this Agreement. Execution of foreclosure sales by any other class of creditor or mortgagee shall not result in a release of the affordable housing unit from the provisions and restrictions of this Agreement.

In the event of a foreclosure sale by the first purchase money mortgagee, the defaulting mortgagor shall be personally obligated to pay to the Authority any excess funds generated from such foreclosure sale. For purposes of this Agreement, excess funds shall be the total amount paid to the sheriff by reason of the foreclosure sale in excess of the greater of (1) the maximum permissible resale price of the affordable housing unit as of the date of the foreclosure sale pursuant to the rules and guidelines of the Authority and (2) the amount required to pay and satisfy the first money mortgage, including the costs of foreclosure plus any second mortgages approved by the Authority in accordance with this Agreement. The amount of excess funds shall also include all payments to any junior creditors out of the foreclosure sale proceeds even if such were to the exclusion of the defaulting mortgagor.

The Authority is hereby given a first priority lien, second only to the first purchase mortgagee and any taxes or public assessments by a duly authorized governmental body, equal to the full amount of such excess funds. This obligation of the defaulting mortgagor to pay the full amount of excess funds to the Authority shall be deemed to be a personal obligation of the owner of record at the time of the foreclosure sale surviving such sale. The Authority shall be empowered to enforce the obligation of the defaulting mortgagor in any appropriate court of law or equity as though same were a personal contractual obligation of the defaulting mortgagor. Neither the first purchase money mortgagee nor the purchaser at the foreclosure sale shall be responsible or liable to the Authority for any portion of this excess.

No part of the excess funds, however, shall be part of the defaulting mortgagor's equity.

The defaulting mortgagor's equity shall be determined to be the difference between the maximum permitted resale price of the affordable housing unit as of the date of the foreclosure sale as calculated in accordance with this Agreement and the total of the following sums: first purchase money mortgage, prior liens, costs of foreclosure, assessments, property taxes, and other liens which may have been attached against the unit prior to foreclosure, provided such total is less than the maximum permitted resale price.

If there are owner's equity sums to which the defaulting mortgagor is properly entitled, such sums shall be turned over to the defaulting mortgagor or placed in an escrow account for the defaulting mortgagor if the defaulting mortgagor cannot be located. The first purchase money mortgagee shall hold such funds in escrow for a period of two years or until such earlier time as the defaulting mortgagor shall make a claim for such. At the end of two years, if unclaimed, such funds, including any accrued interest, shall become the property of the Authority to the exclusion of any other creditors who may have claims against the defaulting mortgagor.

Nothing shall preclude the municipality wherein the affordable housing unit is located from acquiring an affordable property prior to foreclosure sale at the approved maximum resale price, and holding, renting or conveying it to a certified household if such right is exercised within ninety (90) days after the property is listed for sale and all outstanding obligations to the first purchase money mortgagee are satisfied.

X. VIOLATION, DEFAULTS AND REMEDIES

In the event of a threatened breach of any of the terms of this Agreement by an owner, the Authority shall have all remedies provided at law or equity, including the right to seek injunctive relief or specific performance, it being recognized by both parties to this Agreement that a breach will cause irreparable harm to the Authority, in light of the public policies set forth in the Fair Housing Act and the obligation for the provision of low and moderate income housing. Upon the occurrence of a breach of any of the terms of the Agreement by the owner, the Authority shall have all remedies provided at law or equity including but not limited to foreclosure, acceleration of all sums due under the mortgage, recoupment of any funds from a sale in violation of the Agreement, injunctive relief to prevent further violation of the Agreement, entry on the premises, and specific performance.

XI. RIGHT TO ASSIGN

The Authority may assign from time to time its rights, and delegate its obligations hereunder without the consent of the owner. Upon such assignment, the Authority, its successors or assigns shall provide written notice to the owner.

XII. INTERPRETATION OF THIS AGREEMENT

The terms of this Agreement shall be interpreted so as to avoid financial speculation or circumvention of the purposes of the Fair Housing Act for the duration of this Agreement and to ensure, to the greatest extent possible, that the purchase price, mortgage payments and rents of designated affordable housing units remain affordable to low and moderate income-eligible households as defined herein.

XV. SEVERABILITY

It is the intention of all parties that the provisions of this instrument are severable so that if any provisions, conditions, covenants or restrictions thereof shall be invalid or void under any applicable federal, state or local law, the remainder shall be unaffected thereby.

In the event that any provision, condition, covenant or restriction hereof, is at the time of recording of this instrument, void, voidable or unenforceable as being contrary to any applicable federal, state or local law, both parties, their successors and assigns, and all persons claiming by, through or under them covenant and agree that any future amendments or supplements to the said laws having the effect of removing said invalidity, voidability or unenforceability, shall be deemed to apply retrospectively to this instrument thereby operating to validate the provisions of this instrument which otherwise might be invalid and it is covenanted and agreed that any such amendments and supplements to the said laws shall have the effect herein described as fully as if they had been in effect at the time of the execution of this instrument.

Article 3. Grantor's Covenant

The Grantor hereby covenants and affirms that Grantor has taken no action to encumber the Property.

Article 4. Affordable Housing Covenants

Sale and use of the Property is governed by regulations known as the Uniform Housing Affordability Controls, which are found in New Jersey Administrative Code at Title 5, chapter 80, subchapter 26 (N.J.A.C. 5:80-26.1, *et seq.* the "Regulations"). Consistent with the Regulations, the following covenants (the "Covenants") shall run with the land for the period of time commencing upon the earlier of (a) the date hereof or (b) the prior commencement of the "Control Period", as that term is defined in the Regulations, and terminating upon the expiration of the Control Period as provided in the Regulations.

A. The Property may be conveyed only to a household who has been approved in advance and in writing by Community Grants, Planning & Housing, LLC, an administrative agent appointed under the Regulations (hereinafter, collectively, the "Administrative Agent").

B. No sale of the Property shall be lawful, unless approved in advance and in writing by the Administrative Agent, and no sale shall be for a consideration greater than maximum permitted price ("Maximum Resale Price", or "MRP") as determined by the Administrative Agent.

C. No refinancing, equity loan, secured letter of credit, or any other mortgage obligation or other debt (collectively, "Debt") secured by the Property, may be incurred except as approved in advance and in writing by the Administrative Agent. At no time shall the Administrative Agent approve any such Debt, if incurring the Debt would make the total of all such Debt exceed Ninety-Five Percent (95%) of the applicable MRP.

D. The owner of the Property shall at all times maintain the Property as his or her principal place of residence.

E. Except as set forth in F. below, at no time shall the owner of the Property lease or rent the Property to any person or persons, except on a short-term hardship basis as approved in advance and in writing by the Administrative Agent.

F. If the Property is a two-family home, the owner shall lease the rental unit only to income-certified low-income households approved in writing by the Administrative Agent, shall charge rent no greater than the maximum permitted rent as determined by the Administrative Agent, and shall submit for written approval of the Administrative Agent copies of all proposed leases prior to having them signed by any proposed tenant.

G. No improvements may be made to the Property that would affect its bedroom configuration, and in any event, no improvement made to the Property will be taken into consideration to increase the MRP, except for improvements approved in advance and in writing by the Administrative Agent.

H. The affordable housing covenants, declarations and restrictions implemented by this Declaration and by incorporation, N.J.A.C. 5:80-26.1 *et seq.*, shall remain in effect despite the entry and enforcement of any judgment of foreclosure with respect to the Affordable Unit so long as the Affordable Unit remains subject to the affordability controls being implemented by this Declaration.

I. The Affordable Units are subject to a 30 year affordability control period that commenced on the date of first conveyance of title, which is September 4, 2002, of this Affordable Unit governed by this Declaration to a certified affordable purchaser who has executed the documents required by N.J.S.A. 5:80-26.1 et seq.

Article 5. Remedies for Breach of Affordable Housing Covenants

A breach of the Covenants will cause irreparable harm to the Administrative Agent and to the public, in light of the public policies set forth in the New Jersey Fair Housing Act, the Uniform Housing Affordability Control rules found at N.J.A.C. 5:80-26, and the obligation for the provision of low and moderate-income housing. Accordingly, and as set forth in N.J.A.C. 5:80-26.10A(b):

A. In the event of a threatened breach of any of the Covenants by the Grantee, or any successor in interest or other owner of the Property, the Administrative Agent shall have all remedies provided at law or equity, including the *right to seek injunctive relief or specific performance.*

B. Upon the occurrence of a breach of any Covenants by the Grantee, or any successor in interest or other owner of the Property, the Administrative Agent shall have all remedies provided at law or equity including but not limited to *forfeiture, foreclosure, acceleration of all sums due under any mortgage, recouping of any funds from a sale in* violation of the Covenants, diverting of rent proceeds from illegal rentals, injunctive relief to prevent further violation of said Covenants, entry on the premises, those provided under Title 5, Chapter 80, Subchapter 26 of the New Jersey Administrative Code and specific performance.

2. Alternately, the Owner may also elect to sell to any purchaser at a fair market price. 3. If the Owner does not sell the unit within one (1) year of the date of delivery of the Notice of Intent to Sell, the option to buy shall be restored to the municipality and subsequently to the Department, the Agency or a Non-Profit approved by the Council. The Owner shall then be required to submit a new Notice of Intent to Sell the affordable unit to the Authority

D. The Affordable Housing unit shall be sold in accordance with all rules, regulations, and requirements duly promulgated by the Counsel (N.J.A.C. 5:92-1 et seq.), the intent of which is to ensure that the Affordable Housing unit remains affordable to and occupied by Low and Moderate Income-Eligible Households throughout that duration of the agreement.

Any Master Deed that includes an affordable unit shall also reference the affordable unit and the Affordable Housing Agreement and any variation in services, fees, or other terms of the Master Deed that differentiates the affordable unit from all other units covered in the Master Deed

VII COVENANTS RUNNING WITH LAND

The provisions of this Affordable Housing Agreement shall constitute covenants running with the land with respect to each Affordable Housing unit affected hereby, and shall bind all Purchasers and Owners of each Affordable Housing unit, their heirs, assigns and all persons claiming by, through or under their heirs, executors, administrators and assigns for the duration of this Agreement as set forth herein.

VIII OWNER RESPONSIBILITIES

In addition to fully complying with the terms and provisions of this Agreement, the Owner acknowledges the following responsibilities.

UNOFFICIAL COPY

A. Affordable Housing unit shall at all times remain the Primary Residence of the Owner. The Owner shall not rent any Affordable Housing unit to any party whether or not that party qualifies as a Low or Moderate income household without prior written approval from the Authority.

B. All home improvements made to an Affordable Housing unit shall be at the Owner's expense except that expenditures for any alteration that allows a unit to be sold to a larger household size because of increased capacity for occupancy shall be considered for a recalculation of Base Price Owners must obtain prior approval for such alteration from the Authority to qualify for this recalculation.

C The Owner of an Affordable Housing unit shall keep the Affordable Housing unit in good repair.

D Owners of Affordable Housing units shall pay all taxes, charges, assessments both public and private, assessed against such unit, or any part thereof, as and when the become due

E. Owners of Affordable Housing units shall notify the Authority in writing no less than ninety (90) days prior to any proposed sale of an intent to sell the property. Owners shall not execute any purchase agreement, convey title or otherwise deliver possession of the Affordable Housing unit without the prior written approval of the Authority.

F An Owner shall request referrals of eligible households from pre-established referral lists maintained by the Authority

G If the Authority does not refer an eligible household within sixty (60) days of the Notice of Intent to Sell the unit or no Agreement to Purchase the unit has been executed, the Owner may propose a Contract to Purchase the unit to an eligible household not referred through the Authority The proposed Purchaser must complete all required Household Eligibility forms and submit Gross Annual Income Information for verification to the Authority for written certification as an eligible sales transaction.

H At resale, all items of property which are permanently affixed to the unit and/or were included when the unit was initially restricted (e.g. refrigerator, range, washer, dryer, dishwasher wall to wall carpeting) shall be included in the maximum allowable Resale Price Other items of property may be sold to the Purchaser at a reasonable price that has been approved by the Authority at the time of signing the Agreement to Purchase. The purchase of central air conditioning installed subsequent to the initial sale of the unit and not included in the Base Price may be made a condition of the unit resale provided the price has been approved by the Authority. Unless otherwise permitted by the Council, the purchase of any property other than central air

UNOFFICIAL COPY

conditioning shall not be made a condition of the unit resale. The Owner and the Purchaser must personally certify at the time of closing that no unapproved transfer of funds for the purpose of selling and receiving property has taken place at Resale

I The Owner shall not permit any lien, other than the First Purchase Money Mortgage, second mortgages approved by the Authority and liens of the Authority to attach and remain on the property for more than sixty (60) days.

J If an Affordable Housing unit is part of a condominium, homeowner's or cooperative association, the Owner, in addition to paying any assessments required by the Master Deed of the Condominium or By-laws of an Association, shall further fully comply with all of the terms, covenants or conditions of said Master Deed or By-Laws, as well as fully comply with all terms, conditions and restrictions of this Affordable Housing Agreement

K The Owner shall have responsibility for fulfilling all requirements in accordance with and subject to any rules and regulations duly promulgated by the Council (*N.J.A.C.* 5 92-1 et seq), for determining that a resale transaction is qualified for a Certificate of Exemption. The Owner shall notify the Authority in writing of any proposed Exempt Transaction and supply the necessary documentation to qualify for a Certificate of Exemption An Exempt Transaction does not terminate the resale restrictions or existing liens and is not considered a certified sales transaction in calculating subsequent resale prices A Certificate of Exemption shall be filed with the deed at the time of title transfer

L The Owner shall have responsibility for fulfilling all requirements in accordance with and subject to any rules and regulations duly promulgated by the Council (N J.A C 5:92-1 et seq), for determining that a resale transaction is qualified for a Hardship Waiver The Owner may submit a written request for a Hardship Waiver if no Certified Household has executed an agreement to purchase within ninety (90) days of notification of an approved resale price and referral of potential purchasers. Prior to issuing a Hardship Waiver, the Municipality shall have 30 days in which to sign an agreement to purchase the unit at the approved resale price and subsequently rent or convey it to a Certified Household The Municipality may transfer this option to the Department, the Agency, or a qualified non-profit organization as determined by the Council. For approval of a Hardship Waiver, an Owner must document efforts to sell the unit to an income eligible household. If the waiver is granted, the Owner may offer a low income unit to a moderate income household or a moderate income unit to a household whose income exceeds 80% of the applicable median income guide. The Hardship Waiver shall be filed with the deed at the time of closing and is only valid for the designated resale transaction. It does not affect the resale price All future resales are subject to all restrictions stated herein

M. The Owner shall be obligated to pay a reasonable service fee to the Authority at the time of closing and transfer of title in the amount specified by the Authority at the time a restricted resale price has been determined after receipt of a Notice of Intent to Sell. Such fee shall not be included in the calculation of the maximum resale price.

IX. FORECLOSURE

The terms and restrictions of this Agreement shall be subordinated only to the First Purchase Money Mortgage lien on the Affordable Housing property and in no way shall impair the First Purchase Money Mortgagee's ability to exercise the contract remedies available to it in the event of any default of such mortgage as such remedies are set forth in the First Purchase Money Mortgage documents for the Affordable Housing unit. Any Affordable Housing owner-occupied property that is acquired by a First Purchase Money Mortgagee by Deed in lieu of Foreclosure, or by a Purchaser at a Foreclosure sale conducted by the holder of the First Purchase Money Mortgagee shall be permanently released from the restrictions and covenants of this Affordable Housing Agreement. All resale restrictions shall cease to be effective as of the date of transfer of title pursuant to Foreclosure with regard to the First Purchase Money Mortgagee, a lender in the secondary mortgage market, including but not limited to the FNMA, Federal Home Loan Mortgage Corporation, GNMA, or an entity acting on their behalf and all subsequent purchasers, Owners and mortgagees of that particular Affordable Housing unit (except for the defaulting mortgagor, who shall be forever subject to the resale restrictions of this Agreement with respect to the Affordable Housing unit owned by such defaulting mortgagor at time of the Foreclosure sale).

Upon a judgment of Foreclosure, the Authority shall execute a document to be recorded in the county recording office as evidence that such Affordable Housing unit has been forever released from the restrictions of this Agreement. Execution of foreclosure sales by any other class of creditor or mortgagee shall not result in a release of the Affordable Housing unit from the provisions and restrictions of this Agreement.

In the event of a Foreclosure sale by the First Purchase Mortgagee, the defaulting mortgagor shall be personally obligated to pay to the Authority any excess funds generated from such Foreclosure sale. For purposes of this Agreement, excess funds shall be the total amount paid to the sheriff by reason of the Foreclosure sale in excess of the greater of: (1) the maximum permissible Resale Price of the Affordable Housing unit as of the date of the Foreclosure sale pursuant to the rules and guidelines of the Authority, and (2) the amount required to pay and satisfy the First Money Mortgage, including the costs of Foreclosure, plus any second mortgages approved by the Authority in accordance with this Agreement. The amount of excess funds shall also

COPY

include all payments to any junior creditors out of the Foreclosure sale proceeds even if such were to the exclusion of the defaulting mortgagor.

The Authority is hereby given a first priority lien, second only to the First Purchase Money Mortgagee and any taxes or public assessments by a duly authorized governmental body, equal to the full amount of such excess funds. This obligation of the defaulting mortgagor to pay the full amount of excess funds to the Authority shall be deemed to be a personal obligation of the Owner of record at time of the Foreclosure sale surviving such sale. The Authority shall be empowered to enforce the obligation of the defaulting mortgagor in any appropriate court of law or equity as though same were a personal contractual obligation of the defaulting mortgagor. Neither the First Purchase Money Mortgagee nor the purchaser at the Foreclosure sale, shall be responsible, or liable to, the Authority for any portion of this excess.

No part of the excess funds, however, shall be part of the defaulting mortgagor's equity.

The defaulting mortgagor's equity shall be determined to be the difference between the maximum permitted Resale Price of the Affordable Housing unit as of the date of the Foreclosure sale as calculated in accordance with this Agreement and the total of the following sums: First Purchase Money Mortgage, prior liens, costs of Foreclosure, assessments, property taxes, and other liens which may have been attached against the unit prior to Foreclosure, provided such total is less than the maximum permitted Resale Price.

If there are Owner's equity sums to which the defaulting mortgagor is properly entitled, such sums shall be turned over to the defaulting mortgagor or placed in an escrow account for the defaulting mortgagor if the defaulting mortgagor cannot be located. The First Purchase Money Mortgagee shall hold such funds in escrow for a period of two years or until such earlier time as the defaulting mortgagor shall make a claim for such. At the end of two years, if unclaimed, such funds, including any accrued interest, shall become the property of the Authority to the exclusion of any other creditors who may have claims against the defaulting mortgagor.

Nothing shall preclude the Township of Montgomery from acquiring an affordable property prior to foreclosure sale at a negotiated price not to exceed the maximum Resale Price and holding, renting or conveying it to a Certified Household if such right is exercised within 90 days after the property is listed for sale and all outstanding obligations to the First Purchase Money Mortgagee are satisfied.

Upon the occurrence of a breach of any of the terms of the Agreement by an Owner, the Authority shall have all remedies provided at law or equity, including but not limited to foreclosure, acceleration of all sums due under the mortgage, recoupment of any funds from a sale in violation of the Agreement, injunctive relief to prevent further violation of the Agreement, entry on the premises, and specific performance

A DECLARATION OF COVENANTS, CONDITIONS AND RESTRICTIONS

Pursuant to the transfer of ownership of an affordable housing unit for the price of NINETY SIX THOUSAND SIX HUNDRED FORTY NINE and 00/100 DOLLARS, this AGREEMENT is entered into on this 21st day of August, 2002 between SHIJUN HUANG and XIANGNING LUO, owner(s) of the property designated in Section II PROPERTY DESCRIPTION, hereafter "OWNER", and The HOUSING AUTHORITY OF THE TOWNSHIP OF MONTGOMERY, which is an instrumentality of the Township of Montgomery hereafter the "AUTHORITY", both parties having agreed that the covenants, conditions and restrictions contained herein shall be imposed on the Affordable Housing unit described in Section II PROPERTY DESCRIPTION for a period of at least thirty (30) years beginning on August 21, 2002 and ending at the first non-exempt transfer of title after August 21, 2032, unless extended by municipal resolution as described in Section III TERM OF RESTRICTIONS.

WHEREAS, municipalities within the State of New Jersey are required by the Fair Housing Act (P.L 1985, c.222) hereinafter the "Act", to provide for their fair share of housing that is affordable to households with low or moderate incomes in accordance with provisions of the Act, and

WHEREAS, the Act requires that municipalities ensure that such designated housing remains affordable to low and moderate income households for a minimum period of at least 6 years; and

3. If the Owner does not sell the unit within one (1) year of the date of delivery of the Notice of Intent to Sell, the option to buy shall be restored to the municipality and subsequently to the Department, the Agency or a Non-Profit approved by the Council. VII COVENANTS RUNNING WITH LAND

The provisions of this Affordable Housing Agreement shall constitute covenants running with the land with respect to each Affordable Housing unit affected hereby, and shall bind all Purchasers and Owners of each Affordable Housing unit, their heirs, assigns and all persons claiming by, through or under their heirs, executors, administrators and assigns for the duration of this Agreement as set forth herein

VIII OWNER RESPONSIBILITIES

In addition to fully complying with the terms and provisions of this Agreement, the Owner acknowledges the following responsibilities:

A Affordable Housing unit shall at all times remain the Primary Residence of the Owner The Owner shall not rent any Affordable Housing unit to any party whether or not that party qualifies as a Low or Moderate income household without prior written approval from the Authority

B All home improvements made to an Affordable Housing unit shall be at the Owner's expense except that expenditures for any alteration that allows a unit to be sold to a larger household size because of increased capacity for occupancy shall be considered for a recalculation of Base Price Owners must obtain prior approval for such alteration from the Authority to qualify for this recalculation.

C The Owner of an Affordable Housing unit shall keep the Affordable Housing unit in good repair

D Owners of Affordable Housing units shall pay all taxes, charges, assessments both public and private, assessed against such unit, or any part thereof, as and when the become due

E Owners of Affordable Housing units shall notify the Authority in writing no less than ninety (90) days prior to any proposed sale of an intent to sell the property Owners shall not execute any purchase agreement, convey title or otherwise deliver possession of the Affordable Housing unit without the prior written approval of the Authority

F An Owner shall request referrals of eligible households from pre-established referral lists maintained by the Authority

G. If the Authority does not refer an eligible household within sixty (60) days of the Notice of Intent to Sell the unit or no Agreement to Purchase the unit has been executed, the Owner may propose a Contract to Purchase the unit to an eligible household not referred through the Authority. The proposed Purchaser must complete all required Household Eligibility forms and submit Gross Annual Income Information for verification to the Authority for written certification as an eligible sales transaction

H. At resale, all items of property which are permanently affixed to the unit and/or were included when the unit was initially restricted (e g. refrigerator, range, washer, dryer, dishwasher wall to wall carpeting) shall be included in the maximum allowable Resale Price. Other items of property may be sold to the Purchaser at a reasonable price that has been approved by the Authority at the time of signing the Agreement to Purchase. The purchase of central air conditioning installed subsequent to the initial sale of the unit and not included in the Base Price may be made a condition of the unit resale provided the price has been approved by the Authority Unless otherwise permitted by the Council, the purchase of any property other than central air conditioning shall not be made a condition of the unit resale. The Owner and the Purchaser must personally certify at the time of closing that no unapproved transfer of funds for the purpose of selling and receiving property has taken place at Resale

I. The Owner shall not permit any lien, other than the First Purchase Money Mortgage, second mortgages approved by the Authority and liens of the Authority to attach and remain on the property for more than sixty (60) days

J If an Affordable Housing unit is part of a condominium, homeowner's or cooperative association, the Owner, in addition to paying any assessments required by the Master Deed of the Condominium or By-laws of an Association, shall further fully comply with all of the terms, covenants or conditions of said Master Deed or By-Laws, as well as fully comply with all terms, conditions and restrictions of this Affordable Housing Agreement.

K. The Owner shall have responsibility for fulfilling all requirements in accordance with and subject to any rules and regulations duly promulgated by the Council (*N.J.A.C.* 5:92-1 et seq.), for determining that a resale transaction is qualified for a Certificate of Exemption. The Owner shall notify the Authority in writing of any proposed Exempt Transaction and supply the necessary documentation to qualify for a Certificate of Exemption. An Exempt Transaction does not terminate the resale restrictions or existing liens and is not considered a certified sales transaction in calculating subsequent resale prices. A Certificate of Exemption shall be filed with the deed at the time of title transfer.

L. The Owner shall have responsibility for fulfilling all requirements in accordance with and subject to any rules and regulations duly promulgated by the Council (N.J.A.C. 5:92-1 et seq.), for determining that a resale transaction is qualified for a Hardship Waiver. The Owner may submit a written request for a Hardship Waiver if no Certified Household has executed an agreement to purchase within ninety (90) days of notification of an approved resale price and referral of potential purchasers. Prior to issuing a Hardship Waiver, the Municipality shall have 30 days in which to sign an agreement to purchase the unit at the approved resale price and subsequently rent or convey it to a Certified Household. The Municipality may transfer this option to the Department, the Agency, or a qualified non-profit organization as determined by the Council. For approval of a Hardship Waiver, an Owner must document efforts to sell the unit to an income eligible household. If the waiver is granted, the Owner may offer a low income unit to a moderate income household or a moderate income unit to a household whose income exceeds 80% of the applicable median income guide. The Hardship Waiver shall be filed with the deed at the time of closing and is only valid for the designated resale transaction. It does not affect the resale price. All future resales are subject to all restrictions stated herein.

M. The Owner shall be obligated to pay a reasonable service fee to the Authority at the time of closing and transfer of title in the amount specified by the Authority at the time a restricted resale price has been determined after receipt of a Notice of Intent to Sell. Such fee shall not be included in the calculation of the maximum resale price.

IX. FORECLOSURE

The terms and restrictions of this Agreement shall be subordinated only to the First Purchase Money Mortgage lien on the Affordable Housing property and in no way shall impair the First Purchase Money Mortgagee's ability to exercise the contract remedies available to it in the event of any default of such mortgage as such remedies are set forth in the First Purchase Money Mortgage documents for the Affordable Housing unit. Any Affordable Housing owner-occupied property that is acquired by a First Purchase Money Mortgagee by Deed in lieu of Foreclosure, or by a Purchaser at a Foreclosure sale conducted by the holder *of* the First Purchase Money Mortgagee shall be permanently released from the restrictions and covenants *of* this Affordable Housing Agreement. All resale restrictions shall cease to be effective as *of* the date *of* transfer *of* title pursuant to Foreclosure with regard to the First Purchase Money Mortgagee, a lender in the secondary mortgage market, including but not limited to the FNMA, Federal Home Loan Mortgage Corporation, GNMA, or an entity acting *on* their behalf and all subsequent purchasers, Owners and mortgagees *of* that particular Affordable Housing unit (except for the defaulting mortgagor, who shall be forever subject to the resale restrictions *of* this Agreement with respect to the Affordable Housing unit owned by such defaulting mortgagor at time *of* the Foreclosure sale)

Upon a judgment of Foreclosure, the Authority shall execute a document to be recorded in the county recording office as evidence that such Affordable Housing unit has been forever released from the restrictions of this Agreement Execution of foreclosure sales by any other class of creditor or mortgagee shall not result in a release of the Affordable Housing unit from the provisions and restrictions of this Agreement

In the event of a Foreclosure sale by the First Purchase Mortgagee, the defaulting mortgagor shall be personally obligated to pay to the Authority any excess funds generated from such Foreclosure sale For purposes of this Agreement, excess funds shall be the total amount paid to the sheriff by reason of the Foreclosure sale in excess of the greater of: (1) the maximum permissible Resale Price of the Affordable Housing unit as of the date of the Foreclosure sale pursuant to the rules and guidelines of the Authority, and (2) the amount required to pay and satisfy the First Money Mortgage, including the costs of Foreclosure, plus any second mortgages approved by the Authority in accordance with this Agreement. The amount of excess funds shall also include all payments to any junior creditors out of the Foreclosure sale proceeds even if such were to the exclusion of the defaulting mortgagor

The Authority is hereby given a first priority lien, second only to the First Purchase Money Mortgagee and any taxes or public assessments by a duly authorized governmental body, equal to the full amount of such excess funds This obligation of the defaulting mortgagor to pay the full amount of excess funds to the Authority shall be deemed to be a personal obligation of the Owner of record at time of the Foreclosure sale surviving such sale. The Authority shall be empowered to enforce the obligation of the defaulting mortgagor in any appropriate court of law or equity as though same were a personal contractual obligation of the defaulting mortgagor Neither the First Purchase Money Mortgagee nor the purchaser at the Foreclosure sale, shall be responsible, or liable to, the Authority for any portion of this excess.

No part of the excess funds, however, shall be part of the defaulting mortgagor's equity

The defaulting mortgagor's equity shall be determined to be the difference between the maximum permitted Resale Price of the Affordable Housing unit as of the date of the Foreclosure sale as calculated in accordance with this Agreement and the total of the following sums: First Purchase Money Mortgage, prior liens, costs of Foreclosure, assessments, property taxes, and other liens which may have been attached against the unit prior to Foreclosure, provided such total is less than the maximum permitted Resale Price.

If there are Owner's equity sums to which the defaulting mortgagor is properly entitled, such sums shall be turned over to the defaulting mortgagor or placed in an escrow account for the defaulting mortgagor if the defaulting mortgagor cannot be located. The First Purchase Money Mortgagee shall hold such funds in escrow for a period of two years or until such earlier time as the defaulting mortgagor shall make a claim for such. At the end of two years, if unclaimed, such funds, including any accrued interest, shall become the property of the Authority to the exclusion of any other creditors who may have claims against the defaulting mortgagor

Nothing shall preclude the Township of Montgomery from acquiring an affordable property prior to foreclosure sale at a negotiated price not to exceed the maximum Resale Price and holding, renting or conveying it to a Certified Household if such right is exercised within 90 days after the property is listed for sale and all outstanding obligations to the First Purchase Money Mortgagee are satisfied.

X. VIOLATION, DEFAULTS AND REMEDIES

IX FORECLOSURE

The terms and restrictions of this Agreement shall be subordinated only to the First Purchase Money Mortgage lien on the Affordable Housing property and in no way shall impair the First Purchase Money Mortgagee's ability to exercise the contract remedies available to it in the event of any default of such mortgage as such remedies are set forth in the First Purchase Money Mortgage documents for the Affordable Housing unit. Any Affordable Housing owner-occupied property that is acquired by a First Purchase Money Mortgagee by Deed in lieu of Foreclosure, or by a Purchaser at a Foreclosure sale conducted by the holder *of* the First Purchase Money Mortgagee shall be permanently released from the restrictions and covenants *of* this Affordable Housing Agreement All resale restrictions shall cease to be effective as *of* the date *of* transfer *of* title pursuant to Foreclosure with regard to the First Purchase Money Mortgagee, a lender in the secondary mortgage market, including but not limited to the FNMA, Federal Home Loan Mortgage Corporation, GNMA, or an entity acting *on* their behalf and all subsequent purchasers, Owners and mortgagees *of* that particular Affordable Housing unit (except for the defaulting mortgagor, who shall be forever subject to the resale restrictions *of* this Agreement with respect to the Affordable Housing unit owned by such defaulting mortgagor at time *of* the Foreclosure sale)

Upon a judgment of Foreclosure, the Authority shall execute a document to be recorded in the county recording office as evidence that such Affordable Housing unit has been forever released from the restrictions of this Agreement Execution of foreclosure sales by any other class of creditor or mortgagee shall not result in a release of the Affordable Housing unit from the provisions and restrictions of this Agreement

In the event of a Foreclosure sale by the First Purchase Mortgagee, the defaulting mortgagor shall be personally obligated to pay to the Authority any excess funds generated from such Foreclosure sale. For purposes of this Agreement, excess funds shall be the total amount paid to the sheriff by reason of the Foreclosure sale in excess of the greater of: (1) the maximum permissible Resale Price of the Affordable Housing unit as of the date of the Foreclosure sale pursuant to the rules and guidelines of the Authority, and (2) the amount required to pay and satisfy the First Money Mortgage, including the costs of Foreclosure, plus any second mortgages approved by the Authority in accordance with this Agreement. The amount of excess funds shall also include all payments to any junior creditors out of the Foreclosure sale proceeds even if such were to the exclusion of the defaulting mortgagor.

The Authority is hereby given a first priority lien, second only to the First Purchase Money Mortgagee and any taxes or public assessments by a duly authorized governmental body, equal to the full amount of such excess funds This obligation of the defaulting mortgagor to pay the full amount of excess funds to the Authority shall be deemed to be a personal obligation of the Owner of record at time of the Foreclosure sale surviving such sale The Authority shall be empowered to enforce the obligation of the defaulting mortgagor in any appropriate court of law or equity as though same were a personal contractual obligation of the defaulting mortgagor. Neither the First Purchase Money Mortgagee nor the purchaser at the Foreclosure sale, shall be responsible, or liable to, the Authority for any portion of this excess.

No part of the excess funds, however, shall be part of the defaulting mortgagor's equity.

The defaulting mortgagor's equity shall be determined to be the difference between the maximum permitted Resale Price of the Affordable Housing unit as of the date of the Foreclosure sale as calculated in accordance with this Agreement and the total of the following sums. First Purchase Money Mortgage, prior liens, costs of Foreclosure, assessments, property taxes, and other liens which may have been attached against the unit prior to Foreclosure, provided such total is less than the maximum permitted Resale Price.

If there are Owner's equity sums to which the defaulting mortgagor is properly entitled, such sums shall be turned over to the defaulting mortgagor or placed in an escrow account for the defaulting mortgagor if the defaulting mortgagor cannot be located The First Purchase Money Mortgagee shall hold such funds in escrow for a period of two years or until such earlier time as the defaulting mortgagor shall make a claim for such. At the end of two years, if unclaimed, such funds, including any accrued interest, shall become the property of the Authority to the exclusion of any other creditors who may have claims against the defaulting mortgagor.

Nothing shall preclude the Township of Montgomery from acquiring an affordable property prior to foreclosure sale at a negotiated price not to exceed the maximum Resale Price and holding, renting or conveying it to a Certified Household if such right is exercised within 90 days after the property is listed for sale and all outstanding obligations to the First Purchase Money Mortgagee are satisfied.

X. VIOLATION, DEFAULTS AND REMEDIES

In the event of a threatened breach of any of the terms of this Agreement by an Owner, the Authority shall have all remedies provided at law or equity, including the right to seek injunctive relief or specific performance, it being recognized by both parties to this Agreement that a breach will cause irreparable harm to the Authority, in light of the public policies set forth in the Fair Housing Act and the obligation for the provision of low and moderate income housing Upon the occurrence of a breach of any of the terms of the Agreement by an Owner, the Authority shall have all remedies provided at law or equity, including but not limited to foreclosure, acceleration of all sums due under the mortgage, recoupment of any funds from a sale in violation of the Agreement, injunctive relief to prevent further violation of the Agreement, entry on the premises, and specific performance

Article 4. Affordable Housing Covenants

Sale and use of the Property is governed by regulations known as the Uniform Housing Affordability Controls, which are found in New Jersey Administrative Code at Title 5, chapter 80, subchapter 26 (N.J.A.C. 5:80-26.1, *et seq*, the "Regulations"). Consistent with the Regulations, the following covenants (the "Covenants") shall run with the land for the period of time commencing upon the earlier of (a) the date hereof or (b) the prior commencement of the "Control Period", as that term is defined in the Regulations, and terminating upon the expiration of the Control Period as provided in the Regulations.

A. The Property may be conveyed only to a household who has been approved in advance and in writing by Community Grants, Planning & Housing, LLC, an administrative agent appointed under the Regulations (hereinafter, collectively, the "Administrative Agent").

B. No sale of the Property shall be lawful, unless approved in advance and in writing by the Administrative Agent, and no sale shall be for a consideration greater than maximum permitted price ("Maximum Resale Price", or "MRP") as determined by the Administrative Agent.

C. No refinancing, equity loan, secured letter of credit, or any other mortgage obligation or other debt (collectively, "Debt") secured by the Property, may be incurred except as approved in advance and in writing by the Administrative Agent. At no time shall the Administrative Agent approve any such Debt, if incurring the Debt would make the total of all such Debt exceed Ninety-Five Percent (95%) of the applicable MRP.

D. The owner of the Property shall at all times maintain the Property as his or her principal place of residence.

E. Except as set forth in F, below, at no time shall the owner of the Property lease or rent the Property to any person or persons, except on a short-term hardship basis as approved in advance and in writing by the Administrative Agent.

F. If the Property is a two-family home, the owner shall lease the rental unit only to income-certified low-income households approved in writing by the Administrative Agent, shall charge rent no greater than the maximum permitted rent as determined by the Administrative Agent, and shall submit for written approval of the Administrative Agent copies of all proposed leases prior to having them signed by any proposed tenant.

G. No improvements may be made to the Property that would affect its bedroom configuration, and in any event, no improvement made to the Property will be taken into consideration to increase the MRP, except for improvements approved in advance and in writing by the Administrative Agent;

H. The affordable housing covenants, declarations and restrictions implemented by this Declaration and by incorporation, N.J.A.C. 5:80-26.1 *et seq.*, shall remain in effect despite the entry and enforcement of any judgment of foreclosure with respect to the Affordable Unit so long as the Affordable Unit remains subject to the affordability controls being implemented by this Declaration;

I. The Affordable Units are subject to a 30 year affordability control period that commenced on the date of first conveyance of title, which is August 28, 2032, of this Affordable Unit governed by this Declaration to a certified affordable purchaser who has executed the documents required by N.J.S.A. 5:80-26.1 et seq.

Article 5. Remedies for Breach of Affordable Housing Covenants

A breach of the Covenants will cause irreparable harm to the Administrative Agent and to the public, in light of the public policies set forth in the New Jersey Fair Housing Act, the Uniform Housing Affordability Control rules found at N.J.A.C. 5:80-26, and the obligation for the provision of low and moderate-income housing. Accordingly, and as set forth in N.J.A.C. 5:80-26.10A(b):

A. In the event of a threatened breach of any of the Covenants by the Grantee, or any successor in interest or other owner of the Property, the Administrative Agent shall have all remedies provided at law or equity, including the right to seek injunctive relief or specific performance.

B. Upon the occurrence of a breach of any Covenants by the Grantee, or any successor in interest or other owner of the Property, the Administrative Agent shall have all remedies provided at law or equity including but not limited to forfeiture, foreclosure, acceleration of all sums due under any mortgage, recouping of any funds from a sale in violation of the Covenants, diverting of rent proceeds from illegal rentals, injunctive relief to prevent further violation of said Covenants, entry on the premises, those provided under Title 5, Chapter 80, Subchapter 26 of the New Jersey Administrative Code and specific performance.

Article 6. Notice of Resale, Recapture Covenant and 95/5 Purchase Options

A. The owner of the Property is required to notify the Montgomery Township Administrative Agent and New Jersey Council On Affordable Housing by certified mail of any intent to sell the property 90 days prior to entering into an agreement for the first non-exempt sale of the Property after the conclusion of the Control Period, as set forth in Section 5:93-9.8(b)(2) of the Substantive Rules of the New Jersey Council On Affordable Housing as in effect at the time the Property was first restricted as part of the Affordable Housing Program.

B. Upon the first such non-exempt sale of the Property, Ninety-Five Percent (95%) of the difference between (i) the actual sale price and (ii) the regulated maximum sales price that would be applicable were the Control Period still in effect, shall be paid at closing to the New Jersey Department of Community Affairs, acting as receiving agent for the local municipality.

C. Such non-exempt sale is subject to the options provided for in Sections 5:80-26.20 (Option to buy 95/5 units), 5:80-26.21 (Municipal option on 95/5 units), 5:80-26.22 (State option on 95/5 units), 5:80-26.23 (Non-profit option on 95/5 units), 5:80-26.24 (Seller option on 95/5 units), 5:80-26.25 (Municipal rejection of repayment option on 95/5 units) and 5:80-26.26 (Continued application of options to create, rehabilitate or maintain 95/5 units) of the Uniform Housing Affordability Control Rules, found in Title 5, Chapter 80, Subchapter 26, of the New Jersey Administrative Code.

D. Owners of Affordable Housing units shall pay all taxes, charges, assessments both public and private, assessed against such unit, or any part thereof, as and when the become due.

F. An Owner shall request referrals of eligible households from pre-established referral lists maintained by the Authority.

G If the Authority does not refer an eligible household within sixty (60) days of the Notice of Intent to Sell the unit or no Agreement to Purchase the unit has been executed, the Owner may propose a Contract to Purchase the unit to an eligible household not referred through the Authority. The proposed Purchaser must complete all required Household Eligibility forms and submit Gross Annual Income Information for verification to the Authority for written certification as an eligible sales transaction.

H At resale, all items of property which are permanently affixed to the unit and/or were included when the unit was initially restricted (e.g refrigerator, range, washer, dryer, dishwasher wall to wall carpeting) shall be included in the maximum allowable Resale Price. Other items of property may be sold to the Purchaser at a reasonable price that has been approved by the Authority at the time of signing the Agreement to Purchase The purchase of central air conditioning installed subsequent to the initial sale of the unit and not included in the Base Price may be made a condition of the unit resale provided the price has been approved by the Authority. I The Owner shall not permit any lien, other than the First Purchase Money Mortgage, second mortgages approved by the Authority and liens of the Authority to attach and remain on the property for more than sixty (60) days.

K. The Owner shall have responsibility for fulfilling all requirements in accordance with and subject to any rules and regulations duly promulgated by the Council (*N.J.A.C.* 5 .92-1 et seq), for determining that a resale transaction is qualified for a Certificate of Exemption. The Owner shall notify the Authority in writing of any proposed Exempt Transaction and supply the necessary documentation to qualify for a Certificate of Exemption. An Exempt Transaction does not terminate the resale restrictions or existing liens and is not considered a certified sales transaction in calculating subsequent resale prices. A Certificate of Exemption shall be filed with the deed at the time of title transfer

L. The Owner shall have responsibility for fulfilling all requirements in accordance with and subject to any rules and regulations duly promulgated by the Council (N J A C. 5:92-1 et seq), for determining that a resale transaction is qualified for a Hardship Waiver. The Owner may submit a written request for a Hardship Waiver if no Certified Household has executed an agreement to purchase within ninety (90) days of notification of an approved resale price and referral of potential purchasers Prior to issuing a Hardship Waiver, the Municipality shall have 30 days in which to sign an agreement to purchase the unit at the approved resale price and subsequently rent or convey it to a Certified Household The Municipality may transfer this option to the Department, the Agency, or a qualified non-profit organization as determined by the Council For approval of a Hardship Waiver, an Owner must document efforts to sell the unit to an income eligible household If the waiver is granted, the Owner may offer a low income unit to a moderate income household or a moderate income unit to a household whose income exceeds 80% of the applicable median income guide. The Hardship Waiver shall be filed with the deed at the time of closing and is only valid for the designated resale transaction It does not affect the resale price. All future resales are subject to all restrictions stated herein

M. The Owner shall be obligated to pay a reasonable service fee to the Authority at the time of closing and transfer of title in the amount specified by the Authority at the time a restricted resale price has been determined after receipt of a Notice of Intent to Sell. Such fee shall not be included in the calculation of the maximum resale price

IX. FORECLOSURE

The terms and restrictions of this Agreement shall be subordinated only to the First Purchase Money Mortgage lien on the Affordable Housing property and in no way shall impair the First Purchase Money Mortgagee's ability to exercise the contract remedies available to it in the event of any default of such mortgage as such remedies are set forth in the First Purchase Money Mortgage documents for the Affordable Housing unit. Any Affordable Housing owner-occupied property that is acquired by a First Purchase Money Mortgagee by Deed in lieu of Foreclosure, or by a Purchaser at a Foreclosure sale conducted by the holder *of* the First Purchase Money Mortgagee shall be permanently released from the restrictions and covenants *of* this Affordable Housing Agreement. All resale restrictions shall cease to be effective as *of* the date *of* transfer *of* title pursuant to Foreclosure with regard to the First Purchase Money Mortgagee, a lender in the secondary mortgage market, including but not limited to the FNMA, Federal Home Loan Mortgage Corporation, GNMA, or an entity acting *on* their behalf and all subsequent purchasers, Owners and mortgagees *of* that particular Affordable Housing unit (except for the defaulting mortgagor, who shall be forever subject to the resale restrictions *of* this Agreement with respect to the Affordable Housing unit owned by such defaulting mortgagor at time *of* the Foreclosure sale)

Upon a judgment of Foreclosure, the Authority shall execute a document to be recorded in the county recording office as evidence that such Affordable Housing unit has been forever released from the restrictions of this Agreement Execution of foreclosure sales by any other class of creditor or mortgagee shall not result in a release of the Affordable Housing unit from the provisions and restrictions of this Agreement.

In the event of a Foreclosure sale by the First Purchase Mortgagee, the defaulting mortgagor shall be personally obligated to pay to the Authority any excess funds generated from such Foreclosure sale For purposes of this Agreement, excess funds shall be the total amount paid to the sheriff by reason of the Foreclosure sale in excess of the greater of (1) the maximum permissible Resale Price of the Affordable Housing unit as of the date of the Foreclosure sale pursuant to the rules and guidelines of the Authority, and (2) the amount required to pay and satisfy the First Money Mortgage, including the costs of Foreclosure, plus any second mortgages approved by the Authority in accordance with this Agreement. The amount of excess funds shall also include all payments to any junior creditors out of the Foreclosure sale proceeds even if such were to the exclusion of the defaulting mortgagor

The Authority is hereby given a first priority lien, second only to the First Purchase Money Mortgagee and any taxes or public assessments by a duly authorized governmental body, equal to the full amount of such excess funds This obligation of the defaulting mortgagor to pay the full amount of excess funds to the Authority shall be deemed to be a personal obligation of the Owner of record at time of the Foreclosure sale surviving such sale The Authority shall be empowered to enforce the obligation of the defaulting mortgagor in any appropriate court of law or equity as though same were a personal contractual obligation of the defaulting mortgagor. Neither the First Purchase Money Mortgagee nor the purchaser at the Foreclosure sale, shall be responsible, or liable to, the Authority for any portion of this excess

No part of the excess funds, however, shall be part of the defaulting mortgagor's equity

The defaulting mortgagor's equity shall be determined to be the difference between the maximum permitted Resale Price of the Affordable Housing unit as of the date of the Foreclosure sale as calculated in accordance with this Agreement and the total of the following sums. First Purchase Money Mortgage, prior liens, costs of Foreclosure, assessments, property taxes, and other liens which may have been attached against the unit prior to Foreclosure, provided such total is less than the maximum permitted Resale Price

If there are Owner's equity sums to which the defaulting mortgagor is properly entitled, such sums shall be turned over to the defaulting mortgagor or placed in an escrow account for the defaulting mortgagor if the defaulting mortgagor cannot be located The First Purchase Money Mortgagee shall hold such funds in escrow for a period of two years or until such earlier time as the defaulting mortgagor shall make a claim for such At the end of two years, if unclaimed, such funds, including any accrued interest, shall become the property of the Authority to the exclusion of any other creditors who may have claims against the defaulting mortgagor.

Nothing shall preclude the Township of Montgomery from acquiring an affordable property prior to foreclosure sale at a negotiated price not to exceed the maximum Resale Price and holding, renting or conveying it to a Certified Household if such right is exercised within 90 days after the property is listed for sale and all outstanding obligations to the First Purchase Money Mortgagee are satisfied.

X. VIOLATION, DEFAULTS AND REMEDIES

In the event of a threatened breach of any of the terms of this Agreement by an Owner, the Authority shall have all remedies provided at law or equity, including the right to seek injunctive relief or specific performance, it being recognized by both parties to this Agreement that a breach will cause irreparable harm to the Authority, in light of the public policies set forth in the Fair Housing Act and the obligation for the provision of low and moderate income housing Upon the occurrence of a breach of any of the terms of the Agreement by an Owner, the Authority shall have all remedies provided at law or equity, including but not limited to foreclosure, acceleration of all sums due under the mortgage, recoupment of any funds from a sale in violation of the Agreement, injunctive relief to prevent further violation of the Agreement, entry on the premises, and specific performance

XI. RIGHT TO ASSIGN

The Authority may assign from time to time its rights, and delegate its obligations hereunder without the consent of the Owner Upon such assignment, the Authority, its successors or assigns shall provide written notice to the Owner

However, in no event shall the maximum allowable price established by the Authority be lower than the last recorded purchase price

2. Alternately, the Owner may also elect to sell to any purchaser at a fair market price. In this event, the Owner shall be obligated to pay the municipality 95% of the Price Differential generated at the time of closing and transfer of title of the Affordable Housing unit after restrictions have ended as specified heretofore in Section III TERM OF RESTRICTIONS.

3. If the Owner does not sell the unit within one (1) year of the date of delivery of the Notice of Intent to Sell, the option to buy shall be restored to the municipality and subsequently to the Department, the Agency or a Non-Profit approved by the Council. The Owner shall then be required to submit a new Notice of Intent to Sell the affordable unit to the Authority.

D The Affordable Housing unit shall be sold in accordance with all rules, regulations, and requirements duly promulgated by the Counsel (N.J.A.C. 5 92-1 et seq.), the intent of which is to ensure that the Affordable Housing unit remains affordable to and occupied by Low and Moderate Income-Eligible Households throughout that duration of the agreement.

VII COVENANTS RUNNING WITH LAND

The provisions of this Affordable Housing Agreement shall constitute covenants running with the land with respect to each Affordable Housing unit affected hereby, and shall bind all Purchasers and Owners of each Affordable Housing unit, their heirs, assigns and all persons claiming by, through or under their heirs, executors, administrators and assigns for the duration of this Agreement as set forth herein

VIII OWNER RESPONSIBILITIES

UNOFFICIAL COPY

B All home improvements made to an Affordable Housing unit shall be at the Owner's expense except that expenditures for any alteration that allows a unit to be sold to a larger household size because of increased capacity for occupancy shall be considered for a recalculation of Base Price Owners must obtain prior approval for such alteration from the Authority to qualify for this recalculation.

C. The Owner of an Affordable Housing unit shall keep the Affordable Housing unit in good repair.

D Owners of Affordable Housing units shall pay all taxes, charges, assessments both public and private, assessed against such unit, or any part thereof, as and when the become due.

E. Owners of Affordable Housing units shall notify the Authority in writing no less than ninety (90) days prior to any proposed sale of an intent to sell the property. Owners shall not execute any purchase agreement, convey title or otherwise deliver possession of the Affordable Housing unit without the prior written approval of the Authority.

F An Owner shall request referrals of eligible households from pre-established referral lists maintained by the Authority

G If the Authority does not refer an eligible household within sixty (60) days of the Notice of Intent to Sell the unit or no Agreement to Purchase the unit has been executed, the Owner may propose a Contract to Purchase the unit to an eligible household not referred through the Authority. The proposed Purchaser must complete all required Household Eligibility forms and submit Gross Annual Income Information for verification to the Authority for written certification as an eligible sales transaction.

H At resale, all items of property which are permanently affixed to the unit and/or were included when the unit was initially restricted (e.g. refrigerator, range, washer, dryer, dishwasher. wall to wall carpeting) shall be included in the maximum allowable Resale Price Other items of property may be sold to the Purchaser at a reasonable price that has been approved by the Authority at the time of signing the Agreement to Purchase. The purchase of central air conditioning installed subsequent to the initial sale of the unit and not included in the Base Price may be made a condition of the unit resale provided the price has been approved by the Authority. Unless otherwise permitted by the Council, the purchase of any property other than central air

UNOFFICIAL COPY

conditioning shall not be made a condition of the unit resale. The Owner and the Purchaser must personally certify at the time of closing that no unapproved transfer of funds for the purpose of selling and receiving property has taken place at Resale

I The Owner shall not permit any lien, other than the First Purchase Money Mortgage, second mortgages approved by the Authority and liens of the Authority to attach and remain on the property for more than sixty (60) days.

J If an Affordable Housing unit is part of a condominium, homeowner's or cooperative association, the Owner, in addition to paying any assessments required by the Master Deed of the Condominium or By-laws of an Association, shall further fully comply with all of the terms, covenants or conditions of said Master Deed or By-Laws, as well as fully comply with all terms, conditions and restrictions of this Affordable Housing Agreement

K The Owner shall have responsibility for fulfilling all requirements in accordance with and subject to any rules and regulations duly promulgated by the Council (*N.J.A.C.* 5 :92-1 et seq), for determining that a resale transaction is qualified for a Certificate of Exemption. The Owner shall notify the Authority in writing of any proposed Exempt Transaction and supply the necessary documentation to qualify for a Certificate of Exemption An 'Exempt Transaction' does not terminate the resale restrictions or existing liens and is not considered a certified sales transaction in calculating subsequent resale prices A Certificate of Exemption shall be filed with the deed at the time of title transfer

L The Owner shall have responsibility for fulfilling all requirements in accordance with and subject to any rules and regulations duly promulgated by the Council (N J.A C 5:92-1 et seq), for determining that a resale transaction is qualified for a Hardship Waiver. The Owner may submit a written request for a Hardship Waiver if no Certified Household has executed an agreement to purchase within ninety (90) days of notification of an approved resale price and referral of potential purchasers. Prior to issuing a Hardship Waiver, the Municipality shall have 30 days in which to sign an agreement to purchase the unit at the approved resale price and subsequently rent or convey it to a Certified Household The Municipality may transfer this option to the Department, the Agency, or a qualified non-profit organization as determined by the Council. For approval of a Hardship Waiver, an Owner must document efforts to sell the unit to an income eligible household If the waiver is granted, the Owner may offer a low income unit to a moderate income household or a moderate income unit to a household whose income exceeds 80% of the applicable median income guide. The Hardship Waiver shall be filed with the deed at the time of closing and is only valid for the designated resale transaction. It does not affect the resale price All future resales are subject to all restrictions stated herein

M. The Owner shall be obligated to pay a reasonable service fee to the Authority, at the time of closing and transfer of title in the amount specified by the Authority at the time a restricted resale price has been determined after receipt of a Notice of Intent to Sell. Such fee shall not be included in the calculation of the maximum resale price.

IX. FORECLOSURE

The terms and restrictions of this Agreement shall be subordinated only to the First Purchase Money Mortgage lien on the Affordable Housing property and in no way shall impair the First Purchase Money Mortgagee's ability to exercise the contract remedies available to it in the event of any default of such mortgage as such remedies are set forth in the First Purchase Money Mortgage documents for the Affordable Housing unit. Any Affordable Housing owner-occupied property that is acquired by a First Purchase Money Mortgagee by Deed in lieu of Foreclosure, or by a Purchaser at a Foreclosure sale conducted by the holder *of* the First Purchase Money Mortgagee shall be permanently released from the restrictions and covenants *of* this Affordable Housing Agreement. All resale restrictions shall cease to be effective as *of* the date *of* transfer *of* title pursuant to Foreclosure with regard to the First Purchase Money Mortgagee, a lender in the secondary mortgage market, including but not limited to the FNMA, Federal Home Loan Mortgage Corporation, GNMA, or an entity acting *on* their behalf and all subsequent purchasers, Owners and mortgagees *of* that particular Affordable Housing unit (except for the defaulting mortgagor, who shall be forever subject to the resale restrictions *of* this Agreement with respect to the Affordable Housing unit owned by such defaulting mortgagor at time *of* the Foreclosure sale).

Upon a judgment of Foreclosure, the Authority shall execute a document to be recorded in the county recording office as evidence that such Affordable Housing unit has been forever released from the restrictions of this Agreement. Execution of foreclosure sales by any other class of creditor or mortgagee shall not result in a release of the Affordable Housing unit from the provisions and restrictions of this Agreement.

In the event of a Foreclosure sale by the First Purchase Mortgagee, the defaulting mortgagor shall be personally obligated to pay to the Authority any excess funds generated from such Foreclosure sale. For purposes of this Agreement, excess funds shall be the total amount paid to the sheriff by reason of the Foreclosure sale in excess of the greater of: (1) the maximum permissible Resale Price of the Affordable Housing unit as of the date of the Foreclosure sale pursuant to the rules and guidelines of the Authority, and (2) the amount required to pay and satisfy the First Money Mortgage, including the costs of Foreclosure, plus any second mortgages approved by the Authority in accordance with this Agreement. The amount of excess funds shall also

UNOFFICIAL COPY

include all payments to any junior creditors out of the Foreclosure sale proceeds even if such were to the exclusion of the defaulting mortgagor

The Authority is hereby given a first priority lien, second only to the First Purchase Money Mortgagee and any taxes or public assessments by a duly authorized governmental body, equal to the full amount of such excess funds. This obligation of the defaulting mortgagor to pay the full amount of excess funds to the Authority shall be deemed to be a personal obligation of the Owner of record at time of the Foreclosure sale surviving such sale. The Authority shall be empowered to enforce the obligation of the defaulting mortgagor in any appropriate court of law or equity as though same were a personal contractual obligation of the defaulting mortgagor Neither the First Purchase Money Mortgagee nor the purchaser at the Foreclosure sale, shall be responsible, or liable to, the Authority for any portion of this excess

No part of the excess funds, however, shall be part of the defaulting mortgagor's equity

The defaulting mortgagor's equity shall be determined to be the difference between the maximum permitted Resale Price of the Affordable Housing unit as of the date of the Foreclosure sale as calculated in accordance with this Agreement and the total of the following sums First Purchase Money Mortgage, prior liens, costs of Foreclosure, assessments, property taxes, and other liens which may have been attached against the unit prior to Foreclosure, provided such total is less than the maximum permitted Resale Price

If there are Owner's equity sums to which the defaulting mortgagor is properly entitled, such sums shall be turned over to the defaulting mortgagor or placed in an escrow account for the defaulting mortgagor if the defaulting mortgagor cannot be located The First Purchase Money Mortgagee shall hold such funds in escrow for a period of two years or until such earlier time as the defaulting mortgagor shall make a claim for such. At the end of two years, if unclaimed, such funds, including any accrued interest, shall become the property of the Authority to the exclusion of any other creditors who may have claims against the defaulting mortgagor

Nothing shall preclude the Township of Montgomery from acquiring an affordable property prior to foreclosure sale at a negotiated price not to exceed the maximum Resale Price and holding, renting or conveying it to a Certified Household if such right is exercised within 90 days after the property is listed for sale and all outstanding obligations to the First Purchase Money Mortgagee are satisfied.

X. VIOLATION, DEFAULTS AND REMEDIES

In the event of a threatened breach of any of the terms of this Agreement by an Owner, the Authority shall have all remedies provided at law or equity, including the right to seek injunctive relief or specific performance, it being recognized by both parties to this Agreement that a breach will cause irreparable harm to the Authority, in light of the public policies set forth in the Fair Housing Act and the obligation for the provision of low and moderate income housing. Upon the occurrence of a breach of any of the terms of the Agreement by an Owner, the Authority shall have all remedies provided at law or equity, including but not limited to foreclosure, acceleration of all sums due under the mortgage, recoupment of any funds from a sale in violation of the Agreement, injunctive relief to prevent further violation of the Agreement, entry on the premises, and specific performance.

IX FORECLOSURE

The terms and restrictions of this Agreement shall be subordinated only to the First Purchase Money Mortgage lien on the Affordable Housing property and in no way shall impair the First Purchase Money Mortgagee's ability to exercise the contract remedies available to it in the event of any default of such mortgage as such remedies are set forth in the First Purchase Money Mortgage documents for the Affordable Housing unit Any Affordable Housing owner-occupied property that is acquired by a First Purchase Money Mortgagee by Deed in lieu of Foreclosure, or by a Purchaser at a Foreclosure sale conducted by the holder *of* the First Purchase Money Mortgagee shall be permanently released from the restrictions and covenants *of* this Affordable Housing Agreement All resale restrictions shall cease to be effective as *of* the date *of* transfer *of* title pursuant to Foreclosure with regard to the First Purchase Money Mortgagee, a lender in the secondary mortgage market, including but not limited to the FNMA, Federal Home Loan Mortgage Corporation, GNMA, or an entity acting *on* their behalf and all subsequent purchasers, Owners and mortgagees *of* that particular Affordable Housing unit (except for the defaulting mortgagor, who shall be forever subject to the resale restrictions *of* this Agreement with respect to the Affordable Housing unit owned by such defaulting mortgagor at time *of* the Foreclosure sale)

Upon a judgment of Foreclosure, the Authority shall execute a document to be recorded in the county recording office as evidence that such Affordable Housing unit has been forever released from the restrictions of this Agreement Execution of foreclosure sales by any other class of creditor or mortgagee shall not result in a release of the Affordable Housing unit from the provisions and restrictions of this Agreement

In the event of a Foreclosure sale by the First Purchase Mortgagee, the defaulting mortgagor shall be personally obligated to pay to the Authority any excess funds generated from such Foreclosure sale For purposes of this Agreement, excess funds shall be the total amount paid to the sheriff by reason of the Foreclosure sale in excess of the greater of (1) the maximum permissible Resale Price of the Affordable Housing unit as of the date of the Foreclosure sale pursuant to the rules and guidelines of the Authority, and (2) the amount required to pay and satisfy the First Money Mortgage, including the costs of Foreclosure, plus any second mortgages approved by the Authority in accordance with this Agreement The amount of excess funds shall also include all payments to any junior creditors out of the Foreclosure sale proceeds even if such were to the exclusion of the defaulting mortgagor

The Authority is hereby given a first priority lien, second only to the First Purchase Money Mortgagee and any taxes or public assessments by a duly authorized governmental body, equal to the full amount of such excess funds This obligation of the defaulting mortgagor to pay the full amount of excess funds to the Authority shall be deemed to be a personal obligation of the Owner of record at time of the Foreclosure sale surviving such sale The Authority shall be empowered to enforce the obligation of the defaulting mortgagor in any appropriate court of law or equity as though same were a personal contractual obligation of the defaulting mortgagor Neither the First Purchase Money Mortgagee nor the purchaser at the Foreclosure sale, shall be responsible, or liable to, the Authority for any portion of this excess

No part of the excess funds, however, shall be part of the defaulting mortgagor's equity

The defaulting mortgagor's equity shall be determined to be the difference between the maximum permitted Resale Price of the Affordable Housing unit as of the date of the Foreclosure sale as calculated in accordance with this Agreement and the total of the following sums First Purchase Money Mortgage, prior liens, costs of Foreclosure, assessments, property taxes, and other liens which may have been attached against the unit prior to Foreclosure, provided such total is less than the maximum permitted Resale Price

If there are Owner's equity sums to which the defaulting mortgagor is properly entitled, such sums shall be turned over to the defaulting mortgagor or placed in an escrow account for the defaulting mortgagor if the defaulting mortgagor cannot be located The First Purchase Money Mortgagee shall hold such funds in escrow for a period of two years or until such earlier time as the defaulting mortgagor shall make a claim for such At the end of two years, if unclaimed, such funds, including any accrued interest, shall become the property of the Authority to the exclusion of any other creditors who may have claims against the defaulting mortgagor

Nothing shall preclude the Township of Montgomery from acquiring an affordable property prior to foreclosure sale at a negotiated price not to exceed the maximum Resale Price and holding, renting or conveying it to a Certified Household if such right is exercised within 90 days after the property is listed for sale and all outstanding obligations to the First Purchase Money Mortgagee are satisfied

X VIOLATION, DEFAULTS AND REMEDIES

In the event of a threatened breach of any of the terms of this Agreement by an Owner, the Authority shall have all remedies provided at law or equity, including the right to seek injunctive relief or specific performance, it being recognized by both parties to this Agreement that a breach will cause irreparable harm to the Authority, in light of the public policies set forth in the Fair Housing Act and the obligation for the provision of low and moderate income housing Upon the occurrence of a breach of any of the terms of the Agreement by an Owner, the Authority shall have all remedies provided at law or equity, including but not limited to foreclosure, acceleration of all sums due under the mortgage, recoupment of any funds from a sale in violation of the Agreement, injunctive relief to prevent further violation of the Agreement, entry on the premises, and specific performance

The Authority may assign from time to time its rights, and delegate its obligations hereunder without the consent of the Owner Upon such assignment, the Authority, its successors or assigns shall provide written notice to the Owner

A. The Property may be conveyed only to a household who has been approved in advance and in writing by Community Grants, Planning & Housing, LLC, an administrative agent appointed under the Regulations (hereinafter, collectively, the "Administrative Agent").

B. No sale of the Property shall be lawful, unless approved in advance and in writing by the Administrative Agent, and no sale shall be for a consideration greater than maximum permitted price ("Maximum Resale Price", or "MRP") as determined by the Administrative Agent.

C. No refinancing, equity loan, secured letter of credit, or any other mortgage obligation or other debt (collectively, "Debt") secured by the Property, may be incurred except as approved in advance and in writing by the Administrative Agent. At no time shall the Administrative Agent approve any such Debt, if incurring the Debt would make the total of all such Debt exceed Ninety-Five Percent (95%) of the applicable MRP.

D. The owner of the Property shall at all times maintain the Property as his or her principal place of residence.

E. Except as set forth in F, below, at no time shall the owner of the Property lease or rent the Property to any person or persons, except on a short-term hardship basis as approved in advance and in writing by the Administrative Agent.

F. If the Property is a two-family home, the owner shall lease the rental unit only to income-certified low-income households approved in writing by the Administrative Agent, shall charge rent no greater than the maximum permitted rent as determined by the Administrative Agent, and shall submit for written approval of the Administrative Agent copies of all proposed leases prior to having them signed by any proposed tenant.

G. No improvements may be made to the Property that would affect its bedroom configuration, and in any event, no improvement made to the Property will be taken into consideration to increase the MRP, except for improvements approved in advance and in writing by the Administrative Agent;

I. The Affordable Units are subject to a 30 year affordability control period that commenced on the date of first conveyance of title, which is December 18, 2002, of this Affordable Unit governed by this Declaration to a certified affordable purchaser who has executed the documents required by N.J.S.A. 5:80-26.1 et seq.

Article 5. Remedies for Breach of Affordable Housing Covenants

A breach of the Covenants will cause irreparable harm to the Administrative Agent and to the public, in light of the public policies set forth in the New Jersey Fair Housing Act, the Uniform Housing Affordability Control rules found at N.J.A.C. 5:80-26, and the obligation for the provision of low and moderate-income housing. Accordingly, and as set forth in N.J.A.C. 5:80-26.10A(b):

A. In the event of a threatened breach of any of the Covenants by the Grantee, or any successor in interest or other owner of the Property, the Administrative Agent shall have all remedies provided at law or equity, including the right to seek injunctive relief or specific performance.

B. Upon the occurrence of a breach of any Covenants by the Grantee, or any successor in interest or other owner of the Property, the Administrative Agent shall have all remedies provided at law or equity including but not limited to forfeiture, foreclosure, acceleration of all sums due under any mortgage, recouping of any funds from a sale in violation of the Covenants, diverting of rent proceeds from illegal rentals, injunctive relief to prevent further violation of said Covenants, entry on the premises, those provided under Title 5, Chapter 80, Subchapter 26 of the New Jersey Administrative Code and specific performance.

Sale and use of the Property is governed by regulations known as the Uniform Housing Affordability Controls, which are found in New Jersey Administrative Code at Title 5, chapter 80, subchapter 26 (N.J.A.C. 5:80-26:1, *et seq*, the

"Regulations"). Consistent with the Regulations, the following covenants (the "Covenants") shall run with the land for the period of time commencing upon the earlier of (a) the date hereof or (b) the prior commencement of the "Control Period", as that term is defined in the Regulations, and terminating upon the expiration of the Control Period as provided in the Regulations.

A. The Property may be conveyed only to a household who has been approved in advance and in writing by Community Grants, Planning & Housing, LLC, an administrative agent appointed under the Regulations (hereinafter, collectively, the "Administrative Agent").

B. No sale of the Property shall be lawful unless approved in advance and in writing by the Administrative Agent, and no sale shall be for a consideration greater than maximum permitted price ("Maximum Resale Price", or "MRP") as determined by the Administrative Agent.

C. No refinancing, equity loan, secured letter of credit, or any other mortgage obligation or other debt (collectively, "Debt") secured by the Property, may be incurred except as approved in advance and in writing by the Administrative Agent. At no time shall the Administrative Agent approve any such Debt, if incurring the Debt would make the total of all such Debt exceed Ninety-Five Percent (95%) of the applicable MRP.

D. The owner of the Property shall at all times maintain the Property as his or her principal place of residence.

E. Except as set forth in F. below, at no time shall the owner of the Property lease or rent the Property to any person or persons, except on a short-term hardship basis as approved in advance and in writing by the Administrative Agent.

F. If the Property is a two-family home, the owner shall lease the rental unit only to income-certified low-income households approved in writing by the Administrative Agent, shall charge rent no greater than the maximum permitted rent as determined by the Administrative Agent, and shall submit for written approval of the Administrative Agent copies of all proposed leases prior to having them signed by any proposed tenant.

G. No improvements may be made to the Property that would affect its bedroom configuration, and in any event, no improvement made to the Property will be taken into consideration to increase the MRP, except for improvements approved in advance and in writing by the Administrative Agent;

H. The affordable housing covenants, declarations and restrictions implemented by this Declaration and by incorporation, N.J.A.C. 5:80-26.1 *et seq*., shall remain in effect despite the entry and enforcement of any judgment of foreclosure with respect to the Affordable Unit so long as the Affordable Unit remains subject to the affordability controls being implemented by this Declaration;

I. The Affordable Units are subject to a 30 year affordability control period that commenced on the date of first conveyance of title, which is December 6, 2002, of this Affordable Unit governed by this Declaration to a certified affordable purchaser who has executed the documents required by N.J.S.A. 5:80-26.1 et seq.

Article 5. Remedies for Breach of Affordable Housing Covenants

A breach of the Covenants will cause irreparable harm to the Administrative Agent and to the public, in light of the public policies set forth in the New Jersey Fair Housing Act, the Uniform Housing Affordability Control rules found at N.J.A.C. 5:80-26, and the obligation for the provision of low and moderate-income housing. Accordingly, and as set forth in N.J.A.C. 5:80-26.10A(b):

A. In the event of a threatened breach of any of the Covenants by the Grantee, or any successor in interest or other owner of the Property, the Administrative Agent shall have all remedies provided at law or equity, including the right to seek injunctive relief or specific performance.

B. Upon the occurrence of a breach of any Covenants by the Grantee, or any successor in interest or other owner of the Property, the Administrative Agent shall have all remedies provided at law or equity including but not limited to forfeiture, foreclosure, acceleration of all sums due under any mortgage, recouping of any funds from a sale in violation of the Covenants, diverting of rent proceeds from illegal rentals, injunctive relief to prevent further violation of said Covenants, entry on the premises, those provided under Title 5, Chapter 80, Subchapter 26 of the New Jersey Administrative Code and specific performance.

Article 6. Notice of Resale, Recapture Covenant and 95/5 Purchase Options

A. The owner of the Property is required to notify the Montgomery Township Administrative Agent and New Jersey Council On Affordable Housing by certified mail of any intent to sell the property 90 days prior to entering into an agreement for the first non-exempt sale of the Property after the conclusion of the Control Period, as set forth in Section 5:93-9.8(b)(2) of the Substantive Rules of the New Jersey Council On Affordable Housing as in effect at the time the Property was first restricted as part of the Affordable Housing Program.

B. Upon the first such non-exempt sale of the Property, Ninety-Five Percent (95%) of the difference between (i) the actual sale price and (ii) the regulated maximum sales price that would be applicable were the Control Period still in effect, shall be paid at closing to the New Jersey Department of Community Affairs, acting as receiving agent for the local municipality.

C. Such non-exempt sale is subject to the options provided for in Sections 5:80-26.20 (Option to buy 95/5 units), 5:80-26.21 (Municipal option on 95/5 units), 5:80-26.22 (State option on 95/5 units), 5:80-26.23 (Non-profit option on 95/5 units), 5:80-26.24 (Seller option on 95/5 units), 5:80-26.25 (Municipal rejection of repayment option on 95/5 units) and 5:80-26.26 (Continued application of options to create, rehabilitate or maintain 95/5 units) of the Uniform Housing Affordability Control Rules, found in Title 5, Chapter 80, Subchapter 26, of the New Jersey Administrative Code.

IX FORECLOSURE

The terms and restrictions of this Agreement shall be subordinated only to the First Purchase Money Mortgage lien on the Affordable Housing property and in no way shall impair the First Purchase Money Mortgagee's ability to exercise the contract remedies available to it in the event of any default of such mortgage as such remedies are set forth in the First Purchase Money Mortgage documents for the Affordable Housing unit

Any Affordable Housing owner-occupied property that is acquired by a First Purchase Money Mortgagee by Deed in lieu of Foreclosure, or by a Purchaser at a Foreclosure sale conducted by the holder of the First Purchase Money Mortgagee shall be permanently released from the restrictions and covenants of this Affordable Housing Agreement All resale restrictions shall cease to be effective as of the date of transfer of title pursuant to Foreclosure with regard to the First Purchase Money Mortgagee, a lender in the secondary mortgage market including but not limited to the FNMA, Federal Home Loan Mortgage Corporation, GNMA, or an entity acting on their behalf and all subsequent purchasers, Owners and mortgagees of that particular Affordable Housing unit (except for the defaulting mortgagor, who shall be forever subject to the resale restrictions of this Agreement with respect to the Affordable Housing unit owned by such defaulting mortgagor at time of the Foreclosure sale)

Upon a judgment of Foreclosure, the Authority shall execute a document to be recorded in the county recording office as evidence that such Affordable Housing unit has been forever released from the restrictions of this Agreement Execution of foreclosure sales by any other class of creditor or mortgagee shall not result in a release of the Affordable Housing unit from the provisions and restrictions of this Agreement

In the event of a Foreclosure sale by the First Purchase Mortgagee, the defaulting mortgagor shall be personally obligated to pay to the Authority any excess funds generated from such Foreclosure sale For purposes of this agreement, excess funds shall be the total amount paid to the sheriff by reason of the Foreclosure sale in excess of the greater of (1) the maximum permissible Resale Price of the Affordable Housing unit as of the date of the Foreclosure sale

pursuant to the rules and guidelines of the Authority and (2) the amount required to pay and satisfy the First Money Mortgage, including the costs of Foreclosure plus any second mortgages approved by the Authority in accordance with this Agreement The amount of excess funds shall also include all payments to any junior creditors out of the Foreclosure sale proceeds even if such were to the exclusion of the defaulting mortgagor

The Authority is hereby given a first priority lien, second only to the First Purchase Money Mortgagee and any taxes or public assessments by a duly authorized governmental body, equal to the full amount of such excess funds This obligation of the defaulting mortgagor to pay the full amount of excess funds to the Authority shall be deemed to be a personal obligation of the Owner of record at time of the Foreclosure sale surviving such sale. The Authority shall be empowered to enforce the obligation of the defaulting mortgagor in any appropriate court of law or equity as though same were a personal contractual obligation of the defaulting mortgagor Neither the First Purchase Money Mortgagee nor the purchaser at the Foreclosure sale shall be responsible or liable to the Authority for any portion of this excess

No part of the excess funds, however, shall be part of the defaulting mortgagor's equity

The defaulting mortgagor's equity shall be determined to be the difference between the maximum permitted Resale Price of the Affordable Housing unit as of the date of the Foreclosure sale as calculated in accordance with this Agreement and the total of the following sums First Purchase Money Mortgage, prior liens, costs of Foreclosure, assessments, property taxes, and other liens which may have been attached against the unit prior to Foreclosure, provided such total is less than the maximum permitted Resale Price

If there are Owner's equity sums to which the defaulting mortgagor is properly entitled, such sums shall be turned over to the defaulting mortgagor or placed in an escrow account for the defaulting mortgagor if the defaulting mortgagor cannot be located The First Purchase Money Mortgagee shall hold such funds in escrow for a period of two years or until such earlier time as the defaulting mortgagor shall make a claim for such. At the end of two years, if unclaimed, such funds, including any accrued interest, shall become the property of the Authority to the exclusion of any other creditors who may have claims against the defaulting mortgagor

Nothing shall preclude the municipality wherein the Affordable Housing unit is located from acquiring an affordable property prior to foreclosure sale at a negotiated price not to exceed the maximum Resale Price and holding, renting or conveying it to a Certified Household if such right is exercised within 90 days after the property is listed for sale and all outstanding obligations to the First Purchase Money Mortgagee are satisfied

UNOFFICIAL DOCUMENT

Sale and use of the Property is governed by regulations known as the Uniform Housing Affordability Controls, which are found in New Jersey Administrative Code at Title 5, chapter 80, subchapter 26 (N.J.A.C. 5:80-26.1, *et seq*, the "Regulations"). Consistent with the Regulations, the following covenants (the "Covenants") shall run with the land for the period of time commencing upon the earlier of (a) the date hereof or (b) the prior commencement of the "Control Period", as that term is defined in the Regulations, and terminating upon the expiration of the Control Period as provided in the Regulations.

A. The Property may be conveyed only to a household who has been approved in advance and in writing by Community Grants, Planning & Housing, LLC, an administrative agent appointed under the Regulations (hereinafter, collectively, the "Administrative Agent").

B. No sale of the Property shall be lawful unless approved in advance and in writing by the Administrative Agent, and no sale shall be for a consideration greater than maximum permitted price ("Maximum Resale Price", or "MRP") as determined by the Administrative Agent.

C. No refinancing, equity loan, secured letter of credit, or any other mortgage obligation or other debt (collectively, "Debt") secured by the Property, may be incurred except as approved in advance and in writing by the Administrative Agent. At no time shall the Administrative Agent approve any such Debt, if incurring the Debt would make the total of all such Debt exceed Ninety-Five Percent (95%) of the applicable MRP.

D. The owner of the Property shall at all times maintain the Property as his or her principal place of residence.

E. Except as set forth in F, below, at no time shall the owner of the Property lease or rent the Property to any person or persons, except on a short-term hardship basis as approved in advance and in writing by the Administrative Agent.

F. If the Property is a two-family home, the owner shall lease the rental unit only to income-certified low-income households approved in writing by the Administrative Agent, shall charge rent no greater than the maximum permitted rent as determined by the Administrative Agent, and shall submit for written approval of the Administrative Agent copies of all proposed leases prior to having them signed by any proposed tenant.

G. No improvements may be made to the Property that would affect its bedroom configuration, and in any event, no improvement made to the Property will be taken into consideration to increase the MRP, except for improvements approved in advance and in writing by the Administrative Agent;

H. The affordable housing covenants, declarations and restrictions implemented by this Declaration and by incorporation, N.J.A.C. 5:80-26.1 *et seq*., shall remain in effect despite the entry and enforcement of any judgment of foreclosure with respect to the Affordable Unit so long as the Affordable Unit remains subject to the affordability controls being implemented by this Declaration;

I. The Affordable Units are subject to a 30 year affordability control period that commenced on the date of first conveyance of title, which is September 27, 2002, of this Affordable Unit governed by this Declaration to a certified affordable purchaser who has executed the documents required by N.J.S.A. 5:80-26.1 et seq.

Article 5. Remedies for Breach of Affordable Housing Covenants

A breach of the Covenants will cause irreparable harm to the Administrative Agent and to the public, in light of the public policies set forth in the New Jersey Fair Housing Act, the Uniform Housing Affordability Control rules found at N.J.A.C. 5:80-26, and the obligation for the provision of low and moderate-income housing. Accordingly, and as set forth in N.J.A.C. 5:80-26.10A(b):

A. In the event of a threatened breach of any of the Covenants by the Grantee, or any successor in interest or other owner of the Property, the Administrative Agent shall have all remedies provided at law or equity, including the right to seek injunctive relief or specific performance.

B. Upon the occurrence of a breach of any Covenants by the Grantee, or any successor in interest or other owner of the Property, the Administrative Agent shall have all remedies provided at law or equity including but not limited to forfeiture, foreclosure, acceleration of all sums due under any mortgage, recouping of any funds from a sale in violation of the Covenants, diverting of rent proceeds from illegal rentals, injunctive relief to prevent further violation of said Covenants, entry on the premises, those provided under Title 5, Chapter 80, Subchapter 26 of the New Jersey Administrative Code and specific performance.

B All home improvements made to an Affordable Housing unit shall be at the Owner's expense except that expenditures for any alteration that allows a unit to be resold to a larger household size because of increased capacity for occupancy shall be considered for a recalculation of Base Price Owners must obtain prior approval for such alteration from the Authority to qualify for this recalculation

C The Owner of an Affordable Housing unit shall keep the Affordable Housing unit in good repair

D Owners of Affordable Housing units shall pay all taxes, charges, assessments or levies, both public and private, assessed against such unit, or any part thereof, as and when the same become due

F An Owner shall request referrals of eligible households from pre-established referral lists maintained by the Authority

If the Authority does not refer an eligible household within sixty (60) days of the Notice of Intent to Sell the unit or no Agreement to Purchase the unit has been executed, the Owner may propose a Contract to Purchase the unit to an eligible household not referred through the Authority The proposed Purchaser must complete all required Household Eligibility forms and submit Gross Annual Income Information for verification to the Authority for written certification as an eligible sales transaction

H At resale, all items of property which are permanently affixed to the unit and/or were included when the unit was initially restricted (e g refrigerator, range, washer, dryer, dishwasher, wall to wall carpeting) shall be included in the maximum allowable Resale Price Other items of property may be sold to the Purchaser at a reasonable price that has been approved by the Authority at the time of signing the Agreement to Purchase The purchase of central air conditioning installed subsequent to the initial sale of the unit and not included in the Base Price may be made a condition of the unit resale provided the price has been approved by the Authority Unless otherwise permitted by the Council, the purchase of any property other than central air conditioning shall not be made a condition of the unit resale. The Owner and the Purchaser must personally certify at the time of closing that no unapproved transfer of funds for the purpose of selling and receiving property has taken place at Resale

I The Owner shall not permit any lien, other than the First Purchase Money Mortgage, second mortgages approved by the Authority and liens of the Authority to attach and remain on the property for more than sixty (60) days

J If an Affordable Housing unit is part of a condominium, homeowner's or cooperative association, the Owner, in addition to paying any assessments required by the Master Deed of the Condominium or By-laws of an Association, shall further fully comply with all of the terms, covenants or conditions of said Master Deed or By-Laws, as well as fully comply with all terms, conditions and restrictions of this Affordable Housing Agreement.

K. The Owner shall have responsibility for fulfilling all requirements in accordance with and subject to any rules and regulations duly promulgated by the Council (N.J A C 5 92-1 et seq.), for determining that a resale transaction is qualified for a Certificate of Exemption The Owner shall notify the Authority in writing of any proposed Exempt Transaction and supply the necessary documentation to qualify for a Certificate of Exemption An Exempt Transaction does not terminate the resale restrictions or existing liens and is not considered a certified sales transaction in calculating subsequent resale prices A Certificate of Exemption shall be filed with the deed at the time of title transfer

L. The Owner shall have responsibility for fulfilling all requirements in accordance with and subject to any rules and regulations duly promulgated by the Council (N J A C 5 92-1 et seq), for determining that a resale transaction is qualified for a Hardship Waiver The Owner may submit a written request for a Hardship Waiver if no Certified Household has executed an agreement to purchase within ninety (90) days of notification of an approved resale price and referral of potential purchasers Prior to issuing a Hardship Waiver, the Municipality shall have 30 days in which to sign an agreement to purchase the unit at the approved resale price and subsequently rent or convey it to a Certified Household The Municipality may transfer this option to the Department, the Agency, or a qualified non-profit organization as determined by the Council For approval of a Hardship Waiver, an Owner must document efforts to sell the unit to an income eligible household If the waiver is granted, the Owner may offer a low income unit to a moderate income household or a moderate income unit to a household whose income exceeds 80% of the applicable median income guide The Hardship Waiver shall be filed with the deed at the time of closing and is only valid for the designated resale transaction. It does not affect the resale price All future resales are subject to all restrictions stated herein

M The Owner shall be obligated to pay a reasonable service fee to the Authority at the time of closing and transfer of title in the amount specified by the Authority at the time a restricted resale price has been determined after receipt of a Notice of Intent to Sell Such fee shall not be included in the calculation of the maximum resale price

IX FORECLOSURE

The terms and restrictions of this Agreement shall be subordinated only to the First Purchase Money Mortgage lien on the Affordable Housing property and in no way shall impair the First Purchase Money Mortgagee's ability to exercise the contract remedies available to it in the event of any default of such mortgage as such remedies are set forth in the First Purchase Money Mortgage documents for the Affordable Housing unit

Any Affordable Housing owner-occupied property that is acquired by a First Purchase Money Mortgagee by Deed in lieu of Foreclosure, or by a Purchaser at a Foreclosure sale conducted by the holder of the First Purchase Money Mortgagee shall be permanently released from the restrictions and covenants of this Affordable Housing Agreement All resale restrictions shall cease to be effective as of the date of transfer of title pursuant to Foreclosure with regard to the First Purchase Money Mortgagee, a lender in the secondary mortgage market including but not limited to the FNMA, Federal Home Loan Mortgage Corporation, GNMA, or an entity acting on their behalf and all subsequent purchasers, Owners and mortgagees of that particular Affordable Housing unit (except for the defaulting mortgagor, who shall be forever subject to the resale restrictions of this Agreement with respect to the Affordable Housing unit owned by such defaulting mortgagor at time of the Foreclosure sale)

Upon a judgment of Foreclosure, the Authority shall execute a document to be recorded in the county recording office as evidence that such Affordable Housing unit has been forever released from the restrictions of this Agreement Execution of foreclosure sales by any other class of creditor or mortgagee shall not result in a release of the Affordable Housing unit from the provisions and restrictions of this Agreement

In the event of a Foreclosure sale by the First Purchase Mortgagee, the defaulting mortgagor shall be personally obligated to pay to the Authority any excess funds generated from such Foreclosure sale For purposes of this agreement, excess funds shall be the total amount paid to the sheriff by reason of the Foreclosure sale in excess of the greater of (1) the maximum permissible Resale Price of the Affordable Housing unit as of the date of the Foreclosure sale

pursuant to the rules and guidelines of the Authority and (2) the amount required to pay and satisfy the First Money Mortgage, including the costs of Foreclosure plus any second mortgages approved by the Authority in accordance with this Agreement The amount of excess funds shall also include all payments to any junior creditors out of the Foreclosure sale proceeds even if such were to the exclusion of the defaulting mortgagor

The Authority is hereby given a first priority lien, second only to the First Purchase Money Mortgagee and any taxes or public assessments by a duly authorized governmental body, equal to the full amount of such excess funds This obligation of the defaulting mortgagor to pay the full amount of excess funds to the Authority shall be deemed to be a personal obligation of the Owner of record at time of the Foreclosure sale surviving such sale The Authority shall be empowered to enforce the obligation of the defaulting mortgagor in any appropriate court of law or equity as though same were a personal contractual obligation of the defaulting mortgagor Neither the First Purchase Money Mortgagee nor the purchaser at the Foreclosure sale shall be responsible or liable to the Authority for any portion of this excess.

No part of the excess funds, however, shall be part of the defaulting mortgagor's equity

The defaulting mortgagor's equity shall be determined to be the difference between the maximum permitted Resale Price of the Affordable Housing unit as of the date of the Foreclosure sale as calculated in accordance with this Agreement and the total of the following sums First Purchase Money Mortgage, prior liens, costs of Foreclosure, assessments, property taxes, and other liens which may have been attached against the unit prior to Foreclosure, provided such total is less than the maximum permitted Resale Price

If there are Owner's equity sums to which the defaulting mortgagor is properly entitled, such sums shall be turned over to the defaulting mortgagor or placed in an escrow account for the defaulting mortgagor if the defaulting mortgagor cannot be located The First Purchase Money Mortgagee shall hold such funds in escrow for a period of two years or until such earlier time as the defaulting mortgagor shall make a claim for such At the end of two years, if unclaimed, such funds, including any accrued interest, shall become the property of the Authority to the exclusion of any other creditors who may have claims against the defaulting mortgagor.

Nothing shall preclude the municipality wherein the Affordable Housing unit is located from acquiring an affordable property prior to foreclosure sale at a negotiated price not to exceed the maximum Resale Price and holding, renting or conveying it to a Certified Household if such right is exercised within 90 days after the property is listed for sale and all outstanding obligations to the First Purchase Money Mortgagee are satisfied

X VIOLATION, DEFAULTS AND REMEDIES

In the event of a threatened breach of any of the terms of this agreement by an Owner, the Authority shall have all remedies provided at law or equity, including the right to seek injunctive relief or specific performance, it being recognized by both parties to this Agreement that a breach will cause irreparable harm to the Authority, in light of the public policies set forth in the Fair Housing Act and the obligation for the provision of low and moderate income housing. Upon the occurrence of a breach of any of the terms of the Agreement by an Owner, the Authority shall have all remedies provided at law or equity, including but not limited to foreclosure, acceleration of all sums due under the mortgage, recoupment of any funds from a sale in violation of the Agreement, injunctive relief to prevent further violation of the Agreement, entry on the premises, and specific performance

XI RIGHT TO ASSIGN

The Authority may assign from time to time its rights, and delegate its obligations hereunder without the consent of the Owner Upon such assignment, the Authority, its successors or assigns shall provide written notice to the Owner

XII INTERPRETATION OF THIS AGREEMENT

The terms of this Agreement shall be interpreted so as to avoid financial speculation or

circumvention of the purposes of the Fair Housing Act for the duration of this Agreement and to ensure, to the greatest extent possible, that the purchase price, mortgage payments and rents of designated Affordable Housing units remain affordable to Low and Moderate Income-Eligible Households as defined herein

Consistent with the Regulations, the following covenants (the "Covenants") shall run with the land for the period of time commencing upon the earlier of (a) the date hereof or (b) the prior commencement of the "Control Period", as that term is defined in the Regulations, and terminating upon the expiration of the Control Period as provided in the Regulations.

A. The Property may be conveyed only to a household who has been approved in advance and in writing by Community Grants, Planning & Housing, LLC, an administrative agent appointed under the Regulations (hereinafter, collectively, the "Administrative Agent").

B. No sale of the Property shall be lawful, unless approved in advance and in writing by the Administrative Agent, and no sale shall be for a consideration greater than maximum permitted price ("Maximum Resale Price", or "MRP") as determined by the Administrative Agent.

C. No refinancing, equity loan, secured letter of credit, or any other mortgage obligation or other debt (collectively, "Debt") secured by the Property, may be incurred except as approved in advance and in writing by the Administrative Agent. I. The Affordable Units are subject to a **30-year** affordability control period that commenced on the date of first conveyance of title, which is **September 27, 2002**, of this Affordable Unit governed by this Declaration to a certified affordable purchaser who has executed the documents required by N.J.S.A. 5:80-26.1 et seq.

Accordingly, and as set forth in N.J.A.C. 5:80-26.10A(b):

B. Upon the occurrence of a breach of any Covenants by the Grantee, or any successor in interest or other owner of the Property, the Administrative Agent shall have all remedies provided at law or equity including but not limited to forfeiture, foreclosure, acceleration of all sums due under any mortgage, recouping of any funds from a sale in violation of the Covenants, diverting of rent proceeds from illegal rentals, injunctive relief to prevent further violation of said Covenants, entry on the premises, those provided under Title 5, Chapter 80, Subchapter 26 of the New Jersey Administrative Code and specific performance.

The Owner shall notify the Authority in writing of any proposed Exempt Transaction and supply the necessary documentation to qualify for a Certificate of Exemption An Exempt Transaction does not terminate the resale restrictions or existing liens and is not considered a certified sales transaction in calculating subsequent resale prices A Certificate of Exemption shall be filed with the deed at the time of title transfer

L The Owner shall have responsibility for fulfilling all requirements in accordance with and subject to any rules and regulations duly promulgated by the Council (N J A C 5 92-1 et seq), for determining that a resale transaction is qualified for a Hardship Waiver. The Owner may submit a written request for a Hardship Waiver if no Certified Household has executed an agreement to purchase within ninety (90) days of notification of an approved resale price and referral of potential purchasers Prior to issuing a Hardship Waiver, the Municipality shall have 30 days in which to sign an agreement to purchase the unit at the approved resale price and subsequently rent or convey it to a Certified Household The Municipality may transfer this option to the Department, the Agency, or a qualified non-profit organization as determined by the Council For approval of a Hardship Waiver, an Owner must document efforts to sell the unit to an income eligible household If the waiver is granted, the Owner may offer a low income unit to a moderate income household or a moderate income unit to a household whose income exceeds 80% of the applicable median income guide The Hardship Waiver shall be filed with the deed at the time of closing and is only valid for the designated resale transaction It does not affect the resale price All future resales are subject to all restrictions stated herein

M The Owner shall be obligated to pay a reasonable service fee to the Authority at the time of closing and transfer of title in the amount specified by the Authority at the time a restricted resale price has been determined after receipt of a Notice of Intent to Sell Such fee shall not be included in the calculation of the maximum resale price

IX FORECLOSURE

The terms and restrictions of this Agreement shall be subordinated only to the First Purchase Money Mortgage lien on the Affordable Housing property and in no way shall impair the First Purchase Money Mortgagee's ability to exercise the contract remedies available to it in the event of any default of such mortgage as such remedies are set forth in the First Purchase Money Mortgage documents for the Affordable Housing unit

Any Affordable Housing owner-occupied property that is acquired by a First Purchase Money Mortgagee by Deed in lieu of Foreclosure, or by a Purchaser at a Foreclosure sale conducted by the holder of the First Purchase Money Mortgagee shall be permanently released from the restrictions and covenants of this Affordable Housing Agreement All resale restrictions shall cease to be effective as of the date of transfer of title pursuant to Foreclosure with regard to the First Purchase Money Mortgagee, a lender in the secondary mortgage market including but not limited to the FNMA, Federal Home Loan Mortgage Corporation, GNMA, or an entity acting on their behalf and all subsequent purchasers, Owners and mortgagees of that particular Affordable Housing unit (except for the defaulting mortgagor, who shall be forever subject to the resale restrictions of this Agreement with respect to the Affordable Housing unit owned by such defaulting mortgagor at time of the Foreclosure sale)

Upon a judgment of Foreclosure, the Authority shall execute a document to be recorded in the county recording office as evidence that such Affordable Housing unit has been forever released from the restrictions of this Agreement Execution of foreclosure sales by any other class of creditor or mortgagee shall not result in a release of the Affordable Housing unit from the provisions and restrictions of this Agreement

In the event of a Foreclosure sale by the First Purchase Mortgagee, the defaulting mortgagor shall be personally obligated to pay to the Authority any excess funds generated from such Foreclosure sale For purposes of this agreement, excess funds shall be the total amount paid to the sheriff by reason of the Foreclosure sale in excess of the greater of (1) the maximum permissible Resale Price of the Affordable Housing unit as of the date of the Foreclosure sale

pursuant to the rules and guidelines of the Authority and (2) the amount required to pay and satisfy the First Money Mortgage, including the costs of Foreclosure plus any second mortgages approved by the Authority in accordance with this Agreement The amount of excess funds shall also include all payments to any junior creditors out of the Foreclosure sale proceeds even if such were to the exclusion of the defaulting mortgagor

The Authority is hereby given a first priority lien, second only to the First Purchase Money Mortgagee and any taxes or public assessments by a duly authorized governmental body, equal to the full amount of such excess funds This obligation of the defaulting mortgagor to pay the full amount of excess funds to the Authority shall be deemed to be a personal obligation of the Owner of record at time of the Foreclosure sale surviving such sale The Authority shall be empowered to enforce the obligation of the defaulting mortgagor in any appropriate court of law or equity as though same were a personal contractual obligation of the defaulting mortgagor Neither the First Purchase Money Mortgagee nor the purchaser at the Foreclosure sale shall be responsible or liable to the Authority for any portion of this excess

No part of the excess funds, however, shall be part of the defaulting mortgagor's equity

The defaulting mortgagor's equity shall be determined to be the difference between the maximum permitted Resale Price of the Affordable Housing unit as of the date of the Foreclosure sale as calculated in accordance with this Agreement and the total of the following sums First Purchase Money Mortgage, prior liens, costs of Foreclosure, assessments, property taxes, and other liens which may have been attached against the unit prior to Foreclosure, provided such total is less than the maximum permitted Resale Price

If there are Owner's equity sums to which the defaulting mortgagor is properly entitled, such sums shall be turned over to the defaulting mortgagor or placed in an escrow account for the defaulting mortgagor if the defaulting mortgagor cannot be located The First Purchase Money Mortgagee shall hold such funds in escrow for a period of two years or until such earlier time as the defaulting mortgagor shall make a claim for such At the end of two years, if unclaimed, such funds, including any accrued interest, shall become the property of the Authority to the exclusion of any other creditors who may have claims against the defaulting mortgagor

Nothing shall preclude the municipality wherein the Affordable Housing unit is located from acquiring an affordable property prior to foreclosure sale at a negotiated price not to exceed the maximum Resale Price and holding, renting or conveying it to a Certified Household if such right is exercised within 90 days after the property is listed for sale and all outstanding obligations to the First Purchase Money Mortgagee are satisfied

X VIOLATION, DEFAULTS AND REMEDIES

In the event of a threatened breach of any of the terms of this agreement by an Owner, the Authority shall have all remedies provided at law or equity, including the right to seek injunctive relief or specific performance, it being recognized by both parties to this Agreement that a breach will cause irreparable harm to the Authority, in light of the public policies set forth in the Fair Housing Act and the obligation for the provision of low and moderate income housing Upon the occurrence of a breach of any of the terms of the Agreement by an Owner, the Authority shall have all remedies provided at law or equity, including but not limited to foreclosure, acceleration of all sums due under the mortgage, recoupment of any funds from a sale in violation of the Agreement, injunctive relief to prevent further violation of the Agreement, entry on the premises, and specific performance

XI RIGHT TO ASSIGN

The Authority may assign from time to time its rights, and delegate its obligations hereunder without the consent of the Owner Upon such assignment, the Authority, its successors or assigns shall provide written notice to the Owner

XII INTERPRETATION OF THIS AGREEMENT

The terms of this Agreement shall be interpreted so as to avoid financial speculation or

M The Owner shall be obligated to pay a reasonable service fee to the Authority at the time of closing and transfer of title in the amount specified by the Authority at the time a restricted resale price has been determined after receipt of a Notice of Intent to Sell Such fee shall not be included in the calculation of the maximum resale price

IX FORECLOSURE

The terms and restrictions of this Agreement shall be subordinated only to the First Purchase Money Mortgage lien on the Affordable Housing property and in no way shall impair the First Purchase Money Mortgagee's ability to exercise the contract remedies available to it in the event of any default of such mortgage as such remedies are set forth in the First Purchase Money Mortgage documents for the Affordable Housing unit

Any Affordable Housing owner-occupied property that is acquired by a First Purchase Money Mortgagee by Deed in lieu of Foreclosure, or by a Purchaser at a Foreclosure sale conducted by the holder of the First Purchase Money Mortgagee shall be permanently released from the restrictions and covenants of this Affordable Housing Agreement All resale restrictions shall cease to be effective as of the date of transfer of title pursuant to Foreclosure with regard to the First Purchase Money Mortgagee, a lender in the secondary mortgage market including but not limited to the FNMA, Federal Home Loan Mortgage Corporation, GNMA, or an entity acting on their behalf and all subsequent purchasers, Owners and mortgagees of that particular Affordable Housing unit (except for the defaulting mortgagor, who shall be forever subject to the resale restrictions of this Agreement with respect to the Affordable Housing unit owned by such defaulting mortgagor at time of the Foreclosure sale)

Upon a judgment of Foreclosure, the Authority shall execute a document to be recorded in the county recording office as evidence that such Affordable Housing unit has been forever released from the restrictions of this Agreement Execution of foreclosure sales by any other class of creditor or mortgagee shall not result in a release of the Affordable Housing unit from the provisions and restrictions of this Agreement

In the event of a Foreclosure sale by the First Purchase Mortgagee, the defaulting mortgagor shall be personally obligated to pay to the Authority any excess funds generated from such Foreclosure sale For purposes of this agreement, excess funds shall be the total amount paid to the sheriff by reason of the Foreclosure sale in excess of the greater of (1) the maximum permissible Resale Price of the Affordable Housing unit as of the date of the Foreclosure sale

pursuant to the rules and guidelines of the Authority and (2) the amount required to pay and satisfy the First Money Mortgage, including the costs of Foreclosure plus any second mortgages approved by the Authority in accordance with this Agreement The amount of excess funds shall also include all payments to any junior creditors out of the Foreclosure sale proceeds even if such were to the exclusion of the defaulting mortgagor

The Authority is hereby given a first priority lien, second only to the First Purchase Money Mortgagee and any taxes or public assessments by a duly authorized governmental body, equal to the full amount of such excess funds This obligation of the defaulting mortgagor to pay the full amount of excess funds to the Authority shall be deemed to be a personal obligation of the Owner of record at time of the Foreclosure sale surviving such sale The Authority shall be empowered to enforce the obligation of the defaulting mortgagor in any appropriate court of law or equity as though same were a personal contractual obligation of the defaulting mortgagor Neither the First Purchase Money Mortgagee nor the purchaser at the Foreclosure sale shall be responsible or liable to the Authority for any portion of this excess

No part of the excess funds, however, shall be part of the defaulting mortgagor's equity.

The defaulting mortgagor's equity shall be determined to be the difference between the maximum permitted Resale Price of the Affordable Housing unit as of the date of the Foreclosure sale as calculated in accordance with this Agreement and the total of the following sums First Purchase Money Mortgage, prior liens, costs of Foreclosure, assessments, property taxes, and other liens which may have been attached against the unit prior to Foreclosure, provided such total is less than the maximum permitted Resale Price

If there are Owner's equity sums to which the defaulting mortgagor is properly entitled, such sums shall be turned over to the defaulting mortgagor or placed in an escrow account for the defaulting mortgagor if the defaulting mortgagor cannot be located. The First Purchase Money Mortgagee shall hold such funds in escrow for a period of two years or until such earlier time as the defaulting mortgagor shall make a claim for such At the end of two years, if unclaimed, such funds, including any accrued interest, shall become the property of the Authority to the exclusion of any other creditors who may have claims against the defaulting mortgagor.

Nothing shall preclude the municipality wherein the Affordable Housing unit is located from acquiring an affordable property prior to foreclosure sale at a negotiated price not to exceed the maximum Resale Price and holding, renting or conveying it to a Certified Household if such right is exercised within 90 days after the property is listed for sale and all outstanding obligations to the First Purchase Money Mortgagee are satisfied

X VIOLATION, DEFAULTS AND REMEDIES

In the event of a threatened breach of any of the terms of this agreement by an Owner, the Authority shall have all remedies provided at law or equity, including the right to seek injunctive relief or specific performance, it being recognized by both parties to this Agreement that a breach will cause irreparable harm to the Authority, in light of the public policies set forth in the Fair Housing Act and the obligation for the provision of low and moderate income housing Upon the occurrence of a breach of any of the terms of the Agreement by an Owner, the Authority shall have all remedies provided at law or equity, including but not limited to foreclosure, acceleration of all sums due under the mortgage, recoupment of any funds from a sale in violation of the Agreement, injunctive relief to prevent further violation of the Agreement, entry on the premises, and specific performance

XI RIGHT TO ASSIGN

The Authority may assign from time to time its rights, and delegate its obligations hereunder without the consent of the Owner. Upon such assignment, the Authority, its successors or assigns shall provide written notice to the Owner

XII INTERPRETATION OF THIS AGREEMENT

J If an Affordable Housing unit is part of a condominium, homeowner's or cooperative association, the Owner, in addition to paying any assessments required by the Master Deed of the Condominium or By-laws of an Association, shall further fully comply with all of the terms, covenants or conditions of said Master Deed or By-Laws, as well as fully comply with all terms, conditions and restrictions of this Affordable Housing Agreement

K The Owner shall have responsibility for fulfilling all requirements in accordance with and subject to any rules and regulations duly promulgated by the Council (N.J A C 5:92-1 et seq), for determining that a resale transaction is qualified for a Certificate of Exemption. The Owner shall notify the Authority in writing of any proposed Exempt Transaction and supply the necessary documentation to qualify for a Certificate of Exemption An Exempt Transaction does not terminate the resale restrictions or existing liens and is not considered a certified sales transaction in calculating subsequent resale prices A Certificate of Exemption shall be filed with the deed at the time of title transfer

L The Owner shall have responsibility for fulfilling all requirements in accordance with and subject to any rules and regulations duly promulgated by the Council (N J A C 5:92-1 et seq), for determining that a resale transaction is qualified for a Hardship Waiver The Owner may submit a written request for a Hardship Waiver if no Certified Household has executed an agreement to purchase within ninety (90) days of notification of an approved resale price and referral of potential purchasers Prior to issuing a Hardship Waiver, the Municipality shall have 30 days in which to sign an agreement to purchase the unit at the approved resale price and subsequently rent or convey it to a Certified Household The Municipality may transfer this option to the Department, the Agency, or a qualified non-profit organization as determined by the Council For approval of a Hardship Waiver, an Owner must document efforts to sell the unit to an income eligible household If the waiver is granted, the Owner may offer a low income unit to a moderate income household or a moderate income unit to a household whose income exceeds 80% of the applicable median income guide The Hardship Waiver shall be filed with the deed at the time of closing and is only valid for the designated resale transaction It does not affect the resale price. All future resales are subject to all restrictions stated herein

M The Owner shall be obligated to pay a reasonable service fee to the Authority at the time of closing and transfer of title in the amount specified by the Authority at the time a restricted resale price has been determined after receipt of a Notice of Intent to Sell Such fee shall not be included in the calculation of the maximum resale price

IX FORECLOSURE

The terms and restrictions of this Agreement shall be subordinated only to the First Purchase Money Mortgage lien on the Affordable Housing property and in no way shall impair the First Purchase Money Mortgagee's ability to exercise the contract remedies available to it in the event of any default of such mortgage as such remedies are set forth in the First Purchase Money Mortgage documents for the Affordable Housing unit

Any Affordable Housing owner-occupied property that is acquired by a First Purchase Money Mortgagee by Deed in lieu of Foreclosure, or by a Purchaser at a Foreclosure sale conducted by the holder of the First Purchase Money Mortgagee shall be permanently released from the restrictions and covenants of this Affordable Housing Agreement. All resale restrictions shall cease to be effective as of the date of transfer of title pursuant to Foreclosure with regard to the First Purchase Money Mortgagee, a lender in the secondary mortgage market including but not limited to the FNMA, Federal Home Loan Mortgage Corporation, GNMA, or an entity acting on their behalf and all subsequent purchasers, Owners and mortgagees of that particular Affordable Housing unit (except for the defaulting mortgagor, who shall be forever subject to the resale restrictions of this Agreement with respect to the Affordable Housing unit owned by such defaulting mortgagor at time of the Foreclosure sale)

Upon a judgment of Foreclosure, the Authority shall execute a document to be recorded in the county recording office as evidence that such Affordable Housing unit has been forever released from the restrictions of this Agreement Execution of foreclosure sales by any other class of creditor or mortgagee shall not result in a release of the Affordable Housing unit from the provisions and restrictions of this Agreement

In the event of a Foreclosure sale by the First Purchase Mortgagee, the defaulting mortgagor shall be personally obligated to pay to the Authority any excess funds generated from such Foreclosure sale For purposes of this agreement, excess funds shall be the total amount paid to the sheriff by reason of the Foreclosure sale in excess of the greater of (1) the maximum permissible Resale Price of the Affordable Housing unit as of the date of the Foreclosure sale

pursuant to the rules and guidelines of the Authority and (2) the amount required to pay and satisfy the First Money Mortgage, including the costs of Foreclosure plus any second mortgages approved by the Authority in accordance with this Agreement The amount of excess funds shall also include all payments to any junior creditors out of the Foreclosure sale proceeds even if such were to the exclusion of the defaulting mortgagor

The Authority is hereby given a first priority lien, second only to the First Purchase Money Mortgagee and any taxes or public assessments by a duly authorized governmental body, equal to the full amount of such excess funds This obligation of the defaulting mortgagor to pay the full amount of excess funds to the Authority shall be deemed to be a personal obligation of the Owner of record at time of the Foreclosure sale surviving such sale The Authority shall be empowered to enforce the obligation of the defaulting mortgagor in any appropriate court of law or equity as though same were a personal contractual obligation of the defaulting mortgagor Neither the First Purchase Money Mortgagee nor the purchaser at the Foreclosure sale shall be responsible or liable to the Authority for any portion of this excess

No part of the excess funds, however, shall be part of the defaulting mortgagor's equity.

The defaulting mortgagor's equity shall be determined to be the difference between the maximum permitted Resale Price of the Affordable Housing unit as of the date of the Foreclosure sale as calculated in accordance with this Agreement and the total of the following sums First Purchase Money Mortgage, prior liens, costs of Foreclosure, assessments, property taxes, and other liens which may have been attached against the unit prior to Foreclosure, provided such total is less than the maximum permitted Resale Price

If there are Owner's equity sums to which the defaulting mortgagor is properly entitled, such sums shall be turned over to the defaulting mortgagor or placed in an escrow account for the defaulting mortgagor if the defaulting mortgagor cannot be located The First Purchase Money Mortgagee shall hold such funds in escrow for a period of two years or until such earlier time as the defaulting mortgagor shall make a claim for such At the end of two years, if unclaimed, such funds, including any accrued interest, shall become the property of the Authority to the exclusion of any other creditors who may have claims against the defaulting mortgagor

Nothing shall preclude the municipality wherein the Affordable Housing unit is located from acquiring an affordable property prior to foreclosure sale at a negotiated price not to exceed the maximum Resale Price and holding, renting or conveying it to a Certified Household if such right is exercised within 90 days after the property is listed for sale and all outstanding obligations to the First Purchase Money Mortgagee are satisfied.

X VIOLATION, DEFAULTS AND REMEDIES

In the event of a threatened breach of any of the terms of this agreement by an Owner, the Authority shall have all remedies provided at law or equity, including the right to seek injunctive relief or specific performance, it being recognized by both parties to this Agreement that a breach will cause irreparable harm to the Authority, in light of the public policies set forth in the Fair Housing Act and the obligation for the provision of low and moderate income housing Upon the occurrence of a breach of any of the terms of the Agreement by an Owner, the Authority shall have all remedies provided at law or equity, including but not limited to foreclosure, acceleration of all sums due under the mortgage, recoupment of any funds from a sale in violation of the Agreement, injunctive relief to prevent further violation of the Agreement, entry on the premises, and specific performance

XI RIGHT TO ASSIGN

The Authority may assign from time to time its rights, and delegate its obligations hereunder without the consent of the Owner Upon such assignment, the Authority, its successors or assigns shall provide written notice to the Owner

XII INTERPRETATION OF THIS AGREEMENT

The terms of this Agreement shall be interpreted so as to avoid financial speculation or

circumvention of the purposes of the Fair Housing Act for the duration of this Agreement and to ensure, to the greatest extent possible, that the purchase price, mortgage payments and rents of designated Affordable Housing units remain affordable to Low and Moderate Income-Eligible Households as defined herein

Article 1. Consideration and Conveyance

In return for payment to the Grantor by the Grantee of Ninety Five thousand, seventy seven dollars ($95,077.00), the receipt of which is hereby acknowledged by the Grantor, the Grantor hereby grants and conveys to the Grantee all of the land and improvements thereon as is more specifically described in Article 2, hereof (the Property).

Article 2. Description of Property

Article 3. Grantor's Covenant

The Grantor hereby covenants and affirms that Grantor has taken no action to encumber the Property.

Consistent with the Regulations, the following covenants (the "Covenants") shall run with the land for the period of time commencing upon the earlier of (a) the date hereof or (b) the prior commencement of the "Control Period", as that term is defined in the Regulations, and terminating upon the expiration of the Control Period as provided in the Regulations.

D. The owner of the Property shall at all times maintain the Property as his or her principal place of residence.

E. Except as set forth in F. below, at no time shall the owner of the Property lease or rent the Property to any person or persons, except on a short-term hardship basis as approved in advance and in writing by the Administrative Agent.

H. The affordable housing covenants, declarations and restrictions implemented by this Declaration and by incorporation, N.J.A.C. 5:80-26.1 *et seq.*, shall remain in effect despite the entry and enforcement of any judgment of foreclosure with respect to the Affordable Unit so long as the Affordable Unit remains subject to the affordability controls being implemented by this Declaration;

I. The Affordable Units are subject to a 30 year affordability control period that commenced on the date of first conveyance of title, which is September 30, 2002, of this Affordable Unit governed by this Declaration to a certified affordable purchaser who has executed the documents required by N.J.S.A. 5:80-26.1 et seq.

Article 5. Remedies for Breach of Affordable Housing Covenants

A breach of the Covenants will cause irreparable harm to the Administrative Agent and to the public, in light of the public policies set forth in the New Jersey Fair Housing Act, the Uniform Housing Affordability Control rules found at N.J.A.C. 5:80-26, and the obligation for the provision of low and moderate-income housing. Article 3. Grantor's Covenant

The Grantor hereby covenants and affirms that Grantor has taken no action to encumber the Property.

Article 4. Affordable Housing Covenants

Sale and use of the Property is governed by regulations known as the Uniform Housing Affordability Controls, which are found in New Jersey Administrative Code at Title 5, chapter 80, subchapter 26 (N.J.A.C. 5:80-26.1, *et seq*, the "Regulations"). Consistent with the Regulations, the following covenants (the "Covenants") shall run with the land for the period of time commencing upon the earlier of (a) the date hereof or (b) the prior commencement of the "Control Period", as that term is defined in the Regulations, and terminating upon the expiration of the Control Period as provided in the Regulations.

A. The Property may be conveyed only to a household who has been approved in advance and in writing by Community Grants, Planning & Housing, LLC, an administrative agent appointed under the Regulations (hereinafter, collectively, the "Administrative Agent").

B. No sale of the Property shall be lawful, unless approved in advance and in writing by the Administrative Agent, and no sale shall be for a consideration greater than maximum permitted price ("Maximum Resale Price", or "MRP") as determined by the Administrative Agent.

C. No refinancing, equity loan, secured letter of credit, or any other mortgage obligation or other debt (collectively, "Debt") secured by the Property, may be incurred except as approved in advance and in writing by the Administrative Agent. At no time shall the Administrative Agent approve any such Debt, if incurring the Debt would make the total of all such Debt exceed Ninety-Five Percent (95%) of the applicable MRP.

D. The owner of the Property shall at all times maintain the Property as his or her principal place of residence.

E. Except as set forth in F, below, at no time shall the owner of the Property lease or rent the Property to any person or persons, except on a short-term hardship basis as approved in advance and in writing by the Administrative Agent.

F. If the Property is a two-family home, the owner shall lease the rental unit only to income-certified low-income households approved in writing by the Administrative Agent, shall charge rent no greater than the maximum permitted rent as determined by the Administrative Agent, and shall submit for written approval of the Administrative Agent copies of all proposed leases prior to having them signed by any proposed tenant.

G. No improvements may be made to the Property that would affect its bedroom configuration, and in any event, no improvement made to the Property will be taken into consideration to increase the MRP, except for improvements approved in advance and in writing by the Administrative Agent;

H. The affordable housing covenants, declarations and restrictions implemented by this Declaration and by incorporation, N.J.A.C. 5:80-26.1 *et seq*., shall remain in effect despite the entry and enforcement of any judgment of foreclosure with respect to the Affordable Unit so long as the Affordable Unit remains subject to the affordability controls being implemented by this Declaration;

I. The Affordable Units are subject to a **30-year** affordability control period that commenced on the date of first conveyance of title, which is **September 30, 2002**, of this Affordable Unit governed by this Declaration to a certified affordable purchaser who has executed the documents required by N.J.S.A. 5:80-26.1 et seq.

Article 5. Remedies for Breach of Affordable Housing Covenants

A breach of the Covenants will cause irreparable harm to the Administrative Agent and to the public, in light of the public policies set forth in the New Jersey Fair Housing Act, the Uniform Housing Affordability Control rules found at N.J.A.C. 5:80-26, and the obligation for the provision of low and moderate-income housing. Accordingly, and as set forth in N.J.A.C. 5:80-26.10A(b):

A. In the event of a threatened breach of any of the Covenants by the Grantee, or any successor in interest or other owner of the Property, the Administrative Agent shall have all remedies provided at law or equity, including the right to seek injunctive relief or specific performance.

B. Upon the occurrence of a breach of any Covenants by the Grantee, or any successor in interest or other owner of the Property, the Administrative Agent shall have all remedies provided at law or equity including but not limited to forfeiture, foreclosure, acceleration of all sums due under any mortgage, recouping of any funds from a sale in violation of the Covenants, diverting of rent proceeds from illegal rentals, injunctive relief to prevent further violation of said Covenants, entry on the premises, those provided under Title 5, Chapter 80, Subchapter 26 of the New Jersey Administrative Code and specific performance.

Article 6. Notice of Resale, Recapture Covenant and 95/5 Purchase Options

A. The owner of the Property is required to notify the Montgomery Township Administrative Agent by certified mail of any intent to sell the property 90 days prior to entering into an agreement for the first non-exempt sale of the Property after the conclusion of the Control Period, as set forth in Section 5:93-9.8(b)(2) of the Substantive Rules of the New Jersey Council On Affordable Housing as in effect at the time the Property was first restricted as part of the Affordable Housing Program.

B. Upon the first such non-exempt sale of the Property, Ninety-Five Percent (95%) of the difference between (i) the actual sale price and (ii) the regulated maximum sales price that would be applicable were the Control Period still in effect, shall be paid at closing to Montgomery Township.

C. Such non-exempt sale is subject to the options provided for in Sections 5:80-26.20 (Option to buy 95/5 units), 5:80-26.21 (Municipal option on 95/5 units), 5:80-26.22 (State option on 95/5 units), 5:80-26.23 (Non-profit option on 95/5 units), 5:80-26.24 (Seller option on 95/5 units), 5:80-26.25 (Municipal rejection of repayment option on 95/5 units) and 5:80-26.26 (Continued application of options to create, rehabilitate or maintain 95/5 units) of the Uniform Housing Affordability Control Rules, found in Title 5, Chapter 80, Subchapter 26, of the New Jersey Administrative Code.

C The Owner of an Affordable Housing unit shall keep the Affordable Housing unit in good repair

D Owners of Affordable Housing units shall pay all taxes, charges, assessments or levies, both public and private, assessed against such unit, or any part thereof, as and when the same become due

E Owners of Affordable Housing units shall notify the Authority in writing no less than ninety (90) days prior to any proposed sale of an intent to sell the property Owners shall not execute any purchase agreement, convey title or otherwise deliver possession of the Affordable Housing unit without the prior written approval of the Authority

F An Owner shall request referrals of eligible households from pre-established referral lists maintained by the Authority

G If the Authority does not refer an eligible household within sixty (60) days of the Notice of Intent to Sell the unit or no Agreement to Purchase the unit has been executed, the Owner may propose a Contract to Purchase the unit to an eligible household not referred through the Authority The proposed Purchaser must complete all required Household Eligibility forms and submit Gross Annual Income Information for verification to the Authority for written certification as an eligible sales transaction

H At resale, all items of property which are permanently affixed to the unit and/or were included when the unit was initially restricted (e g refrigerator, range, washer, dryer, dishwasher, wall to wall carpeting) shall be included in the maximum allowable Resale Price Other items of property may be sold to the Purchaser at a reasonable price that has been approved by the Authority at the time of signing the Agreement to Purchase The purchase of central air conditioning installed subsequent to the initial sale of the unit and not included in the Base Price may be made a condition of the unit resale provided the price has been approved by the Authority Unless otherwise permitted by the Council, the purchase of any property other than central air conditioning shall not be made a condition of the unit resale The Owner and the Purchaser must personally certify at the time of closing that no unapproved transfer of funds for the purpose of selling and receiving property has taken place at Resale

I The Owner shall not permit any lien, other than the First Purchase Money Mortgage, second mortgages approved by the Authority and liens of the Authority to attach and remain on the property for more than sixty (60) days

J If an Affordable Housing unit is part of a condominium, homeowner's or cooperative association, the Owner, in addition to paying any assessments required by the Master Deed of the Condominium or By-laws of an Association, shall further fully comply with all of the terms, covenants or conditions of said Master Deed or By-Laws, as well as fully comply with all terms, conditions and restrictions of this Affordable Housing Agreement

K. The Owner shall have responsibility for fulfilling all requirements in accordance with and subject to any rules and regulations duly promulgated by the Council (N.J.A.C. 5.92-1 et seq.), for determining that a resale transaction is qualified for a Certificate of Exemption. The Owner shall notify the Authority in writing of any proposed Exempt Transaction and supply the necessary documentation to qualify for a Certificate of Exemption. An Exempt Transaction does not terminate the resale restrictions or existing liens and is not considered a certified sales transaction in calculating subsequent resale prices. A Certificate of Exemption shall be filed with the deed at the time of title transfer.

L. The Owner shall have responsibility for fulfilling all requirements in accordance with and subject to any rules and regulations duly promulgated by the Council (N.J.A.C. 5.92-1 et seq.), for determining that a resale transaction is qualified for a Hardship Waiver. The Owner may submit a written request for a Hardship Waiver if no Certified Household has executed an agreement to purchase within ninety (90) days of notification of an approved resale price and referral of potential purchasers. Prior to issuing a Hardship Waiver, the Municipality shall have 30 days in which to sign an agreement to purchase the unit at the approved resale price and subsequently rent or convey it to a Certified Household. The Municipality may transfer this option to the Department, the Agency, or a qualified non-profit organization as determined by the Council. For approval of a Hardship Waiver, an Owner must document efforts to sell the unit to an income eligible household. If the waiver is granted, the Owner may offer a low income unit to a moderate income household or a moderate income unit to a household whose income exceeds 80% of the applicable median income guide. The Hardship Waiver shall be filed with the deed at the time of closing and is only valid for the designated resale transaction. It does not affect the resale price. All future resales are subject to all restrictions stated herein.

M. The Owner shall be obligated to pay a reasonable service fee to the Authority at the time of closing and transfer of title in the amount specified by the Authority at the time a restricted resale price has been determined after receipt of a Notice of Intent to Sell. Such fee shall not be included in the calculation of the maximum resale price.

IX. FORECLOSURE

The terms and restrictions of this Agreement shall be subordinated only to the First Purchase Money Mortgage lien on the Affordable Housing property and in no way shall impair the First Purchase Money Mortgagee's ability to exercise the contract remedies available to it in the event of any default of such mortgage as such remedies are set forth in the First Purchase Money Mortgage documents for the Affordable Housing unit.

Any Affordable Housing owner-occupied property that is acquired by a First Purchase Money Mortgagee by Deed in lieu of Foreclosure, or by a Purchaser at a Foreclosure sale conducted by the holder of the First Purchase Money Mortgagee shall be permanently released from the restrictions and covenants of this Affordable Housing Agreement. All resale restrictions shall cease to be effective as of the date of transfer of title pursuant to Foreclosure with regard to the First Purchase Money Mortgagee, a lender in the secondary mortgage market including but not limited to the FNMA, Federal Home Loan Mortgage Corporation, GNMA, or an entity acting on their behalf and all subsequent purchasers, Owners and mortgagees of that particular Affordable Housing unit (except for the defaulting mortgagor, who shall be forever subject to the resale restrictions of this Agreement with respect to the Affordable Housing unit owned by such defaulting mortgagor at time of the Foreclosure sale).

Upon a judgment of Foreclosure, the Authority shall execute a document to be recorded in the county recording office as evidence that such Affordable Housing unit has been forever released from the restrictions of this Agreement. Execution of foreclosure sales by any other class of creditor or mortgagee shall not result in a release of the Affordable Housing unit from the provisions and restrictions of this Agreement.

In the event of a Foreclosure sale by the First Purchase Mortgagee, the defaulting mortgagor shall be personally obligated to pay to the Authority any excess funds generated from such Foreclosure sale. For purposes of this agreement, excess funds shall be the total amount paid to the sheriff by reason of the Foreclosure sale in excess of the greater of (1) the maximum permissible Resale Price of the Affordable Housing unit as of the date of the Foreclosure sale

pursuant to the rules and guidelines of the Authority and (2) the amount required to pay and satisfy the First Money Mortgage, including the costs of Foreclosure plus any second mortgages approved by the Authority in accordance with this Agreement The amount of excess funds shall also include all payments to any junior creditors out of the Foreclosure sale proceeds even if such were to the exclusion of the defaulting mortgagor

The Authority is hereby given a first priority lien, second only to the First Purchase Money Mortgagee and any taxes or public assessments by a duly authorized governmental body, equal to the full amount of such excess funds This obligation of the defaulting mortgagor to pay the full amount of excess funds to the Authority shall be deemed to be a personal obligation of the Owner of record at time of the Foreclosure sale surviving such sale The Authority shall be empowered to enforce the obligation of the defaulting mortgagor in any appropriate court of law or equity as though same were a personal contractual obligation of the defaulting mortgagor Neither the First Purchase Money Mortgagee nor the purchaser at the Foreclosure sale shall be responsible or liable to the Authority for any portion of this excess

No part of the excess funds, however, shall be part of the defaulting mortgagor's equity

The defaulting mortgagor's equity shall be determined to be the difference between the maximum permitted Resale Price of the Affordable Housing unit as of the date of the Foreclosure sale as calculated in accordance with this Agreement and the total of the following sums First Purchase Money Mortgage, prior liens, costs of Foreclosure, assessments, property taxes, and other liens which may have been attached against the unit prior to Foreclosure, provided such total is less than the maximum permitted Resale Price

If there are Owner's equity sums to which the defaulting mortgagor is properly entitled, such sums shall be turned over to the defaulting mortgagor or placed in an escrow account for the defaulting mortgagor if the defaulting mortgagor cannot be located. The First Purchase Money Mortgagee shall hold such funds in escrow for a period of two years or until such earlier time as the defaulting mortgagor shall make a claim for such At the end of two years, if unclaimed, such funds, including any accrued interest, shall become the property of the Authority to the exclusion of any other creditors who may have claims against the defaulting mortgagor

Nothing shall preclude the municipality wherein the Affordable Housing unit is located from acquiring an affordable property prior to foreclosure sale at a negotiated price not to exceed the maximum Resale Price and holding, renting or conveying it to a Certified Household if such right is exercised within 90 days after the property is listed for sale and all outstanding obligations to the First Purchase Money Mortgagee are satisfied

X VIOLATION, DEFAULTS AND REMEDIES

In the event of a threatened breach of any of the terms of this agreement by an Owner, the Authority shall have all remedies provided at law or equity, including the right to seek injunctive relief or specific performance, it being recognized by both parties to this Agreement that a breach will cause irreparable harm to the Authority, in light of the public policies set forth in the Fair Housing Act and the obligation for the provision of low and moderate income housing Upon the occurrence of a breach of any of the terms of the Agreement by an Owner, the Authority shall have all remedies provided at law or equity, including but not limited to foreclosure, acceleration of all sums due under the mortgage, recoupment of any funds from a sale in violation of the Agreement, injunctive relief to prevent further violation of the Agreement, entry on the premises, and specific performance

XI RIGHT TO ASSIGN

The Authority may assign from time to time its rights, and delegate its obligations hereunder without the consent of the Owner Upon such assignment, the Authority, its successors or assigns shall provide written notice to the Owner

AFFORDABLE HOUSING AGREEMENT
Contains Deed Restrictions

Prepared by: Dollie Delia Ventura

A DECLARATION OF COVENANTS, CONDITIONS AND RESTRICTIONS

Pursuant to the transfer of ownership of an affordable housing unit for the price of $ 165,317.00, this AGREEMENT is entered into on this 16th day of October, 2006, between **Tina M. Espino**, owner of the properties designated in Section II PROPERTY DESCRIPTION, hereafter "OWNER", and **The Somerset County Coalition on Affordable Housing (SCCOAH)**, hereafter "AUTHORITY", or **The Township of Montgomery**, MUNICIPALITY", both parties having agreed that the covenants, conditions and restrictions contained herein shall be imposed on the affordable housing unit described in Section II PROPERTY DESCRIPTION for a period of at least thirty (30) years beginning on **September 30, 2002,** and ending at the first non-exempt transfer of title after **September 30, 2032** unless extended by municipal resolution as described in Section III TERM OF RESTRICTION.

WHEREAS, municipalities within the State of New Jersey are required by the Fair Housing Act (P.L. 1985, c. 222) hereinafter "Act", to provide their fair share of housing that is affordable to households with low or moderate incomes in accordance with provisions of the Act; and

WHEREAS, the Act requires that municipalities ensure that such designated housing remains affordable to low and moderate income households for a minimum period of at least 6 years; and

WHEREAS, the Act establishes the Council on Affordable Housing (hereinafter "Council") to assist municipalities in determining a realistic opportunity for the planning and development of such affordable housing; and

WHEREAS, pursuant to the Act, the housing unit (units) described in Section II PROPERTY DESCRIPTION hereafter and/or an attached Exhibit A of this Agreement has (have) been designated as low and moderate income housing as defined by the Act; and

WHEREAS, the purpose of this Agreement is to ensure that the described housing units (unit) remain(s) affordable to low and moderate eligible households for that period of time described in Section III TERM OF RESTRICTION.

NOW, THEREFORE, it is the intent of this Agreement to ensure that the affordability controls are contained directly in the property deed for the premises and incorporated into and recorded with the property deed so as to bind the owner of the described premises and notify all future purchasers of the housing unit that the housing unit is encumbered with affordability controls; and by entering into this Agreement, the owner of the described premises agrees to restrict the sale of the housing unit to low and moderate income eligible households at a maximum resale price determined by the Authority for the specified period of time.

I. DEFINITIONS

For purposes of this Agreement, the following terms shall be defined as follows:

"Affordable Housing" shall mean residential units that have been restricted for occupancy by households whose total gross annual income is measured at less than 80% of the median income level established by an authorized income guideline for geographic region and family size.

"Agency" shall mean the New Jersey Housing and Mortgage Finance Agency established by L. 1983, c.530 (C.55:14K-1 et seq.).

"Agreement" shall mean this written Affordable Housing Agreement between the Authority and the owner of an affordable housing unit which places restrictions on affordable housing units so that they remain affordable to and occupied by low and moderate income-eligible households for the period of time specified in this Agreement.

"Authority" shall mean the administrative organization designated by municipal ordinance for the purpose of monitoring the occupancy and resale restrictions contained in this Affordable Housing Agreement. The Authority shall

"Base Price" shall mean the initial sales price of a unit produced for or designated as owner-occupied affordable housing.

"Certified Household" shall mean any eligible household whose estimated total gross annual income has been verified, whose financial references have been approved and who has received written certification as a low or moderate income-eligible household from the Authority.

"Council" shall mean the Council on Affordable Housing (COAH) established pursuant to the Fair Housing Act, N.J.S.A. 52:27D-301 et seq.

"Department" shall mean the New Jersey State Department of Community Affairs.

"Exempt Transaction" shall mean the following "non-sales" title transactions: (1) Transfer of ownership between husband and wife; (2) Transfer of ownership between former spouses ordered as a result of a judicial decree of divorce or judicial separation (but not including sales to third parties); (3) Transfer of ownership through an executor's deed to a Class A Beneficiary; and, (4) Transfer of ownership by court order. All other title transfers shall be deemed non-exempt.

"Fair Market Price" shall mean the unrestricted price of a low or moderate-income housing unit if sold at a current real estate market rate.

"First Purchase Money Mortgage" shall mean the most senior mortgage lien to secure repayment of funds for the purchase of an affordable housing unit providing that such mortgage is not in excess of the applicable maximum allowable resale price and is payable to a valid first purchase money mortgagee.

"First Purchase Money Mortgagee" shall mean an institutional lender or investor, licensed or regulated by the Federal or a state government or any agency thereof, which is the holder and/or assigns of the first money mortgage.

"Foreclosure" shall mean the termination through legal processes of all rights of the mortgagor or the mortgagor's heirs, successors, assignees or grantees in a restricted affordable housing unit covered by a recorded mortgage.

"Gross Annual Income" shall mean the total amount of all sources of a household's income including, but not limited to salary, wages, interest, tips, dividends, alimony, pensions, social security, business and capital gains, tips and welfare benefits. Generally, gross annual income will be based on those sources of income reported to the Internal Revenue Service (IRS) and/or that can be utilized for the purpose of mortgage approval.

"Hardship Waiver" shall mean an approval by the Authority to sell an affordable unit to a household that exceeds the income eligibility criteria after the owner has demonstrated that no certified household has signed an agreement to purchase the unit. The owner shall have marketed the unit for ninety (90) days after a Notice of Intent to Sell has been received by the Authority and the Authority shall have thirty (30) days thereafter to approve a Hardship Waiver. The Hardship Waiver shall permit a low-income unit to be sold to a moderate-income household or a moderate-income unit to be sold to a household whose income is at 80% or above the applicable median income guide. The Hardship Waiver is only valid for a single sale.

"Household" shall mean the person or persons occupying a housing unit.

"Index" shall mean the measured percentage of change in the median income for a household of four by geographic region using the income guideline approved for use by Council.

"Low Income Household" shall mean a household whose total gross annual income is equal to 50% or less of the median gross income figure established by geographic region and household size using the income guideline approved for use by Council.

"Moderate Income Household" shall mean a household whose total gross annual income is equal to more than 50% but less than 80% of the median gross income established by geographic region and household size using the income guideline approved for use by Council.

"Owner" shall mean the title holder of record as same is reflected in the most recently dated and recorded deed for the particular affordable housing unit. For purposes of the initial sales or rentals of any affordable housing unit, owner shall include the developer/owner of such affordable housing units. Owner shall not include any co-signer or co-borrower on any first purchase money mortgage unless such co-signer or co-borrower is also a named title holder of record of such affordable housing unit.

"Price Differential" shall mean the total amount of the restricted sales price that exceeds the maximum restricted resale price as calculated by the index after reasonable real estate broker fees have been deducted. The unrestricted sales price shall be no less than a comparable fair market price as determined by the Authority at the time a Notice of Intent to Sell has been received from the owner.

"Primary Residence" shall mean the unit wherein a certified household maintains continuing residence for no less than nine months of each calendar year.

"Purchaser" shall mean a certified household who has signed an agreement to purchase an affordable housing unit subject to a mortgage commitment and closing.

"Repayment" shall mean the owner's obligation to the municipality for payment of 95% of the price differential between the maximum allowable resale price and the fair market selling price which has accrued to the affordable unit during the restricted period of resale at the first non-exempt sale of the property after restrictions have ended as specified in the Affordable Housing Agreement.

"Repayment Mortgage" shall mean the second mortgage document signed by the owner that is given to the municipality as security for the payment due under the Repayment Note.

"Repayment Note" shall mean the second mortgage note signed by the owner that requires the repayment to the municipality of 95% of the price differential which has accrued to the low or moderate income unit during the period of resale controls at the first non-exempt sale of the property after restrictions have ended as specified in the Affordable Housing Agreement.

"Resale Price" shall mean the base price of a unit designated as owner-occupied affordable housing as adjusted by the index. The resale price may also be adjusted to accommodate an approved home improvement.

"Total Monthly Housing Costs" shall mean the total of the following monthly payments associated with the cost of an owner-occupied affordable housing unit including the mortgage payment (principle, interest, private mortgage insurance), applicable assessments by any homeowners, condominium, or cooperative associations, real estate taxes, and fire, theft and liability insurance.

III. TERM OF RESTRICTION

A. The terms, restrictions and covenants of this Affordable Housing Agreement shall begin on the later of the date a Certificate of Occupancy is issued or the date on which closing and transfer of title takes place for initial ownership.

B. The terms, restrictions and covenants of this Affordable Housing Agreement shall terminate upon the occurrence of either of the following events:

1. At the first non-exempt sale after thirty (30) years from the beginning date established pursuant to Paragraph A above for units located in municipalities receiving state aid pursuant to P.L. 1978, L.14 (N.J.S.A. 52:27D-178 et seq.) that exhibit one of the characteristics delineated in N.J.A.C. 5:92-5.3(b); or at the first non-exempt sale after thirty (30) years from the beginning date established pursuant to Paragraph A above for units located in all other municipalities; or

2. The date upon which the event set forth in Section IX FORECLOSURE herein shall occur.

C. The terms, restrictions and covenants of this Affordable Housing Agreement may be extended by municipal resolution as provided for in N.J.A.C. 5:92.1 et seq. Such municipal resolution shall provide for a period of extended restrictions and shall be effective upon filing with the Council and the Authority. The municipal resolution shall specify the extended time period by providing for a revised ending date. An amendment to the Affordable Housing Agreement shall be filed with the recording office of the county in which the affordable housing unit or units is/are located.

D. At the first non-exempt title transaction after the established ending date, the Authority shall execute a document in recordable form evidencing that the affordable housing unit has been released from the restrictions of this Affordable Housing Agreement.

IV. RESTRICTIONS

A. The owner of an owner-occupied affordable housing unit for sale shall not sell the unit at a resale price greater than an established base price plus the allowable percentage of increase as determined by the index applicable to the municipality in which the unit is located. However, in no event shall the approved resale price be established at a lower level than the last recorded purchase price.

B. The owner shall not sell the affordable housing unit to anyone other than a purchaser who has been certified utilizing the income verification procedures established by the Authority to determine qualified low and moderate income-eligible households.

C. An owner wishing to enter a transaction that will terminate controls as specified heretofore in Section III TERMS OF RESTRICTION shall be obligated to provide a Notice of Intent to Sell to the Authority and the Council. An option to buy the unit at the maximum restricted sales price as calculated by the Index shall be made available to the municipality, the Department, the Agency, or a qualified non-profit organization as determined by the Council for a period of ninety (90) days from the date of delivery of the Notice of Intent to Sell. The option to buy shall be by certified mail and shall be effective on the date of mailing to the owner.

1. If the option to buy is not exercised within ninety (90) days pursuant to Paragraph C above, the owner may elect to sell the unit to a certified income-eligible household at the maximum restricted sales price as calculated by the index provided the unit continues to be restricted by an Affordable Housing Agreement and a Repayment Note for a period of up to thirty (30) years.

2. Alternately, the owner may also elect to sell to any purchaser at a fair market price. In this event, the owner shall be obligated to pay the municipality 95% of the price differential generated at the time of closing and transfer of title of the affordable housing unit after restrictions have ended as specified heretofore in Section III TERM OF RESTRICTION.

3. If the owner does not sell the unit within one (1) year of the date of delivery of the Notice of Intent to Sell, the option to buy shall be restored to the municipality and subsequently to the Department, the Agency or a non-profit approved by the Council. The owner shall then be required to submit a new Notice of Intent to Sell the affordable unit to the Authority.

D. The affordable housing unit shall be sold in accordance with all rules, regulations, and requirements duly promulgated by the Council (N.J.A.C. 5:92-1 et seq.), the intent of which is to ensure that the affordable housing unit remains affordable to and occupied by low and moderate income-eligible households throughout the duration of this Agreement.

V. REQUIREMENTS

A. This Agreement shall be recorded with the recording office of the county in which the affordable housing unit or units are located. The Agreement shall be filed no earlier than the recording of an applicable master deed and no later than the closing date of the initial sale.

B. When a single Agreement is used to govern more than one affordable housing unit, the Agreement shall contain a description of each affordable housing unit governed by the Agreement as described in Section II PROPERTY DESCRIPTION and/or Exhibit A of the Agreement and an ending date to be imposed on the unit as described in Section III TERM OF RESTRICTION of the Agreement.

C. A Repayment Mortgage and a Repayment Note shall be executed between the owner and the municipality wherein the unit(s) is (are) located at the time of closing and transfer of title to any purchaser of an affordable housing unit. The Repayment Mortgage shall provide for the repayment of 95% of the price differential at the first non-exempt transfer of title after the ending date of restrictions as specified in Section III TERM OF RESTRICTION. The Repayment Mortgage shall be recorded with the records office of the county in which the unit is located.

VI. DEEDS OF CONVEYANCE AND LEASE PROVISIONS

All Deeds of Conveyance and Contracts to Purchase from all owners to certified purchasers of affordable housing units shall include the following clause in a conspicuous place.

> "The owner's rights, title and interest in this unit and the use, sale, resale and rental of this property are subject to the terms, conditions, restrictions, limitations and provisions as set forth in the AFFORDABLE HOUSING AGREEMENT which is filed concurrently with this deed in the Office of the County Clerk of Somerset County and is also on file with the Authority."

Any master deed that includes an affordable housing unit shall also reference the affordable unit and the Affordable Housing Agreement and any variation in services, fees, or other terms of the master deed that differentiates the affordable unit from all other units covered in the master deed.

VII. COVENANTS RUNNING WITH LAND

The provisions of this Affordable Housing Agreement shall constitute covenants running with the land with respect to each affordable housing unit affected hereby, and shall bind all purchasers and owners of each affordable housing unit, their heirs, assigns and all persons claiming by, through or under their heirs, executors, administrators and assigns for the duration of this Agreement as set forth herein.

VIII. OWNER RESPONSIBILITIES

In addition to fully complying with the terms and provisions of this Affordable Housing Agreement, the owner acknowledges the following responsibilities:

A. Affordable housing units shall at all times remain the primary residence of the owner. The owner shall not rent any affordable housing unit to any party whether or not that party qualifies as a low or moderate income household without prior written approval from the Authority.

B. All home improvements made to an affordable housing unit shall be at the owner's expense except that expenditures for any alteration that allows a unit to be resold to a larger household size because of an increased capacity for occupancy shall be considered for a recalculation of base price. Owners must obtain prior approval for such alteration from the Authority to qualify for this recalculation.

C. The owner of an affordable housing unit shall keep the affordable housing unit in good repair.

D. Owners of affordable housing units shall pay all taxes, charges, assessments or levies, both public and private, assessed against such unit, or any part thereof, as and when the same become due.

E. Owners of affordable housing units shall notify the Authority in writing no less than ninety (90) days prior to any proposed sale of an intent to sell the property. Owners shall not execute any purchase agreement, convey title or otherwise deliver possession of the affordable housing unit without the prior written approval of the Authority.

F. An owner shall request referrals of eligible households from pre-established referral lists maintained by the Authority.

G. If the Authority does not refer a certified household within sixty (60) days of the Notice of Intent to Sell the unit or no Agreement to Purchase the unit has been executed, the owner may propose a Contract to Purchase the unit to an income eligible household not referred through the Authority. The proposed purchaser must complete all required household eligibility forms and submit gross annual income information for verification to the Authority for written certification as an eligible sales transaction.

H. At resale, all items of property which are permanently affixed to the unit and/or were included when the unit was originally restricted (e.g. refrigerator, range, washer, dryer, dishwasher, wall to wall carpeting) shall be included in the maximum allowable resale price. Other items of property may be sold to the purchaser at a reasonable price that has been approved by the Authority at the time of signing the Agreement to Purchase. The purchase of central air conditioning installed subsequent to the initial sale of the unit and not included in the base price may be made a condition of the unit resale provided the price has been approved by the Authority. Unless otherwise permitted by the Council, the purchase of any property other than central air conditioning shall not be made a condition of the unit resale. The owner and the purchaser must personally certify at the time of closing that no unapproved transfer of funds for the purpose of selling and receiving property has taken place at resale.

I. The owner shall not permit any lien, other than the first purchase money mortgage, second mortgages approved by the Authority and liens of the Authority to attach and remain on the property for more than sixty (60) days.

J. If an affordable housing unit is part of a condominium, homeowner's or cooperative association, the owner, in addition to paying any assessments required by the master deed of the condominium or by-laws of an association, shall further fully comply with all of the terms, covenants or conditions of said master deed or by-laws, as well as fully comply with all terms, conditions and restrictions of this Affordable Housing Agreement.

K. The owner shall have responsibility for fulfilling all requirements in accordance with and subject to any rules and regulations duly promulgated by the Council (N.J.A.C. 5:93), for determining that a resale transaction is qualified for a Certificate of Exemption. The owner shall notify the Authority in writing of any proposed exemption transaction and supply the necessary documentation to qualify for a Certificate of Exemption. An exempt transaction does not terminate the resale restrictions or existing liens and is not considered a certified sales transaction in calculating subsequent resale prices. A Certificate of Exemption shall be filed with the deed at the time of the title transfer.

L. The owner shall have responsibility for fulfilling all requirements in accordance with and subject to any rules regulations duly promulgated by the Council (N.J.A.C. 5:93), for determining that a resale transaction is qualified for a Hardship Waiver. The owner may submit a written request for a Hardship Waiver, if no certified household has executed an agreement to purchase within ninety (90) days of notification of an approved resale price and referral of potential purchasers. Prior to issuing a Hardship Waiver, the municipality shall have thirty (30) days in which to sign

an agreement to purchase the unit at the approved resale price and subsequently rent or convey it to a certified household. The municipality may transfer this option to the Department, the Agency, or a qualified non-profit organization as determined by the Council. For approval of a Hardship Waiver, an owner must document efforts to sell the unit to an income eligible household. If the waiver is granted, the owner may offer a low income unit to a moderate income household or a moderate income unit to a household whose income exceeds 80% of the applicable median income guide. The Hardship Waiver shall be filed with the deed at the time of closing and is only valid for the designated resale transaction. It does not affect the resale price. All future resales are subject to all restrictions stated herein.

M. The owner shall be obligated to pay a reasonable service fee to the Authority at the time of closing and transfer of title in the amount specified by the Authority at the time a restricted resale price has been determined after receipt of a Notice of Intent to Sell. Such fee shall not be included in the calculation of the maximum resale price.

IX. FORECLOSURE

The terms and restrictions of this Agreement shall be subordinate only to the first purchase money mortgage lien on the affordable housing property and in no way shall impair the first purchase money mortgagee's ability to exercise the contract remedies available to it in the event of any default of such mortgage as such remedies are set forth in the first purchase money mortgage documents for the affordable housing unit.

Any affordable housing owner-occupied property that is acquired by a first purchase money mortgagee by deed in lieu of foreclosure, or by a purchaser at a foreclosure sale conducted by the holder of the first purchase money mortgagee shall be permanently released from the restrictions and covenants of this Affordable Housing Agreement. All resale restrictions shall cease to be effective as of the date of transfer of title pursuant to foreclosure with regard to the first purchase money mortgagee, a lender in the secondary mortgage market including but not limited to the FNMA, Federal Home Loan Mortgage Corporation, GNMA, or an entity acting on their behalf and all subsequent purchasers, owners and mortgagees of that particular affordable housing unit (except for the defaulting mortgagor, who shall be forever subject to the resale restrictions of this Agreement with respect to the affordable housing unit owned by such defaulting mortgagor at the time of the foreclosure sale).

Upon a judgement of foreclosure, the Authority shall execute a document to be recorded in the county recording office as evidence that such affordable housing unit has been forever released from the restrictions of this Agreement. Execution of foreclosure sales by any other class of creditor or mortgagee shall not result in a release of the affordable housing unit from the provisions and restrictions of this Agreement.

In the event of a foreclosure sale by the first purchase money mortgagee, the defaulting mortgagor shall be personally obligated to pay to the Authority any excess funds generated from such foreclosure sale. For purposes of this Agreement, excess funds shall be the total amount paid to the sheriff by reason of the foreclosure sale in excess of the greater of (1) the maximum permissible resale price of the affordable housing unit as of the date of the foreclosure sale pursuant to the rules and guidelines of the Authority and (2) the amount required to pay and satisfy the first money mortgage, including the costs of foreclosure plus any second mortgages approved by the Authority in accordance with this Agreement. The amount of excess funds shall also include all payments to any junior creditors out of the foreclosure sale proceeds even if such were to the exclusion of the defaulting mortgagor.

The Authority is hereby given a first priority lien, second only to the first purchase mortgagee and any taxes or public assessments by a duly authorized governmental body, equal to the full amount of such excess funds. This obligation of the defaulting mortgagor to pay the full amount of excess funds to the Authority shall be deemed to be a personal obligation of the owner of record at the time of the foreclosure sale surviving such sale. The Authority shall be empowered to enforce the obligation of the defaulting mortgagor in any appropriate court of law or equity as though same were a personal contractual obligation of the defaulting mortgagor. Neither the first purchase money mortgagee nor the purchaser at the foreclosure sale shall be responsible or liable to the Authority for any portion of this excess.

No part of the excess funds, however, shall be part of the defaulting mortgagor's equity.

The defaulting mortgagor's equity shall be determined to be the difference between the maximum permitted resale price of the affordable housing unit as of the date of the foreclosure sale as calculated in accordance with this Agreement and the total of the following sums: first purchase money mortgage, prior liens, costs of foreclosure, assessments, property taxes, and other liens which may have been attached against the unit prior to foreclosure, provided such total is less than the maximum permitted resale price.

If there are owner's equity sums to which the defaulting mortgagor is properly entitled, such sums shall be turned over to the defaulting mortgagor or placed in an escrow account for the defaulting mortgagor if the defaulting mortgagor cannot be located. The first purchase money mortgagee shall hold such funds in escrow for a period of two years or until such earlier time as the defaulting mortgagor shall make a claim for such. At the end of two years, if unclaimed, such funds, including any accrued interest, shall become the property of the Authority to the exclusion of any other creditors who may have claims against the defaulting mortgagor.

Nothing shall preclude the municipality wherein the affordable housing unit is located from acquiring an affordable property prior to foreclosure sale at the approved maximum resale price, and holding, renting or conveying it to a certified household if such right is exercised within ninety (90) days after the property is listed for sale and all outstanding obligations to the first purchase money mortgagee are satisfied.

X. VIOLATION, DEFAULTS AND REMEDIES

In the event of a threatened breach of any of the terms of this Agreement by an owner, the Authority shall have all remedies provided at law or equity, including the right to seek injunctive relief or specific performance, it being recognized by both parties to this Agreement that a breach will cause irreparable harm to the Authority, in light of the public policies set forth in the Fair Housing Act and the obligation for the provision of low and moderate income housing. Upon the occurrence of a breach of any of the terms of the Agreement by the owner, the Authority shall have all remedies provided at law or equity including but not limited to foreclosure, acceleration of all sums due under the mortgage, recoupment of any funds from a sale in violation of the Agreement, injunctive relief to prevent further violation of the Agreement, entry on the premises, and specific performance.

XI. RIGHT TO ASSIGN

The Authority may assign from time to time its rights, and delegate its obligations hereunder without the consent of the owner. Upon such assignment, the Authority, its successors or assigns shall provide written notice to the owner.

XII. INTERPRETATION OF THIS AGREEMENT

The terms of this Agreement shall be interpreted so as to avoid financial speculation or circumvention of the purposes of the Fair Housing Act for the duration of this Agreement and to ensure, to the greatest extent possible, that the purchase price, mortgage payments and rents of designated affordable housing units remain affordable to low and moderate income-eligible households as defined herein.

It is the intention of all parties that the provisions of this instrument are severable so that if any provisions, conditions, covenants or restrictions thereof shall be invalid or void under any applicable federal, state or local law, the remainder shall be unaffected thereby.

Sale and use of the Property is governed by regulations known as the Uniform Housing Affordability Controls, which are found in New Jersey Administrative Code at Title 5, chapter 80, subchapter 26 (N.J.A.C. 5:80-26.1, *et seq*, the "Regulations"). Consistent with the Regulations, the following covenants (the "Covenants") shall run with the land for the period of time commencing upon the earlier of (a) the date hereof or (b) the prior commencement of the "Control Period", as that term is defined in the Regulations, and terminating upon the expiration of the Control Period as provided in the Regulations.

A. The Property may be conveyed only to a household who has been approved in advance and in writing by Community Grants, Planning & Housing, LLC, an administrative agent appointed under the Regulations (hereinafter, collectively, the "Administrative Agent").

I. The Affordable Units are subject to a 30 year affordability control period that commenced on the date of first conveyance of title, which is September 30, 2032, of this Affordable Unit governed by this Declaration to a certified affordable purchaser who has executed the documents required by N.J.S.A. 5:80-26.1 et seq.

Accordingly, and as set forth in N.J.A.C. 5:80-26:10A(b):

A. In the event of a threatened breach of any of the Covenants by the Grantee, or any successor in interest or other owner of the Property, the Administrative Agent shall have all remedies provided at law or equity, including the right to seek injunctive relief or specific performance.

IX FORECLOSURE

The terms and restrictions of this Agreement shall be subordinated only to the First Purchase Money Mortgage lien on the Affordable Housing property and in no way shall impair the First Purchase Money Mortgagee's ability to exercise the contract remedies available to it in the event of any default of such mortgage as such remedies are set forth in the First Purchase Money Mortgage documents for the Affordable Housing unit

Any Affordable Housing owner-occupied property that is acquired by a First Purchase Money Mortgagee by Deed in lieu of Foreclosure, or by a Purchaser at a Foreclosure sale conducted by the holder of the First Purchase Money Mortgagee shall be permanently released from the restrictions and covenants of this Affordable Housing Agreement. All resale restrictions shall cease to be effective as of the date of transfer of title pursuant to Foreclosure with regard to the First Purchase Money Mortgagee, a lender in the secondary mortgage market including but not limited to the FNMA, Federal Home Loan Mortgage Corporation, GNMA, or an entity acting on their behalf and all subsequent purchasers, Owners and mortgagees of that particular Affordable Housing unit (except for the defaulting mortgagor, who shall be forever subject to the resale restrictions of this Agreement with respect to the Affordable Housing unit owned by such defaulting mortgagor at time of the Foreclosure sale)

Upon a judgment of Foreclosure, the Authority shall execute a document to be recorded in the county recording office as evidence that such Affordable Housing unit has been forever released from the restrictions of this Agreement Execution of foreclosure sales by any other class of creditor or mortgagee shall not result in a release of the Affordable Housing unit from the provisions and restrictions of this Agreement

In the event of a Foreclosure sale by the First Purchase Mortgagee, the defaulting mortgagor shall be personally obligated to pay to the Authority any excess funds generated from such Foreclosure sale For purposes of this agreement, excess funds shall be the total amount paid to the sheriff by reason of the Foreclosure sale in excess of the greater of (1) the maximum permissible Resale Price of the Affordable Housing unit as of the date of the Foreclosure sale

pursuant to the rules and guidelines of the Authority and (2) the amount required to pay and satisfy the First Money Mortgage, including the costs of Foreclosure plus any second mortgages approved by the Authority in accordance with this Agreement The amount of excess funds shall also include all payments to any junior creditors out of the Foreclosure sale proceeds even if such were to the exclusion of the defaulting mortgagor

The Authority is hereby given a first priority lien, second only to the First Purchase Money Mortgagee and any taxes or public assessments by a duly authorized governmental body, equal to the full amount of such excess funds This obligation of the defaulting mortgagor to pay the full amount of excess funds to the Authority shall be deemed to be a personal obligation of the Owner of record at time of the Foreclosure sale surviving such sale. The Authority shall be empowered to enforce the obligation of the defaulting mortgagor in any appropriate court of law or equity as though same were a personal contractual obligation of the defaulting mortgagor Neither the First Purchase Money Mortgagee nor the purchaser at the Foreclosure sale shall be responsible or liable to the Authority for any portion of this excess.

No part of the excess funds, however, shall be part of the defaulting mortgagor's equity

The defaulting mortgagor's equity shall be determined to be the difference between the maximum permitted Resale Price of the Affordable Housing unit as of the date of the Foreclosure sale as calculated in accordance with this Agreement and the total of the following sums First Purchase Money Mortgage, prior liens, costs of Foreclosure, assessments, property taxes, and other liens which may have been attached against the unit prior to Foreclosure, provided such total is less than the maximum permitted Resale Price

If there are Owner's equity sums to which the defaulting mortgagor is properly entitled, such sums shall be turned over to the defaulting mortgagor or placed in an escrow account for the defaulting mortgagor if the defaulting mortgagor cannot be located The First Purchase Money Mortgagee shall hold such funds in escrow for a period of two years or until such earlier time as the defaulting mortgagor shall make a claim for such At the end of two years, if unclaimed, such funds, including any accrued interest, shall become the property of the Authority to the exclusion of any other creditors who may have claims against the defaulting mortgagor.

D. The Affordable Housing unit shall be sold in accordance with all rules, regulations, and requirements duly promulgated by the Council (N J A C 5 92-1 et seq), the intent of which is to ensure that the Affordable Housing unit remains affordable to and occupied by Low and Moderate Income-Eligible Households throughout the duration of this Agreement

Any Master Deed that includes an Affordable Housing unit shall also reference the affordable unit and the Affordable Housing Agreement and any variation in services, fees, or other terms of the Master Deed that differentiates the affordable unit from all other units covered in the Master Deed

VII COVENANTS RUNNING WITH LAND

The provisions of this Affordable Housing Agreement shall constitute covenants running with the land with respect to each Affordable Housing unit affected hereby, and shall bind all Purchasers and Owners of each Affordable Housing unit, their heirs, assigns and all persons claiming by, through or under their heirs, executors, administrators and assigns for the duration

of this Agreement as set forth herein

VIII OWNER RESPONSIBILITIES

In addition to fully complying with the terms and provisions of this Affordable Housing Agreement, the Owner acknowledges the following responsibilities

A Affordable Housing units shall at all times remain the Primary Residence of the Owner The Owner shall not rent any Affordable Housing unit to any party whether or not that party qualifies as a Low or Moderate income household without prior written approval from the Authority

B All home improvements made to an Affordable Housing unit shall be at the Owner's expense except that expenditures for any alteration that allows a unit to be resold to a larger household size because of increased capacity for occupancy shall be considered for a recalculation of Base Price Owners must obtain prior approval for such alteration from the Authority to qualify for this recalculation

C The Owner of an Affordable Housing unit shall keep the Affordable Housing unit in good repair

D Owners of Affordable Housing units shall pay all taxes, charges, assessments or levies, both public and private, assessed against such unit, or any part thereof, as and when the same become due

E Owners of Affordable Housing units shall notify the Authority in writing no less than ninety (90) days prior to any proposed sale of an intent to sell the property Owners shall not execute any purchase agreement, convey title or otherwise deliver possession of the Affordable Housing unit without the prior written approval of the Authority

F An Owner shall request referrals of eligible households from pre-established referral lists maintained by the Authority

G If the Authority does not refer an eligible household within sixty (60) days of the Notice of Intent to Sell the unit or no Agreement to Purchase the unit has been executed, the Owner may propose a Contract to Purchase the unit to an eligible household not referred through the Authority The proposed Purchaser must complete all required Household Eligibility forms and submit Gross Annual Income Information for verification to the Authority for written certification as an eligible sales transaction

H At resale, all items of property which are permanently affixed to the unit and/or were included when the unit was initially restricted (e g refrigerator, range, washer, dryer, dishwasher, wall to wall carpeting) shall be included in the maximum allowable Resale Price Other items of property may be sold to the Purchaser at a reasonable price that has been approved by the Authority at the time of signing the Agreement to Purchase The purchase of central air conditioning installed subsequent to the initial sale of the unit and not included in the Base Price may be made a condition of the unit resale provided the price has been approved by the Authority Unless otherwise permitted by the Council, the purchase of any property other than central air conditioning shall not be made a condition of the unit resale The Owner and the Purchaser must personally certify at the time of closing that no unapproved transfer of funds for the purpose of selling and receiving property has taken place at Resale

I The Owner shall not permit any lien, other than the First Purchase Money Mortgage, second mortgages approved by the Authority and liens of the Authority to attach and remain on the property for more than sixty (60) days

J If an Affordable Housing unit is part of a condominium, homeowner's or cooperative association, the Owner, in addition to paying any assessments required by the Master Deed of the Condominium or By-laws of an Association, shall further fully comply with all of the terms, covenants or conditions of said Master Deed or By-Laws, as well as fully comply with all terms, conditions and restrictions of this Affordable Housing Agreement

K The Owner shall have responsibility for fulfilling all requirements in accordance with and subject to any rules and regulations duly promulgated by the Council (N.J.A.C. 5:92-1 et seq.), for determining that a resale transaction is qualified for a Certificate of Exemption. The Owner shall notify the Authority in writing of any proposed Exempt Transaction and supply the necessary documentation to qualify for a Certificate of Exemption. An Exempt Transaction does not terminate the resale restrictions or existing liens and is not considered a certified sales transaction in calculating subsequent resale prices. A Certificate of Exemption shall be filed with the deed at the time of title transfer.

L. The Owner shall have responsibility for fulfilling all requirements in accordance with and subject to any rules and regulations duly promulgated by the Council (N.J.A.C. 5:92-1 et seq.), for determining that a resale transaction is qualified for a Hardship Waiver. The Owner may submit a written request for a Hardship Waiver if no Certified Household has executed an agreement to purchase within ninety (90) days of notification of an approved resale price and referral of potential purchasers. Prior to issuing a Hardship Waiver, the Municipality shall have 30 days in which to sign an agreement to purchase the unit at the approved resale price and subsequently rent or convey it to a Certified Household. The Municipality may transfer this option to the Department, the Agency, or a qualified non-profit organization as determined by the Council. For approval of a Hardship Waiver, an Owner must document efforts to sell the unit to an income eligible household. If the waiver is granted, the Owner may offer a low income unit to a moderate income household or a moderate income unit to a household whose income exceeds 80% of the applicable median income guide. The Hardship Waiver shall be filed with the deed at the time of closing and is only valid for the designated resale transaction. It does not affect the resale price. All future resales are subject to all restrictions stated herein.

M. The Owner shall be obligated to pay a reasonable service fee to the Authority at the time of closing and transfer of title in the amount specified by the Authority at the time a restricted resale price has been determined after receipt of a Notice of Intent to Sell. Such fee shall not be included in the calculation of the maximum resale price.

IX. FORECLOSURE

The terms and restrictions of this Agreement shall be subordinated only to the First Purchase Money Mortgage lien on the Affordable Housing property and in no way shall impair the First Purchase Money Mortgagee's ability to exercise the contract remedies available to it in the event of any default of such mortgage as such remedies are set forth in the First Purchase Money Mortgage documents for the Affordable Housing unit.

Any Affordable Housing owner-occupied property that is acquired by a First Purchase Money Mortgagee by Deed in lieu of Foreclosure, or by a Purchaser at a Foreclosure sale conducted by the holder of the First Purchase Money Mortgagee shall be permanently released from the restrictions and covenants of this Affordable Housing Agreement. All resale restrictions shall cease to be effective as of the date of transfer of title pursuant to Foreclosure with regard to the First Purchase Money Mortgagee, a lender in the secondary mortgage market including but not limited to the FNMA, Federal Home Loan Mortgage Corporation, GNMA, or an entity acting on their behalf and all subsequent purchasers, Owners and mortgagees of that particular Affordable Housing unit (except for the defaulting mortgagor, who shall be forever subject to the resale restrictions of this Agreement with respect to the Affordable Housing unit owned by such defaulting mortgagor at time of the Foreclosure sale).

Upon a judgment of Foreclosure, the Authority shall execute a document to be recorded in the county recording office as evidence that such Affordable Housing unit has been forever released from the restrictions of this Agreement. Execution of foreclosure sales by any other class of creditor or mortgagee shall not result in a release of the Affordable Housing unit from the provisions and restrictions of this Agreement.

In the event of a Foreclosure sale by the First Purchase Mortgagee, the defaulting mortgagor shall be personally obligated to pay to the Authority any excess funds generated from such Foreclosure sale. For purposes of this agreement, excess funds shall be the total amount paid to the sheriff by reason of the Foreclosure sale in excess of the greater of (1) the maximum permissible Resale Price of the Affordable Housing unit as of the date of the Foreclosure sale

pursuant to the rules and guidelines of the Authority and (2) the amount required to pay and satisfy the First Money Mortgage, including the costs of Foreclosure plus any second mortgages approved by the Authority in accordance with this Agreement The amount of excess funds shall also include all payments to any junior creditors out of the Foreclosure sale proceeds even if such were to the exclusion of the defaulting mortgagor

The Authority is hereby given a first priority lien, second only to the First Purchase Money Mortgagee and any taxes or public assessments by a duly authorized governmental body, equal to the full amount of such excess funds This obligation of the defaulting mortgagor to pay the full amount of excess funds to the Authority shall be deemed to be a personal obligation of the Owner of record at time of the Foreclosure sale surviving such sale The Authority shall be empowered to enforce the obligation of the defaulting mortgagor in any appropriate court of law or equity as though same were a personal contractual obligation of the defaulting mortgagor Neither the First Purchase Money Mortgagee nor the purchaser at the Foreclosure sale shall be responsible or liable to the Authority for any portion of this excess

No part of the excess funds, however, shall be part of the defaulting mortgagor's equity

The defaulting mortgagor's equity shall be determined to be the difference between the maximum permitted Resale Price of the Affordable Housing unit as of the date of the Foreclosure sale as calculated in accordance with this Agreement and the total of the following sums First Purchase Money Mortgage, prior liens, costs of Foreclosure, assessments, property taxes, and other liens which may have been attached against the unit prior to Foreclosure, provided such total is less than the maximum permitted Resale Price

If there are Owner's equity sums to which the defaulting mortgagor is properly entitled, such sums shall be turned over to the defaulting mortgagor or placed in an escrow account for the defaulting mortgagor if the defaulting mortgagor cannot be located The First Purchase Money Mortgagee shall hold such funds in escrow for a period of two years or until such earlier time as the defaulting mortgagor shall make a claim for such At the end of two years, if unclaimed, such funds, including any accrued interest, shall become the property of the Authority to the exclusion of any other creditors who may have claims against the defaulting mortgagor

Nothing shall preclude the municipality wherein the Affordable Housing unit is located from acquiring an affordable property prior to foreclosure sale at a negotiated price not to exceed the maximum Resale Price and holding, renting or conveying it to a Certified Household if such right is exercised within 90 days after the property is listed for sale and all outstanding obligations to the First Purchase Money Mortgagee are satisfied

X VIOLATION, DEFAULTS AND REMEDIES

In the event of a threatened breach of any of the terms of this agreement by an Owner, the Authority shall have all remedies provided at law or equity, including the right to seek injunctive relief or specific performance, it being recognized by both parties to this Agreement that a breach will cause irreparable harm to the Authority, in light of the public policies set forth in the Fair Housing Act and the obligation for the provision of low and moderate income housing Upon the occurrence of a breach of any of the terms of the Agreement by an Owner, the Authority shall have all remedies provided at law or equity, including but not limited to foreclosure, acceleration of all sums due under the mortgage, recoupment of any funds from a sale in violation of the Agreement, injunctive relief to prevent further violation of the Agreement, entry on the premises, and specific performance

XI RIGHT TO ASSIGN

The Authority may assign from time to time its rights, and delegate its obligations hereunder without the consent of the Owner Upon such assignment, the Authority, its successors or assigns shall provide written notice to the Owner

XII INTERPRETATION OF THIS AGREEMENT

The terms of this Agreement shall be interpreted so as to avoid financial speculation or

circumvention of the purposes of the Fair Housing Act for the duration of this Agreement and to ensure, to the greatest extent possible, that the purchase price, mortgage payments and rents of designated Affordable Housing units remain affordable to Low and Moderate Income-Eligible Households as defined herein.

Article 4. Affordable Housing Covenants

Sale and use of the Property is governed by regulations known as the Uniform Housing Affordability Controls, which are found in New Jersey Administrative Code at Title 5, chapter 80, subchapter 26 (N.J.A.C. 5:80-26.1, *et seq*, the "Regulations"). Consistent with the Regulations, the following covenants (the "Covenants") shall run with the land for the period of time commencing upon the earlier of (a) the date hereof or (b) the prior commencement of the "Control Period", as that term is defined in the Regulations, and terminating upon the expiration of the Control Period as provided in the Regulations.

A. The Property may be conveyed only to a household who has been approved in advance and in writing by Community Grants, Planning & Housing, LLC, an administrative agent appointed under the Regulations (hereinafter, collectively, the "Administrative Agent").

B. No sale of the Property shall be lawful, unless approved in advance and in writing by the Administrative Agent, and no sale shall be for a consideration greater than maximum permitted price ("Maximum Resale Price", or "MRP") as determined by the Administrative Agent.

C. No refinancing, equity loan, secured letter of credit, or any other mortgage obligation or other debt (collectively, "Debt") secured by the Property may be incurred except as approved in advance and in writing by the Administrative Agent. At no time shall the Administrative Agent approve any such Debt, if incurring the Debt would make the total of all such Debt exceed Ninety-Five Percent (95%) of the applicable MRP.

D. The owner of the Property shall at all times maintain the Property as his or her principal place of residence.

E. Except as set forth in F, below, at no time shall the owner of the Property lease or rent the Property to any person or persons, except on a short-term hardship basis as approved in advance and in writing by the Administrative Agent.

F. If the Property is a two-family home, the owner shall lease the rental unit only to income-certified low-income households approved in writing by the Administrative Agent, shall charge rent no greater than the maximum permitted rent as determined by the Administrative Agent, and shall submit for written approval of the Administrative Agent copies of all proposed leases prior to having them signed by any proposed tenant.

G. No improvements may be made to the Property that would affect its bedroom configuration, and in any event, no improvement made to the Property will be taken into consideration to increase the MRP, except for improvements approved in advance and in writing by the Administrative Agent;

H. The affordable housing covenants, declarations and restrictions implemented by this Declaration and by incorporation, N.J.A.C. 5:80-26.1 *et seq.*, shall remain in effect despite the entry and enforcement of any judgment of foreclosure with respect to the Affordable Unit so long as the Affordable Unit remains subject to the affordability controls being implemented by this Declaration;

I. The Affordable Units are subject to a 30 year affordability control period that commenced on the date of first conveyance of title, which is **October 8, 2002**, of this Affordable Unit governed by this Declaration to a certified affordable purchaser who has executed the documents required by N.J.S.A. 5:80-26.1 et seq.

Article 5. Remedies for Breach of Affordable Housing Covenants

A breach of the Covenants will cause irreparable harm to the Administrative Agent and to the public, in light of the public policies set forth in the New Jersey Fair Housing Act, the Uniform Housing Affordability Control rules found at N.J.A.C.

5:80-26, and the obligation for the provision of low and moderate-income housing. Accordingly, and as set forth in N.J.A.C. 5:80-26.10A(b):

A. In the event of a threatened breach of any of the Covenants by the Grantee, or any successor in interest or other owner of the Property, the Administrative Agent shall have all remedies provided at law or equity, including the right to seek injunctive relief or specific performance.

B. Upon the occurrence of a breach of any Covenants by the Grantee, or any successor in interest or other owner of the Property, the Administrative Agent shall have all remedies provided at law or equity including but not limited to forfeiture, foreclosure, acceleration of all sums due under any mortgage, recouping of any funds from a sale in violation of the Covenants, diverting of rent proceeds from illegal rentals, injunctive relief to prevent further violation of said Covenants, entry on the premises, those provided under Title 5, Chapter 80, Subchapter 26 of the New Jersey Administrative Code and specific performance.

Article 6. Notice of Resale, Recapture Covenant and 95/5 Purchase Options

A. The owner of the Property is required to notify the Montgomery Township Administrative Agent and New Jersey Council On Affordable Housing by certified mail of any intent to sell the property 90 days prior to entering into an agreement for the first non-exempt sale of the Property after the conclusion of the Control Period, as set forth in Section 5:93-9.8(b)(2) of the Substantive Rules of the New Jersey Council On Affordable Housing as in effect at the time the Property was first restricted as part of the Affordable Housing Program.

B. Upon the first such non-exempt sale of the Property, Ninety-Five Percent (95%) of the difference between (i) the actual sale price and (ii) the regulated maximum sales price that would be applicable were the Control Period still in effect, shall be paid at closing to the New Jersey Department of Community Affairs, acting as receiving agent for the local municipality.

C. Such non-exempt sale is subject to the options provided for in Sections 5:80-26.20 (Option to buy 95/5 units), 5:80-26.21 (Municipal option on 95/5 units), 5:80-26.22 (State option on 95/5 units), 5:80-26.23 (Non-profit option on 95/5 units), 5:80-26.24 (Seller option on 95/5 units), 5:80-26.25 (Municipal rejection of repayment option on 95/5 units) and 5:80-26.26 (Continued application of options to create, rehabilitate or maintain 95/5 units) of the Uniform Housing Affordability Control Rules, found in Title 5, Chapter 80, Subchapter 26, of the New Jersey Administrative Code.

The terms and restrictions of this Agreement shall be subordinated only to the First Purchase Money Mortgage lien on the Affordable Housing property and in no way shall impair the First Purchase Money Mortgagee's ability to exercise the contract remedies available to it in the event of any default of such mortgage as such remedies are set forth in the First Purchase Money Mortgage documents for the Affordable Housing unit

Any Affordable Housing owner-occupied property that is acquired by a First Purchase Money Mortgagee by Deed in lieu of Foreclosure, or by a Purchaser at a Foreclosure sale conducted by the holder of the First Purchase Money Mortgagee shall be permanently released from the restrictions and covenants of this Affordable Housing Agreement All resale restrictions shall cease to be effective as of the date of transfer of title pursuant to Foreclosure with regard to the First Purchase Money Mortgagee, a lender in the secondary mortgage market including but not limited to the FNMA, Federal Home Loan Mortgage Corporation, GNMA, or an entity acting on their behalf and all subsequent purchasers, Owners and mortgagees of that particular Affordable Housing unit (except for the defaulting mortgagor, who shall be forever subject to the resale restrictions of this Agreement with respect to the Affordable Housing unit owned by such defaulting mortgagor at time of the Foreclosure sale)

Upon a judgment of Foreclosure, the Authority shall execute a document to be recorded in the county recording office as evidence that such Affordable Housing unit has been forever released from the restrictions of this Agreement Execution of foreclosure sales by any other class of creditor or mortgagee shall not result in a release of the Affordable Housing unit from the provisions and restrictions of this Agreement

pursuant to the rules and guidelines of the Authority and (2) the amount required to pay and satisfy the First Money Mortgage, including the costs of Foreclosure plus any second mortgages approved by the Authority in accordance with this Agreement The amount of excess funds shall also include all payments to any junior creditors out of the Foreclosure sale proceeds even if such were to the exclusion of the defaulting mortgagor

The Authority is hereby given a first priority lien, second only to the First Purchase Money Mortgagee and any taxes or public assessments by a duly authorized governmental body, equal to the full amount of such excess funds This obligation of the defaulting mortgagor to pay the full amount of excess funds to the Authority shall be deemed to be a personal obligation of the Owner of record at time of the Foreclosure sale surviving such sale The Authority shall be empowered to enforce the obligation of the defaulting mortgagor in any appropriate court of law or equity as though same were a personal contractual obligation of the defaulting mortgagor Neither the First Purchase Money Mortgagee nor the purchaser at the Foreclosure sale shall be responsible or liable to the Authority for any portion of this excess

No part of the excess funds, however, shall be part of the defaulting mortgagor's equity

The defaulting mortgagor's equity shall be determined to be the difference between the maximum permitted Resale Price of the Affordable Housing unit as of the date of the Foreclosure sale as calculated in accordance with this Agreement and the total of the following sums First Purchase Money Mortgage, prior liens, costs of Foreclosure, assessments, property taxes, and other liens which may have been attached against the unit prior to Foreclosure, provided such total is less than the maximum permitted Resale Price

A Certificate of Exemption shall be filed with the deed at the time of title transfer.

L. The Owner shall have responsibility for fulfilling all requirements in accordance with and subject to any rules and regulations duly promulgated by the Council (N.J.A.C. 5:92-1 et seq.), for determining that a resale transaction is qualified for a Hardship Waiver. If the waiver is granted, the Owner may offer a low income unit to a moderate income household or a moderate income unit to a household whose income exceeds 80% of the applicable median income guide. The Hardship Waiver shall be filed with the deed at the time of closing and is only valid for the designated resale transaction. It does not affect the resale price. All future resales are subject to all restrictions stated herein.

M. The Owner shall be obligated to pay a reasonable service fee to the Authority at the time of closing and transfer of title in the amount specified by the Authority at the time a restricted resale price has been determined after receipt of a Notice of Intent to Sell. Such fee shall not be included in the calculation of the maximum resale price.

IX. FORECLOSURE

The terms and restrictions of this Agreement shall be subordinated only to the First Purchase Money Mortgage lien on the Affordable Housing property and in no way shall impair the First Purchase Money Mortgagee's ability to exercise the contract remedies available to it in the event of any default of such mortgage as such remedies are set forth in the First Purchase Money Mortgage documents for the Affordable Housing unit.

Any Affordable Housing owner-occupied property that is acquired by a First Purchase Money Mortgagee by Deed in lieu of Foreclosure, or by a Purchaser at a Foreclosure sale conducted by the holder of the First Purchase Money Mortgagee shall be permanently released from the restrictions and covenants of this Affordable Housing Agreement. All resale restrictions shall cease to be effective as of the date of transfer of title pursuant to Foreclosure with regard to the First Purchase Money Mortgagee, a lender in the secondary mortgage market including but not limited to the FNMA, Federal Home Loan Mortgage Corporation, GNMA, or an entity acting on their behalf and all subsequent purchasers, Owners and mortgagees of that particular Affordable Housing unit (except for the defaulting mortgagor, who shall be forever subject to the resale restrictions of this Agreement with respect to the Affordable Housing unit owned by such defaulting mortgagor at time of the Foreclosure sale).

Upon a judgment of Foreclosure, the Authority shall execute a document to be recorded in the county recording office as evidence that such Affordable Housing unit has been forever released from the restrictions of this Agreement. Execution of foreclosure sales by any other class of creditor or mortgagee shall not result in a release of the Affordable Housing unit from the provisions and restrictions of this Agreement.

In the event of a Foreclosure sale by the First Purchase Mortgagee, the defaulting mortgagor shall be personally obligated to pay to the Authority any excess funds generated from such Foreclosure sale. For purposes of this agreement, excess funds shall be the total amount paid to the sheriff by reason of the Foreclosure sale in excess of the greater of (1) the maximum permissible Resale Price of the Affordable Housing unit as of the date of the Foreclosure sale

pursuant to the rules and guidelines of the Authority and (2) the amount required to pay and satisfy the First Money Mortgage, including the costs of Foreclosure plus any second mortgages approved by the Authority in accordance with this Agreement The amount of excess funds shall also include all payments to any junior creditors out of the Foreclosure sale proceeds even if such were to the exclusion of the defaulting mortgagor

The Authority is hereby given a first priority lien, second only to the First Purchase Money Mortgagee and any taxes or public assessments by a duly authorized governmental body, equal to the full amount of such excess funds This obligation of the defaulting mortgagor to pay the full amount of excess funds to the Authority shall be deemed to be a personal obligation of the Owner of record at time of the Foreclosure sale surviving such sale The Authority shall be empowered to enforce the obligation of the defaulting mortgagor in any appropriate court of law or equity as though same were a personal contractual obligation of the defaulting mortgagor. Neither the First Purchase Money Mortgagee nor the purchaser at the Foreclosure sale shall be responsible or liable to the Authority for any portion of this excess

No part of the excess funds, however, shall be part of the defaulting mortgagor's equity

The defaulting mortgagor's equity shall be determined to be the difference between the maximum permitted Resale Price of the Affordable Housing unit as of the date of the Foreclosure sale as calculated in accordance with this Agreement and the total of the following sums First Purchase Money Mortgage, prior liens, costs of Foreclosure, assessments, property taxes, and other liens which may have been attached against the unit prior to Foreclosure, provided such total is less than the maximum permitted Resale Price

If there are Owner's equity sums to which the defaulting mortgagor is properly entitled, such sums shall be turned over to the defaulting mortgagor or placed in an escrow account for the defaulting mortgagor if the defaulting mortgagor cannot be located The First Purchase Money Mortgagee shall hold such funds in escrow for a period of two years or until such earlier time as the defaulting mortgagor shall make a claim for such At the end of two years, if unclaimed, such funds, including any accrued interest, shall become the property of the Authority to the exclusion of any other creditors who may have claims against the defaulting mortgagor

Nothing shall preclude the municipality wherein the Affordable Housing unit is located from acquiring an affordable property prior to foreclosure sale at a negotiated price not to exceed the maximum Resale Price and holding, renting or conveying it to a Certified Household if such right is exercised within 90 days after the property is listed for sale and all outstanding obligations to the First Purchase Money Mortgagee are satisfied

X VIOLATION, DEFAULTS AND REMEDIES

In the event of a threatened breach of any of the terms of this agreement by an Owner, the Authority shall have all remedies provided at law or equity, including the right to seek injunctive relief or specific performance, it being recognized by both parties to this Agreement that a breach will cause irreparable harm to the Authority, in light of the public policies set forth in the Fair Housing Act and the obligation for the provision of low and moderate income housing Upon the occurrence of a breach of any of the terms of the Agreement by an Owner, the Authority shall have all remedies provided at law or equity, including but not limited to foreclosure, acceleration of all sums due under the mortgage, recoupment of any funds from a sale in violation of the Agreement, injunctive relief to prevent further violation of the Agreement, entry on the premises, and specific performance

IX FORECLOSURE

The terms and restrictions of this Agreement shall be subordinated only to the First Purchase Money Mortgage lien on the Affordable Housing property and in no way shall impair the First Purchase Money Mortgagee's ability to exercise the contract remedies available to it in the event of any default of such mortgage as such remedies are set forth in the First Purchase Money Mortgage documents for the Affordable Housing unit

Any Affordable Housing owner-occupied property that is acquired by a First Purchase Money Mortgagee by Deed in lieu of Foreclosure, or by a Purchaser at a Foreclosure sale conducted by the holder of the First Purchase Money Mortgagee shall be permanently released from the restrictions and covenants of this Affordable Housing Agreement All resale restrictions shall cease to be effective as of the date of transfer of title pursuant to Foreclosure with regard to the First Purchase Money Mortgagee, a lender in the secondary mortgage market including but not limited to the FNMA, Federal Home Loan Mortgage Corporation, GNMA, or an entity acting on their behalf and all subsequent purchasers, Owners and mortgagees of that particular Affordable Housing unit (except for the defaulting mortgagor, who shall be forever subject to the resale restrictions of this Agreement with respect to the Affordable Housing unit owned by such defaulting mortgagor at time of the Foreclosure sale)

Upon a judgment of Foreclosure, the Authority shall execute a document to be recorded in the county recording office as evidence that such Affordable Housing unit has been forever released from the restrictions of this Agreement Execution of foreclosure sales by any other class of creditor or mortgagee shall not result in a release of the Affordable Housing unit from the provisions and restrictions of this Agreement

In the event of a Foreclosure sale by the First Purchase Mortgagee, the defaulting mortgagor shall be personally obligated to pay to the Authority any excess funds generated from such Foreclosure sale For purposes of this agreement, excess funds shall be the total amount paid to the sheriff by reason of the Foreclosure sale in excess of the greater of (1) the maximum permissible Resale Price of the Affordable Housing unit as of the date of the Foreclosure sale

pursuant to the rules and guidelines of the Authority and (2) the amount required to pay and satisfy the First Money Mortgage, including the costs of Foreclosure plus any second mortgages approved by the Authority in accordance with this Agreement The amount of excess funds shall also include all payments to any junior creditors out of the Foreclosure sale proceeds even if such were to the exclusion of the defaulting mortgagor

The Authority is hereby given a first priority lien, second only to the First Purchase Money Mortgagee and any taxes or public assessments by a duly authorized governmental body, equal to the full amount of such excess funds This obligation of the defaulting mortgagor to pay the full amount of excess funds to the Authority shall be deemed to be a personal obligation of the Owner of record at time of the Foreclosure sale surviving such sale The Authority shall be empowered to enforce the obligation of the defaulting mortgagor in any appropriate court of law or equity as though same were a personal contractual obligation of the defaulting mortgagor Neither the First Purchase Money Mortgagee nor the purchaser at the Foreclosure sale shall be responsible or liable to the Authority for any portion of this excess

No part of the excess funds, however, shall be part of the defaulting mortgagor's equity

The defaulting mortgagor's equity shall be determined to be the difference between the maximum permitted Resale Price of the Affordable Housing unit as of the date of the Foreclosure sale as calculated in accordance with this Agreement and the total of the following sums First Purchase Money Mortgage, prior liens, costs of Foreclosure, assessments, property taxes, and other liens which may have been attached against the unit prior to Foreclosure, provided such total is less than the maximum permitted Resale Price

If there are Owner's equity sums to which the defaulting mortgagor is properly entitled, such sums shall be turned over to the defaulting mortgagor or placed in an escrow account for the defaulting mortgagor if the defaulting mortgagor cannot be located The First Purchase Money Mortgagee shall hold such funds in escrow for a period of two years or until such earlier time as the defaulting mortgagor shall make a claim for such At the end of two years, if unclaimed, such funds, including any accrued interest, shall become the property of the Authority to the exclusion of any other creditors who may have claims against the defaulting mortgagor

Nothing shall preclude the municipality wherein the Affordable Housing unit is located from acquiring an affordable property prior to foreclosure sale at a negotiated price not to exceed the maximum Resale Price and holding, renting or conveying it to a Certified Household if such right is exercised within 90 days after the property is listed for sale and all outstanding obligations to the First Purchase Money Mortgagee are satisfied

X VIOLATION, DEFAULTS AND REMEDIES

In the event of a threatened breach of any of the terms of this agreement by an Owner, the Authority shall have all remedies provided at law or equity, including the right to seek injunctive relief or specific performance, it being recognized by both parties to this Agreement that a breach will cause irreparable harm to the Authority, in light of the public policies set forth in the Fair Housing Act and the obligation for the provision of low and moderate income housing Upon the occurrence of a breach of any of the terms of the Agreement by an Owner, the Authority shall have all remedies provided at law or equity, including but not limited to foreclosure, acceleration of all sums due under the mortgage, recoupment of any funds from a sale in violation of the Agreement, injunctive relief to prevent further violation of the Agreement, entry on the premises, and specific performance

Article 3. Grantor's Covenant

The Grantor hereby covenants and affirms that Grantor has taken no action to encumber the Property.

Article 4. Affordable Housing Covenants

Sale and use of the Property is governed by regulations known as the Uniform Housing Affordability Controls, which are found in New Jersey Administrative Code at Title 5, chapter 80, subchapter 26 (N.J.A.C. 5:80-26.1, *et seq*, the "Regulations"). Consistent with the Regulations, the following covenants (the "Covenants") shall run with the land for the period of time commencing upon the earlier of (a) the date hereof or (b) the prior

commencement of the "Control Period", as that term is defined in the Regulations, and terminating upon the expiration of the Control Period as provided in the Regulations.

A. The Property may be conveyed only to a household who has been approved in advance and in writing by Community Grants, Planning & Housing, LLC, an administrative agent appointed under the Regulations (hereinafter, collectively, the "Administrative Agent").

B. No sale of the Property shall be lawful, unless approved in advance and in writing by the Administrative Agent, and no sale shall be for a consideration greater than maximum permitted price ("Maximum Resale Price", or "MRP") as determined by the Administrative Agent.

C. No refinancing, equity loan, secured letter of credit, or any other mortgage obligation or other debt (collectively, "Debt") secured by the Property, may be incurred except as approved in advance and in writing by the Administrative Agent. At no time shall the Administrative Agent approve any such Debt, if incurring the Debt would make the total of all such Debt exceed Ninety-Five Percent (95%) of the applicable MRP.

D. The owner of the Property shall at all times maintain the Property as his or her principal place of residence.

E. Except as set forth in F, below, at no time shall the owner of the Property lease or rent the Property to any person or persons, except on a short-term hardship basis as approved in advance and in writing by the Administrative Agent.

F. If the Property is a two-family home, the owner shall lease the rental unit only to income-certified low-income households approved in writing by the Administrative Agent, shall charge rent no greater than the maximum permitted rent as determined by the Administrative Agent, and shall submit for written approval of the Administrative Agent copies of all proposed leases prior to having them signed by any proposed tenant.

G. No improvements may be made to the Property that would affect its bedroom configuration, and in any event, no improvement made to the Property will be taken into consideration to increase the MRP, except for improvements approved in advance and in writing by the Administrative Agent;

H. The affordable housing covenants, declarations and restrictions implemented by this Declaration and by incorporation, N.J.A.C. 5:80-26.1 *et seq.*, shall remain in effect despite the entry and enforcement of any judgment of foreclosure with respect to the Affordable Unit so long as the Affordable Unit remains subject to the affordability controls being implemented by this Declaration;

I. The Affordable Units are subject to a 30 year affordability control period that commenced on the date of first conveyance of title, which is September 8, 2002, of this Affordable Unit governed by this Declaration to a certified affordable purchaser who has executed the documents required by N.J.S.A. 5:80-26.1 et seq.

Article 5. Remedies for Breach of Affordable Housing Covenants

A breach of the Covenants will cause irreparable harm to the Administrative Agent and to the public, in light of the public policies set forth in the New Jersey Fair Housing Act, the Uniform Housing Affordability Control rules found at N.J.A.C. 5:80-26, and the obligation for the provision of low and moderate-income housing. Accordingly, and as set forth in N.J.A.C. 5:80-26.10A(b):

A. In the event of a threatened breach of any of the Covenants by the Grantee, or any successor in interest or other owner of the Property, the Administrative Agent shall have all remedies provided at law or equity, including the right to seek injunctive relief or specific performance.

B. Upon the occurrence of a breach of any Covenants by the Grantee, or any successor in interest or other owner of the Property, the Administrative Agent shall have all remedies provided at law or equity including but not limited to forfeiture, foreclosure, acceleration of all sums due under any mortgage, recouping of any funds from a sale in violation of the Covenants, diverting of rent proceeds from illegal rentals, injunctive relief to prevent further violation of said Covenants, entry on the premises, those provided under Title 5, Chapter 80, Subchapter 26 of the New Jersey Administrative Code and specific performance.

Article 6. Notice of Resale, Recapture Covenant and 95/5 Purchase Options

A. The owner of the Property is required to notify the Montgomery Township Administrative Agent and New Jersey Council On Affordable Housing by certified mail of any intent to sell the property 90 days prior to entering into an agreement for the first non-exempt sale of the Property after the conclusion of the Control Period, as set forth in Section 5:93-9.8(b)(2) of the Substantive Rules of the New Jersey Council On Affordable Housing as in effect at the time the Property was first restricted as part of the Affordable Housing Program.

B. Upon the first such non-exempt sale of the Property, Ninety-Five Percent (95%) of the difference between (i) the actual sale price and (ii) the regulated maximum sales price that would be applicable were the Control Period still in effect, shall be paid at closing to the New Jersey Department of Community Affairs, acting as receiving agent for the local municipality.

C. Such non-exempt sale is subject to the options provided for in Sections 5:80-26.20 (Option to buy 95/5 units), 5:80-26.21 (Municipal option on 95/5 units), 5:80-26.22 (State option on 95/5 units), 5:80-26.23 (Non-profit option on 95/5 units), 5:80-26.24 (Seller option on 95/5 units), 5:80-26.25 (Municipal rejection of repayment option on 95/5 units) and 5:80-26.26 (Continued application of options to create, rehabilitate or maintain 95/5 units) of the Uniform Housing Affordability Control Rules, found in Title 5, Chapter 80, Subchapter 26, of the New Jersey Administrative Code.

IX FORECLOSURE

The terms and restrictions of this Agreement shall be subordinated only to the First Purchase Money Mortgage lien on the Affordable Housing property and in no way shall impair the First Purchase Money Mortgagee's ability to exercise the contract remedies available to it in the event of any default of such mortgage as such remedies are set forth in the First Purchase Money Mortgage documents for the Affordable Housing unit

Any Affordable Housing owner-occupied property that is acquired by a First Purchase Money Mortgagee by Deed in lieu of Foreclosure, or by a Purchaser at a Foreclosure sale conducted by the holder of the First Purchase Money Mortgagee shall be permanently released from the restrictions and covenants of this Affordable Housing Agreement. All resale restrictions shall cease to be effective as of the date of transfer of title pursuant to Foreclosure with regard to the First Purchase Money Mortgagee, a lender in the secondary mortgage market including but not limited to the FNMA, Federal Home Loan Mortgage Corporation, GNMA, or an entity acting on their behalf and all subsequent purchasers, Owners and mortgagees of that particular Affordable Housing unit (except for the defaulting mortgagor, who shall be forever subject to the resale restrictions of this Agreement with respect to the Affordable Housing unit owned by such defaulting mortgagor at time of the Foreclosure sale)

Upon a judgment of Foreclosure, the Authority shall execute a document to be recorded in the county recording office as evidence that such Affordable Housing unit has been forever released from the restrictions of this Agreement Execution of foreclosure sales by any other class of creditor or mortgagee shall not result in a release of the Affordable Housing unit from the provisions and restrictions of this Agreement

In the event of a Foreclosure sale by the First Purchase Mortgagee, the defaulting mortgagor shall be personally obligated to pay to the Authority any excess funds generated from such Foreclosure sale For purposes of this agreement, excess funds shall be the total amount paid to the sheriff by reason of the Foreclosure sale in excess of the greater of (1) the maximum permissible Resale Price of the Affordable Housing unit as of the date of the Foreclosure sale

pursuant to the rules and guidelines of the Authority and (2) the amount required to pay and satisfy the First Money Mortgage, including the costs of Foreclosure plus any second mortgages approved by the Authority in accordance with this Agreement The amount of excess funds shall also include all payments to any junior creditors out of the Foreclosure sale proceeds even if such were to the exclusion of the defaulting mortgagor

The Authority is hereby given a first priority lien, second only to the First Purchase Money Mortgagee and any taxes or public assessments by a duly authorized governmental body, equal to the full amount of such excess funds This obligation of the defaulting mortgagor to pay the full amount of excess funds to the Authority shall be deemed to be a personal obligation of the Owner of record at time of the Foreclosure sale surviving such sale The Authority shall be empowered to enforce the obligation of the defaulting mortgagor in any appropriate court of law or equity as though same were a personal contractual obligation of the defaulting mortgagor Neither the First Purchase Money Mortgagee nor the purchaser at the Foreclosure sale shall be responsible or liable to the Authority for any portion of this excess

No part of the excess funds, however, shall be part of the defaulting mortgagor's equity

The defaulting mortgagor's equity shall be determined to be the difference between the maximum permitted Resale Price of the Affordable Housing unit as of the date of the Foreclosure sale as calculated in accordance with this Agreement and the total of the following sums First Purchase Money Mortgage, prior liens, costs of Foreclosure, assessments, property taxes, and other liens which may have been attached against the unit prior to Foreclosure, provided such total is less than the maximum permitted Resale Price

If there are Owner's equity sums to which the defaulting mortgagor is properly entitled, such sums shall be turned over to the defaulting mortgagor or placed in an escrow account for the defaulting mortgagor if the defaulting mortgagor cannot be located The First Purchase Money Mortgagee shall hold such funds in escrow for a period of two years or until such earlier time as the defaulting mortgagor shall make a claim for such At the end of two years, if unclaimed, such funds, including any accrued interest, shall become the property of the Authority to the exclusion of any other creditors who may have claims against the defaulting mortgagor

Nothing shall preclude the municipality wherein the Affordable Housing unit is located from acquiring an affordable property prior to foreclosure sale at a negotiated price not to exceed the maximum Resale Price and holding, renting or conveying it to a Certified Household if such right is exercised within 90 days after the property is listed for sale and all outstanding obligations to the First Purchase Money Mortgagee are satisfied

X VIOLATION, DEFAULTS AND REMEDIES

In the event of a threatened breach of any of the terms of this agreement by an Owner, the Authority shall have all remedies provided at law or equity, including the right to seek injunctive relief or specific performance, it being recognized by both parties to this Agreement that a breach will cause irreparable harm to the Authority, in light of the public policies set forth in the Fair Housing Act and the obligation for the provision of low and moderate income housing. Upon the occurrence of a breach of any of the terms of the Agreement by an Owner, the Authority shall have all remedies provided at law or equity, including but not limited to foreclosure, acceleration of all sums due under the mortgage, recoupment of any funds from a sale in violation of the Agreement, injunctive relief to prevent further violation of the Agreement, entry on the premises, and specific performance

XI RIGHT TO ASSIGN

The Authority may assign from time to time its rights, and delegate its obligations hereunder without the consent of the Owner Upon such assignment, the Authority, its successors or assigns shall provide written notice to the Owner

XII INTERPRETATION OF THIS AGREEMENT

The terms of this Agreement shall be interpreted so as to avoid financial speculation or

circumvention of the purposes of the Fair Housing Act for the duration of this Agreement and to ensure, to the greatest extent possible, that the purchase price, mortgage payments and rents of designated Affordable Housing units remain affordable to Low and Moderate Income-Eligible Households as defined herein

B. All home improvements made to an Affordable Housing unit shall be at the Owner's expense except that expenditures for any alteration that allows a unit to be resold to a larger household size because of increased capacity for occupancy shall be considered for a recalculation of Base Price. Owners must obtain prior approval for such alteration from the Authority to qualify for this recalculation

C. The Owner of an Affordable Housing unit shall keep the Affordable Housing unit in good repair

D. Owners of Affordable Housing units shall pay all taxes, charges, assessments or levies, both public and private, assessed against such unit, or any part thereof, as and when the same become due

F. An Owner shall request referrals of eligible households from pre-established referral lists maintained by the Authority

G. If the Authority does not refer an eligible household within sixty (60) days of the Notice of Intent to Sell the unit or no Agreement to Purchase the unit has been executed, the Owner may propose a Contract to Purchase the unit to an eligible household not referred through the Authority. The proposed Purchaser must complete all required Household Eligibility forms and submit Gross Annual Income Information for verification to the Authority for written certification as an eligible sales transaction

H. At resale, all items of property which are permanently affixed to the unit and/or were included when the unit was initially restricted (e.g. refrigerator, range, washer, dryer, dishwasher, wall to wall carpeting) shall be included in the maximum allowable Resale Price. Other items of property may be sold to the Purchaser at a reasonable price that has been approved by the Authority at the time of signing the Agreement to Purchase. The purchase of central air conditioning installed subsequent to the initial sale of the unit and not included in the Base Price may be made a condition of the unit resale provided the price has been approved by the Authority. Unless otherwise permitted by the Council, the purchase of any property other than central air conditioning shall not be made a condition of the unit resale. The Owner and the Purchaser must personally certify at the time of closing that no unapproved transfer of funds for the purpose of selling and receiving property has taken place at Resale

I. The Owner shall not permit any lien, other than the First Purchase Money Mortgage, second mortgages approved by the Authority and liens of the Authority to attach and remain on the property for more than sixty (60) days

J. If an Affordable Housing unit is part of a condominium, homeowner's or cooperative association, the Owner, in addition to paying any assessments required by the Master Deed of the Condominium or By-laws of an Association, shall further fully comply with all of the terms, covenants or conditions of said Master Deed or By-Laws, as well as fully comply with all terms, conditions and restrictions of this Affordable Housing Agreement

K. The Owner shall have responsibility for fulfilling all requirements in accordance with

and subject to any rules and regulations duly promulgated by the Council (N J A C 5 92-1 et seq), for determining that a resale transaction is qualified for a Certificate of Exemption The Owner shall notify the Authority in writing of any proposed Exempt Transaction and supply the necessary documentation to qualify for a Certificate of Exemption An Exempt Transaction does not terminate the resale restrictions or existing liens and is not considered a certified sales transaction in calculating subsequent resale prices A Certificate of Exemption shall be filed with the deed at the time of title transfer

L The Owner shall have responsibility for fulfilling all requirements in accordance with and subject to any rules and regulations duly promulgated by the Council (N J A C 5 92-1 et seq), for determining that a resale transaction is qualified for a Hardship Waiver The Owner may submit a written request for a Hardship Waiver if no Certified Household has executed an agreement to purchase within ninety (90) days of notification of an approved resale price and referral of potential purchasers – Prior to issuing a Hardship Waiver, the Municipality shall have 30 days in which to sign an agreement to purchase the unit at the approved resale price and subsequently rent or convey it to a Certified Household The Municipality may transfer this option to the Department, the Agency, or a qualified non-profit organization as determined by the Council For approval of a Hardship Waiver, an Owner must document efforts to sell the unit to an income eligible household If the waiver is granted, the Owner may offer a low income unit to a moderate income household or a moderate income unit to a household whose income exceeds 80% of the applicable median income guide The Hardship Waiver shall be filed with the deed at the time of closing and is only valid for the designated resale transaction It does not affect the resale price All future resales are subject to all restrictions stated herein

M The Owner shall be obligated to pay a reasonable service fee to the Authority at the time of closing and transfer of title in the amount specified by the Authority at the time a restricted resale price has been determined after receipt of a Notice of Intent to Sell Such fee shall not be included in the calculation of the maximum resale price

IX FORECLOSURE

The terms and restrictions of this Agreement shall be subordinated only to the First Purchase Money Mortgage lien on the Affordable Housing property and in no way shall impair the First Purchase Money Mortgagee's ability to exercise the contract remedies available to it in the event of any default of such mortgage as such remedies are set forth in the First Purchase Money Mortgage documents for the Affordable Housing unit

Any Affordable Housing owner-occupied property that is acquired by a First Purchase Money Mortgagee by Deed in lieu of Foreclosure, or by a Purchaser at a Foreclosure sale conducted by the holder of the First Purchase Money Mortgagee shall be permanently released from the restrictions and covenants of this Affordable Housing Agreement All resale restrictions shall cease to be effective as of the date of transfer of title pursuant to Foreclosure with regard to the First Purchase Money Mortgagee, a lender in the secondary mortgage market including but not limited to the FNMA, Federal Home Loan Mortgage Corporation, GNMA, or an entity acting on their behalf and all subsequent purchasers, Owners and mortgagees of that particular Affordable Housing unit (except for the defaulting mortgagor, who shall be forever subject to the resale restrictions of this Agreement with respect to the Affordable Housing unit owned by such defaulting mortgagor at time of the Foreclosure sale)

Upon a judgment of Foreclosure, the Authority shall execute a document to be recorded in the county recording office as evidence that such Affordable Housing unit has been forever released from the restrictions of this Agreement Execution of foreclosure sales by any other class of creditor or mortgagee shall not result in a release of the Affordable Housing unit from the provisions and restrictions of this Agreement

In the event of a Foreclosure sale by the First Purchase Mortgagee, the defaulting mortgagor shall be personally obligated to pay to the Authority any excess funds generated from such Foreclosure sale For purposes of this agreement, excess funds shall be the total amount paid to the sheriff by reason of the Foreclosure sale in excess of the greater of (1) the maximum permissible Resale Price of the Affordable Housing unit as of the date of the Foreclosure sale pursuant to the rules and guidelines of the Authority and (2) the amount required to pay and

satisfy the First Money Mortgage, including the costs of Foreclosure plus any second mortgages approved by the Authority in accordance with this Agreement The amount of excess funds shall also include all payments to any junior creditors out of the Foreclosure sale proceeds even if such were to the exclusion of the defaulting mortgagor

The Authority is hereby given a first priority lien, second only to the First Purchase Money Mortgagee and any taxes or public assessments by a duly authorized governmental body, equal to the full amount of such excess funds This obligation of the defaulting mortgagor to pay the full amount of excess funds to the Authority shall be deemed to be a personal obligation of the Owner of record at time of the Foreclosure sale surviving such sale The Authority shall be empowered to enforce the obligation of the defaulting mortgagor in any appropriate court of law or equity as though same were a personal contractual obligation of the defaulting mortgagor Neither the First Purchase Money Mortgagee nor the purchaser at the Foreclosure sale shall be responsible or liable to the Authority for any portion of this excess

No part of the excess funds, however, shall be part of the defaulting mortgagor's equity

The defaulting mortgagor's equity shall be determined to be the difference between the maximum permitted Resale Price of the Affordable Housing unit as of the date of the Foreclosure sale as calculated in accordance with this Agreement and the total of the following sums First Purchase Money Mortgage, prior liens, costs of Foreclosure, assessments, property taxes, and other liens which may have been attached against the unit prior to Foreclosure, provided such total is less than the maximum permitted Resale Price

If there are Owner's equity sums to which the defaulting mortgagor is properly entitled, such sums shall be turned over to the defaulting mortgagor or placed in an escrow account for the defaulting mortgagor if the defaulting mortgagor cannot be located The First Purchase Money Mortgagee shall hold such funds in escrow for a period of two years or until such earlier time as the defaulting mortgagor shall make a claim for such At the end of two years, if unclaimed, such funds, including any accrued interest, shall become the property of the Authority to the exclusion of any other creditors who may have claims against the defaulting mortgagor

Nothing shall preclude the municipality wherein the Affordable Housing unit is located from acquiring an affordable property prior to foreclosure sale at a negotiated price not to exceed the maximum Resale Price and holding, renting or conveying it to a Certified Household if such right is exercised within 90 days after the property is listed for sale and all outstanding obligations to the First Purchase Money Mortgagee are satisfied

X VIOLATION, DEFAULTS AND REMEDIES

In the event of a threatened breach of any of the terms of this agreement by an Owner, the Authority shall have all remedies provided at law or equity, including the right to seek injunctive relief or specific performance, it being recognized by both parties to this Agreement that a breach will cause irreparable harm to the Authority, in light of the public policies set forth in the Fair Housing Act and the obligation for the provision of low and moderate income housing Upon the occurrence of a breach of any of the terms of the Agreement by an Owner, the Authority shall have all remedies provided at law or equity, including but not limited to foreclosure, acceleration of all sums due under the mortgage, recoupment of any funds from a sale in violation of the Agreement, injunctive relief to prevent further violation of the Agreement, entry on the premises, and specific performance

XI RIGHT TO ASSIGN

The Authority may assign from time to time its rights, and delegate its obligations hereunder without the consent of the Owner Upon such assignment, the Authority, its successors or assigns shall provide written notice to the Owner

XII INTERPRETATION OF THIS AGREEMENT

The terms of this Agreement shall be interpreted so as to avoid financial speculation or circumvention of the purposes of the Fair Housing Act for the duration of this Agreement and to

ensure, to the greatest extent possible, that the purchase price, mortgage payments and rents of designated Affordable Housing units remain affordable to Low and Moderate Income-Eligible Households as defined herein

of this Agreement as set forth herein

VIII OWNER RESPONSIBILITIES

In addition to fully complying with the terms and provisions of this Affordable Housing Agreement, the Owner acknowledges the following responsibilities

A. Affordable Housing units shall at all times remain the Primary Residence of the Owner. The Owner shall not rent any Affordable Housing unit to any party whether or not that party qualifies as a Low or Moderate income household without prior written approval from the Authority

B All home improvements made to an Affordable Housing unit shall be at the Owner's expense except that expenditures for any alteration that allows a unit to be resold to a larger household size because of increased capacity for occupancy shall be considered for a recalculation of Base Price. Owners must obtain prior approval for such alteration from the Authority to qualify for this recalculation

C The Owner of an Affordable Housing unit shall keep the Affordable Housing unit in good repair

D Owners of Affordable Housing units shall pay all taxes, charges, assessments or levies, both public and private, assessed against such unit, or any part thereof, as and when the same become due

E Owners of Affordable Housing units shall notify the Authority in writing no less than ninety (90) days prior to any proposed sale of an intent to sell the property. Owners shall not execute any purchase agreement, convey title or otherwise deliver possession of the Affordable Housing unit without the prior written approval of the Authority

F An Owner shall request referrals of eligible households from pre-established referral lists maintained by the Authority

G. If the Authority does not refer an eligible household within sixty (60) days of the Notice of Intent to Sell the unit or no Agreement to Purchase the unit has been executed, the Owner may propose a Contract to Purchase the unit to an eligible household not referred through the Authority. The proposed Purchaser must complete all required Household Eligibility forms and submit Gross Annual Income Information for verification to the Authority for written certification as an eligible sales transaction

H At resale, all items of property which are permanently affixed to the unit and/or were included when the unit was initially restricted (e g refrigerator, range, washer, dryer, dishwasher, wall to wall carpeting) shall be included in the maximum allowable Resale Price. Other items of property may be sold to the Purchaser at a reasonable price that has been approved by the Authority at the time of signing the Agreement to Purchase. The purchase of central air conditioning installed subsequent to the initial sale of the unit and not included in the Base Price may be made a condition of the unit resale provided the price has been approved by the Authority. Unless otherwise permitted by the Council, the purchase of any property other than central air conditioning shall not be made a condition of the unit resale. The Owner and the Purchaser must personally certify at the time of closing that no unapproved transfer of funds for the purpose of selling and receiving property has taken place at Resale

I The Owner shall not permit any lien, other than the First Purchase Money Mortgage, second mortgages approved by the Authority and liens of the Authority to attach and remain on the property for more than sixty (60) days

J If an Affordable Housing unit is part of a condominium, homeowner's or cooperative association, the Owner, in addition to paying any assessments required by the Master Deed of the Condominium or By-laws of an Association, shall further fully comply with all of the terms, covenants or conditions of said Master Deed or By-Laws, as well as fully comply with all terms, conditions and restrictions of this Affordable Housing Agreement

K The Owner shall have responsibility for fulfilling all requirements in accordance with and subject to any rules and regulations duly promulgated by the Council (N J A C 5 92-1 et seq), for determining that a resale transaction is qualified for a Certificate of Exemption The Owner shall notify the Authority in writing of any proposed Exempt Transaction and supply the necessary documentation to qualify for a Certificate of Exemption An Exempt Transaction does not terminate the resale restrictions or existing liens and is not considered a certified sales transaction in calculating subsequent resale prices A Certificate of Exemption shall be filed with the deed at the time of title transfer

L The Owner shall have responsibility for fulfilling all requirements in accordance with and subject to any rules and regulations duly promulgated by the Council (N J A C 5 92-1 et seq), for determining that a resale transaction is qualified for a Hardship Waiver The Owner may submit a written request for a Hardship Waiver if no Certified Household has executed an agreement to purchase within ninety (90) days of notification of an approved resale price and referral of potential purchasers Prior to issuing a Hardship Waiver, the Municipality shall have 30 days in which to sign an agreement to purchase the unit at the approved resale price and subsequently rent or convey it to a Certified Household The Municipality may transfer this option to the Department, the Agency, or a qualified non-profit organization as determined by the Council For approval of a Hardship Waiver, an Owner must document efforts to sell the unit to an income eligible household If the waiver is granted, the Owner may offer a low income unit to a moderate income household or a moderate income unit to a household whose income exceeds 80% of the applicable median income guide The Hardship Waiver shall be filed with the deed at the time of closing and is only valid for the designated resale transaction It does not affect the resale price. All future resales are subject to all restrictions stated herein

M The Owner shall be obligated to pay a reasonable service fee to the Authority at the time of closing and transfer of title in the amount specified by the Authority at the time a restricted resale price has been determined after receipt of a Notice of Intent to Sell Such fee shall not be included in the calculation of the maximum resale price

IX FORECLOSURE

The terms and restrictions of this Agreement shall be subordinated only to the First Purchase Money Mortgage lien on the Affordable Housing property and in no way shall impair the First Purchase Money Mortgagee's ability to exercise the contract remedies available to it in the event of any default of such mortgage as such remedies are set forth in the First Purchase Money Mortgage documents for the Affordable Housing unit

Any Affordable Housing owner-occupied property that is acquired by a First Purchase Money Mortgagee by Deed in lieu of Foreclosure, or by a Purchaser at a Foreclosure sale conducted by the holder of the First Purchase Money Mortgagee shall be permanently released from the restrictions and covenants of this Affordable Housing Agreement All resale restrictions shall cease to be effective as of the date of transfer of title pursuant to Foreclosure with regard to the First Purchase Money Mortgagee, a lender in the secondary mortgage market including but not limited to the FNMA, Federal Home Loan Mortgage Corporation, GNMA, or an entity acting on their behalf and all subsequent purchasers, Owners and mortgagees of that particular Affordable Housing unit (except for the defaulting mortgagor, who shall be forever subject to the resale restrictions of this Agreement with respect to the Affordable Housing unit owned by such defaulting mortgagor at time of the Foreclosure sale)

Upon a judgment of Foreclosure, the Authority shall execute a document to be recorded in the county recording office as evidence that such Affordable Housing unit has been forever released from the restrictions of this Agreement Execution of foreclosure sales by any other class of creditor or mortgagee shall not result in a release of the Affordable Housing unit from the provisions and restrictions of this Agreement

In the event of a Foreclosure sale by the First Purchase Mortgagee, the defaulting mortgagor shall be personally obligated to pay to the Authority any excess funds generated from such Foreclosure sale For purposes of this agreement, excess funds shall be the total amount paid to the sheriff by reason of the Foreclosure sale in excess of the greater of (1) the maximum permissible Resale Price of the Affordable Housing unit as of the date of the Foreclosure sale

pursuant to the rules and guidelines of the Authority and (2) the amount required to pay and satisfy the First Money Mortgage, including the costs of Foreclosure plus any second mortgages approved by the Authority in accordance with this Agreement The amount of excess funds shall also include all payments to any junior creditors out of the Foreclosure sale proceeds even if such were to the exclusion of the defaulting mortgagor

The Authority is hereby given a first priority lien, second only to the First Purchase Money Mortgagee and any taxes or public assessments by a duly authorized governmental body, equal to the full amount of such excess funds This obligation of the defaulting mortgagor to pay the full amount of excess funds to the Authority shall be deemed to be a personal obligation of the Owner of record at time of the Foreclosure sale surviving such sale. The Authority shall be empowered to enforce the obligation of the defaulting mortgagor in any appropriate court of law or equity as though same were a personal contractual obligation of the defaulting mortgagor Neither the First Purchase Money Mortgagee nor the purchaser at the Foreclosure sale shall be responsible or liable to the Authority for any portion of this excess

No part of the excess funds, however, shall be part of the defaulting mortgagor's equity

The defaulting mortgagor's equity shall be determined to be the difference between the maximum permitted Resale Price of the Affordable Housing unit as of the date of the Foreclosure sale as calculated in accordance with this Agreement and the total of the following sums First Purchase Money Mortgage, prior liens, costs of Foreclosure, assessments, property taxes, and other liens which may have been attached against the unit prior to Foreclosure, provided such total is less than the maximum permitted Resale Price

If there are Owner's equity sums to which the defaulting mortgagor is properly entitled, such sums shall be turned over to the defaulting mortgagor or placed in an escrow account for the defaulting mortgagor if the defaulting mortgagor cannot be located The First Purchase Money Mortgagee shall hold such funds in escrow for a period of two years or until such earlier time as the defaulting mortgagor shall make a claim for such At the end of two years, if unclaimed, such funds, including any accrued interest, shall become the property of the Authority to the exclusion of any other creditors who may have claims against the defaulting mortgagor

Nothing shall preclude the municipality wherein the Affordable Housing unit is located from acquiring an affordable property prior to foreclosure sale at a negotiated price not to exceed the maximum Resale Price and holding, renting or conveying it to a Certified Household if such right is exercised within 90 days after the property is listed for sale and all outstanding obligations to the First Purchase Money Mortgagee are satisfied

X VIOLATION, DEFAULTS AND REMEDIES

In the event of a threatened breach of any of the terms of this agreement by an Owner, the Authority shall have all remedies provided at law or equity, including the right to seek injunctive relief or specific performance, it being recognized by both parties to this Agreement that a breach will cause irreparable harm to the Authority, in light of the public policies set forth in the Fair Housing Act and the obligation for the provision of low and moderate income housing Upon the occurrence of a breach of any of the terms of the Agreement by an Owner, the Authority shall have all remedies provided at law or equity, including but not limited to foreclosure, acceleration of all sums due under the mortgage, recoupment of any funds from a sale in violation of the Agreement, injunctive relief to prevent further violation of the Agreement, entry on the premises, and specific performance

XI RIGHT TO ASSIGN

The Authority may assign from time to time its rights, and delegate its obligations hereunder without the consent of the Owner Upon such assignment, the Authority, its successors or assigns shall provide written notice to the Owner

XII INTERPRETATION OF THIS AGREEMENT

The terms of this Agreement shall be interpreted so as to avoid financial speculation or

Sale and use of the Property is governed by regulations known as the Uniform Housing Affordability Controls, which are found in New Jersey Administrative Code at Title 5, chapter 80, subchapter 26 (N.J.A.C. 5:80-26.1, *et seq*, the

"Regulations"). Consistent with the Regulations, the following covenants (the "Covenants") shall run with the land for the period of time commencing upon the earlier of (a) the date hereof or (b) the prior commencement of the "Control Period", as that term is defined in the Regulations, and terminating upon the expiration of the Control Period as provided in the Regulations.

A. The Property may be conveyed only to a household who has been approved in advance and in writing by CGP&H LLC, an administrative agent appointed under the Regulations (hereinafter, collectively, the "Administrative Agent").

B. No sale of the Property shall be lawful, unless approved in advance and in writing by the Administrative Agent, and no sale shall be for a consideration greater than maximum permitted price ("Maximum Resale Price", or "MRP") as determined by the Administrative Agent.

C. No refinancing, equity loan, secured letter of credit, or any other mortgage obligation or other debt (collectively, "Debt") secured by the Property, may be incurred except as approved in advance and in writing by the Administrative Agent. At no time shall the Administrative Agent approve any such Debt, if incurring the Debt would make the total of all such Debt exceed Ninety-Five Percent (95%) of the applicable MRP.

D. The owner of the Property shall at all times maintain the Property as his or her principal place of residence.

E. Except as set forth in F, below, at no time shall the owner of the Property lease or rent the Property to any person or persons, except on a short-term hardship basis as approved in advance and in writing by the Administrative Agent.

F. If the Property is a two-family home, the owner shall lease the rental unit only to income-certified low-income households approved in writing by the Administrative Agent, shall charge rent no greater than the maximum permitted rent as determined by the Administrative Agent, and shall submit for written approval of the Administrative Agent copies of all proposed leases prior to having them signed by any proposed tenant.

G. No improvements may be made to the Property that would affect its bedroom configuration, and in any event, no improvement made to the Property will be taken into consideration to increase the MRP, except for improvements approved in advance and in writing by the Administrative Agent;

H. The affordable housing covenants, declarations and restrictions implemented by this Declaration and by incorporation, N.J.A.C. 5:80-26.1 *et seq.*, shall remain in effect despite the entry and enforcement of any judgment of foreclosure with respect to the Affordable Unit so long as the Affordable Unit remains subject to the affordability controls being implemented by this Declaration;

I. The Affordable Units are subject to a 30 year affordability control period that commenced on the date of first conveyance of title, which is **November 7, 2002**, of this Affordable Unit governed by this Declaration to a certified affordable purchaser who has executed the documents required by N.J.S.A. 5:80-26.1 et seq.

Article 5. Remedies for Breach of Affordable Housing Covenants

A breach of the Covenants will cause irreparable harm to the Administrative Agent and to the public, in light of the public policies set forth in the New Jersey Fair Housing Act, the Uniform Housing Affordability Control rules found at N.J.A.C. 5:80-26, and the obligation for the provision of low and moderate-income housing. Accordingly, and as set forth in N.J.A.C. 5:80-26.10A(b):

M The Owner shall be obligated to pay a reasonable service fee to the Authority at the time of closing and transfer of title in the amount specified by the Authority at the time a restricted resale price has been determined after receipt of a Notice of Intent to Sell Such fee shall not be included in the calculation of the maximum resale price

IX FORECLOSURE

The terms and restrictions of this Agreement shall be subordinated only to the First Purchase Money Mortgage lien on the Affordable Housing property and in no way shall impair the First Purchase Money Mortgagee's ability to exercise the contract remedies available to it in the event of any default of such mortgage as such remedies are set forth in the First Purchase Money Mortgage documents for the Affordable Housing unit

Any Affordable Housing owner-occupied property that is acquired by a First Purchase Money Mortgagee by Deed in lieu of Foreclosure, or by a Purchaser at a Foreclosure sale conducted by the holder of the First Purchase Money Mortgagee shall be permanently released from the restrictions and covenants of this Affordable Housing Agreement All resale restrictions shall cease to be effective as of the date of transfer of title pursuant to Foreclosure with regard to the First Purchase Money Mortgagee, a lender in the secondary mortgage market including but not limited to the FNMA, Federal Home Loan Mortgage Corporation, GNMA, or an entity acting on their behalf and all subsequent purchasers, Owners and mortgagees of that particular Affordable Housing unit (except for the defaulting mortgagor, who shall be forever subject to the resale restrictions of this Agreement with respect to the Affordable Housing unit owned by such defaulting mortgagor at time of the Foreclosure sale)

Upon a judgment of Foreclosure, the Authority shall execute a document to be recorded in the county recording office as evidence that such Affordable Housing unit has been forever released from the restrictions of this Agreement Execution of foreclosure sales by any other class of creditor or mortgagee shall not result in a release of the Affordable Housing unit from the provisions and restrictions of this Agreement

In the event of a Foreclosure sale by the First Purchase Mortgagee, the defaulting mortgagor shall be personally obligated to pay to the Authority any excess funds generated from such Foreclosure sale For purposes of this agreement, excess funds shall be the total amount paid to the sheriff by reason of the Foreclosure sale in excess of the greater of (1) the maximum permissible Resale Price of the Affordable Housing unit as of the date of the Foreclosure sale pursuant to the rules and guidelines of the Authority and (2) the amount required to pay and

satisfy the First Money Mortgage, including the costs of Foreclosure plus any second mortgages approved by the Authority in accordance with this Agreement The amount of excess funds shall also include all payments to any junior creditors out of the Foreclosure sale proceeds even if such were to the exclusion of the defaulting mortgagor

The Authority is hereby given a first priority lien, second only to the First Purchase Money Mortgagee and any taxes or public assessments by a duly authorized governmental body, equal to the full amount of such excess funds This obligation of the defaulting mortgagor to pay the full amount of excess funds to the Authority shall be deemed to be a personal obligation of the Owner of record at time of the Foreclosure sale surviving such sale The Authority shall be empowered to enforce the obligation of the defaulting mortgagor in any appropriate court of law or equity as though same were a personal contractual obligation of the defaulting mortgagor Neither the First Purchase Money Mortgagee nor the purchaser at the Foreclosure sale shall be responsible or liable to the Authority for any portion of this excess

No part of the excess funds, however, shall be part of the defaulting mortgagor's equity

The defaulting mortgagor's equity shall be determined to be the difference between the maximum permitted Resale Price of the Affordable Housing unit as of the date of the Foreclosure sale as calculated in accordance with this Agreement and the total of the following sums First Purchase Money Mortgage, prior liens, costs of Foreclosure, assessments, property taxes, and other liens which may have been attached against the unit prior to Foreclosure, provided such total is less than the maximum permitted Resale Price

If there are Owner's equity sums to which the defaulting mortgagor is properly entitled, such sums shall be turned over to the defaulting mortgagor or placed in an escrow account for the defaulting mortgagor if the defaulting mortgagor cannot be located The First Purchase Money Mortgagee shall hold such funds in escrow for a period of two years or until such earlier time as the defaulting mortgagor shall make a claim for such At the end of two years, if unclaimed, such funds, including any accrued interest, shall become the property of the Authority to the exclusion of any other creditors who may have claims against the defaulting mortgagor

Nothing shall preclude the municipality wherein the Affordable Housing unit is located from acquiring an affordable property prior to foreclosure sale at a negotiated price not to exceed the maximum Resale Price and holding, renting or conveying it to a Certified Household if such right is exercised within 90 days after the property is listed for sale and all outstanding obligations to the First Purchase Money Mortgagee are satisfied

X VIOLATION, DEFAULTS AND REMEDIES

In the event of a threatened breach of any of the terms of this agreement by an Owner, the Authority shall have all remedies provided at law or equity, including the right to seek injunctive relief or specific performance, it being recognized by both parties to this Agreement that a breach will cause irreparable harm to the Authority, in light of the public policies set forth in the Fair Housing Act and the obligation for the provision of low and moderate income housing Upon the occurrence of a breach of any of the terms of the Agreement by an Owner, the Authority shall have all remedies provided at law or equity, including but not limited to foreclosure, acceleration of all sums due under the mortgage, recoupment of any funds from a sale in violation of the Agreement, injunctive relief to prevent further violation of the Agreement, entry on the premises, and specific performance

XI RIGHT TO ASSIGN

The Authority may assign from time to time its rights, and delegate its obligations hereunder without the consent of the Owner Upon such assignment, the Authority, its successors or assigns shall provide written notice to the Owner

XII INTERPRETATION OF THIS AGREEMENT

The terms of this Agreement shall be interpreted so as to avoid financial speculation or circumvention of the purposes of the Fair Housing Act for the duration of this Agreement and to

M The Owner shall be obligated to pay a reasonable service fee to the Authority at the time of closing and transfer of title in the amount specified by the Authority at the time a restricted resale price has been determined after receipt of a Notice of Intent to Sell Such fee shall not be included in the calculation of the maximum resale price

IX FORECLOSURE

The terms and restrictions of this Agreement shall be subordinated only to the First Purchase Money Mortgage lien on the Affordable Housing property and in no way shall impair the First Purchase Money Mortgagee's ability to exercise the contract remedies available to it in the event of any default of such mortgage as such remedies are set forth in the First Purchase Money Mortgage documents for the Affordable Housing unit

Any Affordable Housing owner-occupied property that is acquired by a First Purchase Money Mortgagee by Deed in lieu of Foreclosure, or by a Purchaser at a Foreclosure sale conducted by the holder of the First Purchase Money Mortgagee shall be permanently released from the restrictions and covenants of this Affordable Housing Agreement All resale restrictions shall cease to be effective as of the date of transfer of title pursuant to Foreclosure with regard to the First Purchase Money Mortgagee, a lender in the secondary mortgage market including but not limited to the FNMA, Federal Home Loan Mortgage Corporation, GNMA, or an entity acting on their behalf and all subsequent purchasers, Owners and mortgagees of that particular Affordable Housing unit (except for the defaulting mortgagor, who shall be forever subject to the resale restrictions of this Agreement with respect to the Affordable Housing unit owned by such defaulting mortgagor at time of the Foreclosure sale)

Upon a judgment of Foreclosure, the Authority shall execute a document to be recorded in the county recording office as evidence that such Affordable Housing unit has been forever released from the restrictions of this Agreement Execution of foreclosure sales by any other class of creditor or mortgagee shall not result in a release of the Affordable Housing unit from the provisions and restrictions of this Agreement

In the event of a Foreclosure sale by the First Purchase Mortgagee, the defaulting mortgagor shall be personally obligated to pay to the Authority any excess funds generated from such Foreclosure sale For purposes of this agreement, excess funds shall be the total amount paid to the sheriff by reason of the Foreclosure sale in excess of the greater of (1) the maximum permissible Resale Price of the Affordable Housing unit as of the date of the Foreclosure sale pursuant to the rules and guidelines of the Authority and (2) the amount required to pay and

satisfy the First Money Mortgage, including the costs of Foreclosure plus any second mortgages approved by the Authority in accordance with this Agreement The amount of excess funds shall also include all payments to any junior creditors out of the Foreclosure sale proceeds even if such were to the exclusion of the defaulting mortgagor

The Authority is hereby given a first priority lien, second only to the First Purchase Money Mortgagee and any taxes or public assessments by a duly authorized governmental body, equal to the full amount of such excess funds This obligation of the defaulting mortgagor to pay the full amount of excess funds to the Authority shall be deemed to be a personal obligation of the Owner of record at time of the Foreclosure sale surviving such sale The Authority shall be empowered to enforce the obligation of the defaulting mortgagor in any appropriate court of law or equity as though same were a personal contractual obligation of the defaulting mortgagor Neither the First Purchase Money Mortgagee nor the purchaser at the Foreclosure sale shall be responsible or liable to the Authority for any portion of this excess

No part of the excess funds, however, shall be part of the defaulting mortgagor's equity

The defaulting mortgagor's equity shall be determined to be the difference between the maximum permitted Resale Price of the Affordable Housing unit as of the date of the Foreclosure sale as calculated in accordance with this Agreement and the total of the following sums First Purchase Money Mortgage, prior liens, costs of Foreclosure, assessments, property taxes, and other liens which may have been attached against the unit prior to Foreclosure, provided such total is less than the maximum permitted Resale Price

If there are Owner's equity sums to which the defaulting mortgagor is properly entitled, such sums shall be turned over to the defaulting mortgagor or placed in an escrow account for the defaulting mortgagor if the defaulting mortgagor cannot be located The First Purchase Money Mortgagee shall hold such funds in escrow for a period of two years or until such earlier time as the defaulting mortgagor shall make a claim for such At the end of two years, if unclaimed, such funds, including any accrued interest, shall become the property of the Authority to the exclusion of any other creditors who may have claims against the defaulting mortgagor

Nothing shall preclude the municipality wherein the Affordable Housing unit is located from acquiring an affordable property prior to foreclosure sale at a negotiated price not to exceed the maximum Resale Price and holding, renting or conveying it to a Certified Household if such right is exercised within 90 days after the property is listed for sale and all outstanding obligations to the First Purchase Money Mortgagee are satisfied

X VIOLATION, DEFAULTS AND REMEDIES

i. Restricted units must use the same building standards as market-rate units of the same unit type (for example, flat, townhome, or single-family home), except that restricted units and market-rate units may use different interior finishes. This shall apply to prior round units.

ii. Restricted units may be clustered, provided that the buildings or housing product types containing the restricted units are integrated throughout the development and are not concentrated in an undesirable location or in undesirable locations. Prior round affordable units shall be integrated with market rate units to the extent feasible.

iii. Restricted units may be of different unit housing product types than market-rate units, provided that there is a restricted option available for each market rate housing type. Developments containing market-rate duplexes, townhomes, and/or single-family homes shall offer restricted housing options that also include duplexes, townhomes, and/or single-family homes. Penthouses and higher priced end townhouses may be exempt from this requirement. The proper ratio for restricted to market-rate unit type shall be subject to municipal ordinance or, if not specified, shall be determined at the time of site plan approval.

iv. Restricted units must meet the minimum square footage required for each bedroom, as set forth in the Neighborhood Preservation Balanced Housing rules at N.J.A.C. 5:43-2.4.

v. Penthouse and end units may be reserved for market-rate sale, provided that the overall number, value, and distribution of affordable units across the development is not negatively impacted by such reservation(s).

vi. Residents of restricted units must be offered the same access to communal amenities as residents of market-rate units within the same affordable development. Examples of communal amenities include, but are not limited to, community pools, fitness and recreation centers, playgrounds, common rooms and outdoor spaces, and building entrances and exits. This shall apply to prior round units.

5. Low/moderate split and bedroom distribution.

a. Affordable units shall be divided equally between low- and moderate-income units, except that where there is an odd number of affordable housing units, the extra unit shall be a low-income unit.

b. In each affordable housing development, at least 50% of the restricted units within each bedroom distribution rounded up to the nearest whole number shall be very low- or low-income units.

c. Within rental developments, of the total number of affordable rental units, at least 13%, rounded up to the nearest whole number, shall be affordable to very low-income households. The very low-income units shall be distributed across all bedroom counts as proportionally as possible, to the nearest whole unit, to the total number of restricted units within each bedroom count, and counted as part of the required number of low-income units within the development.

d. Affordable housing developments that are not age-restricted or supportive housing shall be structured such that:

   i. At a minimum, the number of bedrooms within the restricted units equals twice the number of restricted units;

   ii. Two-bedroom and/or three-bedroom units compose at least 50 percent of all restricted units;

   vi. The remaining units may be allocated among two- and three- bedroom units at the discretion of the developer.

e. Affordable housing developments that are age-restricted or supportive housing, except those supportive housing units whose sponsoring program determines the unit arrangements, shall be structured such that, at a minimum, the number of bedrooms shall equal the number of age-restricted or supportive housing low- and moderate-income units within the inclusionary development. Supportive housing units whose sponsoring program determines the unit arrangement shall comply with all requirements of the sponsoring program. The standard may be met by having all one-bedroom units or by having a two-bedroom unit for each efficiency unit. In affordable housing developments with 20 or more restricted units that are age-restricted or supportive housing, two-bedroom units must comprise at least 5% of those restricted units.

6. Accessibility requirements.

   a. Any new construction shall be adaptable; however, elevators shall not be required in any building or within any dwelling unit for the purpose of compliance with this section. In buildings without elevator service, only ground floor dwelling units shall be

required to be constructed to conform with the technical design standards of the barrier free subcode. "Ground floor" means the first floor with a dwelling unit or portion of a dwelling unit, regardless of whether that floor is at grade. A building may have more than one ground floor.

b. Notwithstanding the exemption for townhouse dwelling units in the barrier free subcode, the first floor of all townhouse dwelling units and of all other multifloor dwelling units that are attached to at least one other dwelling unit shall be subject to the technical design standards of the barrier free subcode and shall include the following features:

   i. An adaptable toilet and bathing facility on the first floor;

   ii. An adaptable kitchen on the first floor;

   vi. An accessible entranceway as set forth in P.L. 2005, c. 350 (N.J.S.A. 52:27D-311a et seq.) and the Barrier Free Subcode, N.J.A.C. 5:23-7, or evidence that the municipality has collected funds from the developer sufficient to make 10% of the adaptable entrances in the development accessible:

      (a) Where a unit has been constructed with an adaptable entrance, upon the request of a disabled person who is purchasing or will reside in the dwelling unit, an accessible entrance shall be installed.

      (b) To this end, the builder of restricted units shall deposit funds within the Township of Montgomery's Affordable Housing Trust Fund sufficient to install accessible entrances in 10% of the affordable units that have been constructed with adaptable entrances.

      (c) The funds deposited shall be expended for the sole purpose of making the adaptable entrance of an affordable unit accessible when requested to do so by a person with a disability who occupies or intends to occupy the unit and requires an accessible entrance.

      (d) The developer of the restricted units shall submit to the Construction Official a design plan and cost estimate for the conversion from adaptable to accessible entrances.

      (e) Once the Construction Official has determined that the design plan to convert the unit entrances from adaptable to accessible meets the requirements of the Barrier Free Subcode, N.J.A.C. 5:23-7, and that the cost estimate of such

conversion is reasonable, payment shall be made to the Township's Affordable Housing Trust Fund and earmarked appropriately.

vii. Full compliance with the foregoing provisions shall not be required where an entity can demonstrate that it is "site-impracticable" to meet the requirements. If full compliance with this section would be site impracticable, compliance with this section for any portion of the dwelling shall be required to the extent that it is not site impracticable. Determinations of site impracticability shall comply with the Barrier Free Subcode at N.J.A.C. 5:23-7.

Section 15-6 Affordable Housing Programs

The following are many of the main provisions of the COAH regulations at either N.J.A.C. 5:93 or 5:97 that have been upheld by the NJ Supreme Court. Municipalities should consult the cited full COAH regulations when preparing the HEFSP for required documentation, etc. Additional compliance details may also be included in the specific municipal program manual.
2. Rehabilitation Programs (per N.J.A.C. 5:93-5.2 with updated provisions herein per N.J.A.C. 5:97-6.2 related to credit towards a municipal present need obligation).
   a. The rehabilitation program shall be designed to renovate deficient housing units occupied or intended to be occupied by very low-, low- and moderate-income households such that, after rehabilitation, these units will comply with the New Jersey State Housing Code pursuant to N.J.A.C. 5:28-1.1 et seq or the Rehabilitation Subcode, N.J.A.C. 5:23-6 to the extent applicable.
   b. Both ownership and rental units shall be eligible for rehabilitation funds.

   d. The municipality shall dedicate a minimum average hard cost of $10,000 for each unit to be rehabilitated through this program and in addition shall dedicate associated rehabilitation program soft costs such as case management, inspection fees and work write-ups.
   e. The municipality shall designate, subject to the approval of the Department, one or more Administrative Agents to administer the rehabilitation program in accordance with P.L 2024, Chapter 2. The Administrative Agent(s) shall provide rehabilitation manuals for ownership and rental rehabilitation programs. Manuals shall be adopted by resolution of the governing body. Both rehabilitation manuals shall be available for public inspection in the Office of the Municipal Clerk and on the municipal affordable housing web page.

f. Households determined to be very low-, low-, or moderate-income may participate in a rehabilitation program. Rehabilitated units shall be exempt from the very low-income requirements, low/mod split, and bedroom distribution requirements of UHAC, but shall be administered in accordance with the following:

i. If a unit is vacant at the time of rehabilitation, or if a rehabilitated unit becomes vacant and is re-rented before the expiration of the affordability controls, the deed restriction shall require that the unit be rented to a low- or moderate-income household at an affordable rent.

ii. If a rental unit is occupied by a tenant at the time rehabilitation is completed, the rent charged after rehabilitation shall not exceed the lesser of the tenant's current rent or the maximum rent permitted under UHAC.

a. An extension of affordability controls program is established to maintain and extend the affordability of deed restricted units scheduled to come out of their affordability control period, subject to N.J.A.C. 5:97-6.14 and UHAC, including the following:

i. The affordable unit meets the criteria for prior cycle (April 1, 1980 - December 15, 1986) or post December 15, 1986 credits set forth in N.J.A.C. 5:97.

ii. The affordability controls for the unit are scheduled to expire in the current round; or in the next round of housing obligations if the municipal election to extend controls is made no earlier than one year before the end of the current round;

iii. The municipality shall obtain a continuing certificate of occupancy or a certified statement from the municipal building inspector stating that the restricted unit meets all code standards.

iv. If a unit requires repair and/or rehabilitation work in order to receive a continuing certificate of occupancy or certified statement from the municipal building inspector, the municipality shall fund and complete the work.

v. The municipality shall adhere to the process for extending controls pursuant to UHAC for extending ownership units and rental units, either inclusionary or 100% affordable developments.

vi. The deed restriction for the extended control period shall be filed with the County Clerk.

4. Assisted Living Residence (per N.J.A.C. 5:97-6.11).

The cost of non-housing related services shall not exceed one and two-thirds times the rent established for each unit.

5. Supportive Housing and Group Homes (per N.J.A.C. 5:97-6.10).

   a. The following provisions shall apply to group homes, residential health care facilities, and supportive shared living housing:

      i. Units are subject to Affirmative Marketing requirements, household certification, and administrative agent oversight; and may, with the approval of the municipal housing liaison and the administrative agent, be leased either by the bedroom or to a single household in the case of multi-bedroom configurations, provided such arrangement is consistent with the Federal Fair Housing Act (Title VIII of the Civil Rights Act of 1968).

      ii. Units may, with the approval of the administrative agent, be subject to a master lease by an approved supportive housing operator, provided that all subleases are to be certified supportive housing households and remain fully subject to the affordability controls of this subchapter. Rents for supportive housing units shall not exceed the rent standards established and published by the New Jersey Department of Human Services.

      iii. The unit of credit shall be the bedroom. However, the unit of credit shall be the unit if occupied by a single person or household.

v. Occupancy shall not be restricted to youth under 18 years of age.

vi. In affordable developments with 20 or more restricted units that are supportive housing, two-bedroom units must compose at least five percent of those restricted units.

vii. The bedrooms and/or units shall comply with UHAC with the following exceptions:

(a) Affirmative marketing; however, group homes, residential health care facilities, permanent supportive housing, and supportive shared living housing shall be affirmatively marketed to broadest possible population of qualified individuals with special needs in accordance with a plan approved by the sponsoring program;

(b) Affordability average and bedroom distribution (N.J.A.C. 5:80-26.4).

viii. With the exception of units established with capital funding through a 20-year operating contract with the Department of Human Services, Division of Developmental Disabilities, group homes, residential health care facilities, supportive shared living housing and permanent supportive housing shall have the appropriate controls on affordability in accordance with the Act. In the event that a supportive housing provider is unable to record or execute a long-term deed restriction, the units shall be subject to annual recertification by the Municipal Housing Liaison to confirm continued occupancy and compliance with this Section.

ix. Objective standards shall be applied in the selection of tenants for supportive housing units and shall be designed to ensure that individuals are not excluded in an arbitrary or capricious manner.

x. The following documentation shall be submitted by the sponsor to the municipality prior to marketing the completed units or facility:

(a) An Affirmative Marketing Plan in accordance with a.1. above; and

(b) If applicable, proof that the supportive and/or special needs housing is regulated by the New Jersey Department of Health and Senior Services, the New Jersey Department of Human Services or another State agency in accordance with the requirements of this section, which includes validation of the number of bedrooms or units in which low- or moderate-income occupants reside.

xi. The sponsor/owner shall complete annual monitoring as directed by the MHL.

Section 15-7 Regional Income Limits.

1. Administrative agents shall use the current regional income limits for the purpose of pricing affordable units and determining income eligibility of households.

2. Regional income limits are based on regional median income, which is established by a regional weighted average of the "median family incomes" published by HUD. The procedure for computing the regional median income is detailed in N.J.A.C. 5:80-26.3.

3. Updated regional income limits are effective as of the effective date of the regional Section 8 income limits for the year, as published by HUD, or 45 days after HUD publishes the regional Section 8 income limits for the year, whichever comes later. The new income limits may not be less than those of the previous year.

Section 15-8 Maximum Initial Rents and Sales Prices.

1. In establishing rents and sales prices of affordable housing units, the Administrative Agent shall follow the procedures set forth in UHAC N.J.A.C. 5:80-26.4.
2. The average rent for all restricted units within each affordable housing development shall be affordable to households earning no more than 52 percent of regional median income.
3. The maximum rent for restricted rental units within each affordable housing development shall be affordable to households earning no more than 60% of regional median income. The maximum rent may be increased to be affordable to households earning no more than 70 percent of regional median income for moderate-income units within affordable developments where very-low-income units compose at least 13 percent of the restricted units; however, the number of units with rent affordable to households earning 70 percent of regional median income may not exceed the number of very-low-income units in excess of 13 percent (rounded up) of the restricted units.
4. The developers and/or municipal sponsors of restricted rental units shall establish at least one rent for each bedroom type for both low-income and moderate-income units, provided that at least 13% of all low- and moderate-income rental units shall be affordable to households earning no more than 30% of median income. These very low-income units shall be part of the low-income requirement and very-low-income units should be distributed across all bedroom counts as proportionally as possible, to the nearest whole unit, to the total number of restricted units within each bedroom count.
5. The maximum sales price of restricted ownership units within each affordable housing development shall be affordable to households earning no more than 70% of median income, and each affordable housing development must achieve an affordability average that does not exceed 55% for all restricted ownership units. In achieving this affordability average, moderate-income ownership units must be available for at least three different prices for each bedroom count, and low-income ownership units must be available for at least two different prices for each bedroom count when the number of low- and moderate-income units permits.
6. The master deeds and declarations of covenants and restrictions for affordable developments
   may not distinguish between restricted units and market-rate units in the calculation of any condominium or homeowner association fees and special assessments to be paid by low- and
   moderate-income purchasers and those to be paid by market-rate purchasers. Notwithstanding the foregoing sentence, condominium units subject to a municipal ordinance adopted before December 20, 2004, which ordinance provides for condominium or homeowner association fees and/or assessments different from those provided for in this subsection are governed by the ordinance.

   b. A one-bedroom unit shall be affordable to a one and one-half person household; and
   c. A two-bedroom unit shall be affordable to a two-person household or to two one-person households. Where pricing is based on two one-person households, the developer shall provide a list of units so priced to the Municipal Housing Liaison and the Administrative Agent.
9. The initial purchase price for all restricted ownership units shall be calculated so that the monthly carrying cost of the unit, including principal and interest (based on a mortgage loan equal to 95 percent of the purchase price and the FreddieMac 30-Year Fixed Rate-Mortgage rate of interest), property taxes, homeowner and private mortgage insurance and condominium or homeowner association fees do not exceed 30 percent of the eligible monthly income of the appropriate size household as determined pursuant to N.J.A.C. 5:80-26.7, as may be amended and supplemented; provided, however, that the price shall be subject to the affordability average requirement of N.J.A.C. 5:80-26.4, as may be amended and supplemented.
10. The initial rent for a restricted rental unit shall be calculated so that the total monthly housing expense, including an allowance for tenant-paid utilities, does not exceed 30 percent of the gross monthly income of a household of the appropriate size whose income is targeted to the applicable percentage of median income for the unit, as determined pursuant to N.J.A.C. 5:80-26.3, as may be amended and supplemented. The rent shall also comply with the affordability average requirement of N.J.A.C. 5:80-26.4, as may be amended and supplemented. The initial rent for a restricted rental unit shall be calculated so the eligible monthly housing expenses/income, including an allowance for tenant-paid utilities does not exceed 30 percent of gross income of and the appropriate household size as determined pursuant to N.J.A.C. 5:80-26.3, as may be amended and supplemented.

At the anniversary date of the tenancy of the certified household occupying a restricted rental unit, following proper notice provided to the occupant household pursuant to N.J.S.A. 2A:18-61.1.f, the rent may be increased to an amount commensurate with the annual percentage increase in the Consumer Price Index for All Urban Consumers (CPI-U), specifically U.S. Bureau of Labor Statistics Series CUUR0100SAH, titled "Housing in Northeast urban, all urban consumers, not seasonally adjusted." Rent increases for units

constructed pursuant to Low-Income Housing Tax Credit regulations shall be indexed pursuant to the regulations governing Low-Income Housing Tax Credits.

Section 15-9 Affirmative Marketing.

1. The municipality shall adopt, by resolution, an Affirmative Marketing Plan, subject to approval of the Superior Court, compliant with N.J.A.C. 5:80-26.16, as may be amended and supplemented.
2. The Affirmative Marketing Plan is a regional marketing strategy designed to attract buyers and/or renters of all majority and minority groups, regardless of race, creed, color, national origin, ancestry, marital or familial status, gender, affectional or sexual orientation, disability, age, or number of children, to housing units which are being marketed by a developer, sponsor or owner of affordable housing. The Affirmative Marketing Plan is intended to target those potentially eligible persons who are least likely to apply for affordable units in that region. It is a continuing program that directs all marketing activities toward Housing Region 3 and is required to be followed throughout the period of deed restriction.
3. The Affirmative Marketing Plan provides the following preferences, provided that units that remain unoccupied after these preferences are exhausted may be offered to households without regard to these preferences.
    a. Where the municipality has entered into an agreement with a developer or residential development owner to provide a preference for very-low-,low-, and moderate-income veterans who served in time of war or other emergency, pursuant to N.J.S.A. 52:27D-311.j, there shall be a preference for veterans for up to 50 percent of the restricted rental units in a particular project.
    b. There shall be a regional preference for all households that live and/or work in Housing Region 3 comprising Hunterdon, Somerset, and Middlesex Counties.
    c. Subordinate to the regional preference, there shall be a preference for households that live and/or work in New Jersey.
    d. With respect to existing restricted units undergoing approved rehabilitation for the purpose of preservation or to restricted units newly created to replace existing restricted units undergoing demolition, a preference for the very-low-, low-, and moderate-income households that are displaced by the rehabilitation or demolition and replacement.
4. The municipality has the ultimate responsibility for adopting the Affirmative Marketing Plan and for the proper administration of the Affirmative Marketing Process, including the marketing of initial sales and rentals and resales and re-rentals. The Administrative Agent designated by the municipality shall implement the Affirmative Marketing Process to ensure the Affirmative Marketing of all affordable units, with the exception of affordable programs that are exempt from Affirmative Marketing as noted herein.
5. The Affirmative Marketing Process shall describe the media to be used in advertising and publicizing the availability of housing. In implementing the Affirmative Marketing

Process, the Administrative Agent shall consider the use of language translations where appropriate.

6. Applications for affordable housing or notices thereof, if offered online, shall be available in several locations, including, at a minimum, the County Administration Building and/or the County Library for each county within the housing region; the municipal administration building and municipal library in the municipality in which the units are located; and the developer's rental or sales office. The developer shall mail applications to prospective applicants upon request and shall make applications available through a secure online website address.
7. In addition to other Affirmative Marketing strategies, the Administrative Agent shall provide specific notice of the availability of affordable housing units on the New Jersey Housing Resource Center website. Any other entities, including developers or persons or companies retained to implement the Affirmative Marketing Process, shall comply with this paragraph. 8. In implementing the Affirmative Marketing Process, the Administrative Agent shall provide a list of counseling services to low- and moderate-income applicants on subjects such as budgeting, credit issues, mortgage qualification, rental lease requirements, and landlord/tenant law.
9. The Affirmative Marketing Process for available affordable units shall begin at least four months (120 days) prior to the expected date of occupancy.
10. The costs of advertising and affirmative marketing of the affordable units shall be the responsibility of the developer, sponsor or owner, unless otherwise determined or agreed to by the Township of Montgomery.

Section 15-10 Selection of Occupants of Affordable Housing Units.

1. The Administrative Agent shall use a random selection process to select occupants of very low-, low- and moderate-income housing.
2. A pool of interested households will be maintained in accordance with the provisions of N.J.A.C. 5:80-26.16.

Section 15-11 Occupancy Standards.

1. In referring certified households to specific restricted units, to the extent feasible, and without causing an undue delay in occupying the unit, the Administrative Agent shall strive to:
   a. Ensure each bedroom is occupied by at least one person, except for age-restricted and supportive and special needs housing units;
   b. Provide a bedroom for every two adult occupants;

c. With regard to occupants under the age of 18, accommodate the household's requested arrangement, except that such arrangement may not result in more than two occupants under the age of 18 occupying any bedroom; and

d. Avoid placing a one-person household into a unit with more than one bedroom.

Section 15-12 Control Periods for Restricted Ownership Units and Enforcement Mechanisms.

1. Control periods for restricted ownership units shall be in accordance with N.J.A.C. 5:80-26.6, as may be amended and supplemented, and each restricted ownership unit shall remain subject to the controls on affordability for a period of at least 30 years subject to the requirements of N.J.A.C. 5:80-26.6, as may be amended and supplemented.
2. Rehabilitated housing units that are improved to code standards shall be subject to affordability controls for a period of not less than 10 years (crediting towards present need only).
3. The affordability control period for a restricted ownership unit shall commence on the date the initial certified household takes title to the unit. The date of commencement shall be identified in the deed restriction.
4. If existing affordability controls are being extended, the extended control period for a restricted ownership unit commences on the effective date of the extension, which is the end of the original control period.
5. After the end of any control period, the restricted ownership unit remains subject to the affordability controls set forth in this subchapter until the owner gives notice of their intent to make an exit sale, at which point:
   a. If the municipality exercises the right to extend the affordability controls on the unit, no exit sale occurs and a new control period commences; or
   b. If the municipality does not exercise the right to extend the affordability controls on the unit, the affordability controls terminate following the exit sale.
6. Prior to the issuance of any building permit for the construction/rehabilitation of restricted ownership units, the developer/owner and the municipality shall record a preliminary instrument provided by the Administrative Agent.
7. Prior to the issuance of the initial certificate of occupancy for a restricted ownership unit and upon each successive sale during the period of restricted ownership, the Administrative Agent shall determine the restricted price for the unit and shall also determine the nonrestricted, fair market value of the unit based on either an appraisal or the unit's equalized assessed value without the restrictions in place.
8. At the time of the initial sale of the unit and upon each successive price-restricted sale, the initial purchaser shall execute and deliver to the Administrative Agent a recapture note obliging the purchaser, as well as the purchaser's heirs, successors, and assigns, to repay, upon the first non-exempt sale after the unit's release from the restrictions set forth in this chapter, an amount equal to the difference between the unit's non-restricted fair market

value and its restricted price, and the recapture note shall be secured by a recapture lien evidenced by a duly recorded mortgage on the unit.

9. The affordability controls set forth in this chapter shall remain in effect despite the entry and enforcement of any judgment of foreclosure with respect to price-restricted ownership units.

Section 15-13 Price Restrictions for Restricted Ownership Units and Resale Prices.

1. Price restrictions for restricted ownership units shall be in accordance with N.J.A.C. 5:80-26.7, as may be amended and supplemented, including:
   a. The initial purchase price and affordability percentage for a restricted ownership unit shall be set by the Administrative Agent.
   b. The Administrative Agent shall approve all resale prices, in writing and in advance of the resale, to assure compliance with the standards set forth in N.J.A.C 5:80-26.7.
      i. If the resale occurs prior to the one-year anniversary of the date on which title to the unit was transferred to a certified household, the maximum resale price for a is the most recent non-exempt purchase price.
      ii. If the resale occurs on or after such anniversary date, the maximum resale price is the most recent non-exempt purchase price increased to reflect the cumulative annual percentage increases to the regional median income, effective as of the same date as the regional median income calculated pursuant to N.J.A.C. 5:80-26.3
   c. The owners of restricted ownership units may apply to the Administrative Agent to increase the maximum sales price for the unit on the basis of anticipated capital improvements. Eligible capital improvements shall be:
      i. those that render the unit suitable for a larger household or the addition of a bathroom.
      ii. The maximum resale price may be further increased by an amount up to the cumulative dollar value of approved capital improvements made after the last non-exempt sale for improvements and/or upgrades to the unit, excluding capital improvements paid for by the entity favored on the recapture note and recapture lien described at N.J.A.C. 5:80-26.6(d);
   d. No increase for capital improvements is permitted if the maximum resale price prior to adjusting for capital improvements already exceeds whatever initial purchase price the unit would have if it were being offered for purchase for the first time at the initial affordability percentage. All adjustments for capital improvements are subject to 10-year, straight-line depreciation.
2. Upon the resale of a restricted ownership unit, all items of property that are permanently affixed to the unit or were included when the unit was initially restricted (for example, refrigerator, range, washer, dryer, dishwasher, wall-to-wall carpeting) shall be included in the maximum allowable resale price. Other items may be sold to the purchaser at a reasonable price that has been approved by the Administrative Agent at the time of the signing of the agreement to purchase but shall be separate and apart from any contract of

The purchase of central air conditioning installed subsequent to the initial sale of the unit and not included in the base price may be made a condition of the unit resale provided the price of the air conditioning equipment, which shall be subject to 10-year, straight-line depreciation, has been approved by the Administrative Agent. The seller and the purchaser must personally certify at the time of closing that no unapproved transfer of funds for the purpose of selling and receiving property has taken place at the time of or as a condition of resale.

Section 15-14 Buyer Income Eligibility.

1. Buyer income eligibility for restricted ownership units shall be established pursuant to N.J.A.C. 5:80-26.17, as may be amended and supplemented, such that very low-income ownership units shall be reserved for occupancy by households with a gross household income less than or equal to 30% of median income, low-income ownership units shall be reserved for occupancy by households with a gross household income less than or equal to 50% of median income and moderate-income ownership units shall be reserved for occupancy by households with a gross household income less than 80% of median income.
2. Notwithstanding the foregoing, the Administrative Agent may, upon approval by the municipality, and subject to the Division's approval, permit a moderate-income purchaser to buy a low-income unit if and only if the Administrative Agent can demonstrate that there is an insufficient number of eligible low-income purchasers in the housing region to permit prompt occupancy of the unit and all other reasonable efforts to attract a low-income purchaser, including pricing and financing incentives, have failed. Any such low-income unit that is sold to a moderate-income household shall retain the required pricing and pricing restrictions for a low-income unit. Similarly, the administrative agent may permit low-income purchasers to buy very-low-income units in housing markets where, as determined by the Division, units are reserved for very-low-income purchasers, but there is an insufficient number of very-low-income purchasers to permit prompt occupancy of the units. In such instances, the purchased unit must be maintained as a very-low-income unit and sold at a very-low-income price point such that on the next resale the unit will still be affordable to very-low-income households and able to be purchased by a very-low-income household. A very-low-income unit that is seeking bonus credit pursuant to N.J.S.A. 52:27D-311.k(9) must first be advertised exclusively as a very-low-income unit according to the Affirmative Marketing requirements at N.J.A.C. 5:80-26.16, then advertised as a very-low-income or low-income unit for at least 30 additional days prior to referring any low-income household to the unit.
3. A certified household that purchases a restricted ownership unit must occupy it as the certified household's principal residence and shall not lease the unit; provided, however, that the Administrative Agent may permit the owner of a restricted ownership unit, upon application and a showing of hardship, to lease the restricted unit to another certified household for a period not to exceed one year.
4. The Administrative Agent shall certify a household as eligible for a restricted ownership unit when the household is a low-income household or a moderate-income household, as

applicable to the unit, and the estimated monthly housing cost for the particular unit (including principal, interest, property taxes, homeowner and private mortgage insurance and condominium or homeowner association fees, as applicable) does not exceed 35 percent of the household's eligible monthly income; provided, however, that this limit may be exceeded if one or more of the following circumstances exists:

a. The household currently pays more than 35% (40% for households eligible for age-restricted units) of its gross household income for housing expenses, and the proposed housing expenses will reduce its housing costs;

b. The household has consistently paid more than 35% (40% for households eligible for age-restricted units) of eligible monthly income for housing expenses in the past and has proven its ability to pay; or

c. The household is currently in substandard or overcrowded living conditions;

Section 15-15 Limitations on Indebtedness Secured by Ownership Unit; Subordination.

1. Prior to incurring any indebtedness to be secured by a restricted ownership unit, the owner shall apply to the Administrative Agent for a determination in writing that the proposed indebtedness complies with the provisions of this Section, and the Administrative Agent shall issue such determination prior to the owner incurring such indebtedness.

2. With the exception of original purchase money mortgages, neither an owner nor a lender shall at any time during the control period cause or permit the total indebtedness secured by a restricted ownership unit to exceed 95% of the maximum allowable resale price of that unit, as such price is determined by the Administrative Agent in accordance with N.J.A.C. 5:80-26.7(c).

Section 15-16 Control Periods for Restricted Rental Units.

Control periods for units that meet the definition of prior round units shall be pursuant to the 2001 UHAC rules originally adopted October 1, 2001, 33 N.J.R. 3432, and amended December 20, 2004, 36 N.J.R. 5713 and shall remain subject to the requirements of this ordinance for a period of at least 30 years as applicable unless otherwise indicated.

2. Other than for prior round units, control periods for restricted rental units shall be in accordance with N.J.A.C. 5:80-26.12, as may be amended and supplemented, and each restricted rental unit shall remain subject to the requirements of this Ordinance for a period of at least 40 years. Restricted rental units created as part of developments receiving 9% Low-Income Housing Tax Credits must comply with a control period of not less than a 30-year compliance period plus a 15-year extended use period for a total of 45 years.

3. The affordability control period for a restricted rental unit shall commence on the first date that a unit is issued a certificate of occupancy following the execution of the deed restriction or, if affordability controls are being extended, on the effective date of the extension, which is the end of the original control period.

    a. Sublease or assignment of the lease of the unit;
    b. Sale or other voluntary transfer of the ownership of the unit;
    c. The entry and enforcement of any judgment of foreclosure on the property containing the unit; or

Section 15-17 Rent Restrictions for Rental Units; Leases and Fees.

2. A written lease shall be required for all restricted rental units, except for units in an assisted living residence, and tenants shall be responsible for security deposits and the full amount of the rent as stated on the lease. A copy of the current lease for each restricted rental unit shall be retained on file by the Administrative Agent.
3. No additional fees, operating costs, or charges shall be added to the approved rent (except, in the case of units in an assisted living residence, to cover the customary charges for food and services) without the express written approval of the Administrative Agent.
    a. Operating costs, for the purposes of this section, include certificate of occupancy fees, move-in fees, move-out fees, mandatory internet fees, mandatory cable fees, mandatory utility submetering fees, and for developments with more than one and a half off-street parking spaces per unit, parking fees for one parking space per household.

Application fees (including the charge for any credit check) shall not exceed 5% of the monthly rent of the applicable restricted unit to be applied to the costs of administering the controls applicable to the unit as set forth in this Ordinance.
5. Fees for unit-specific, non-communal items that are charged to market-rate unit tenants on an optional basis, such as pet fees for tenants with pets, storage spaces, bicycle-share programs, or one-time rentals of party or media rooms, may also be charged to affordable unit tenants, if applicable.

6. Pet fees may not exceed $30.00 per month and associated one-time payments for optional fees pertaining to pets, such as a pet cleaning fee, are prohibited.
7. Fees charged to affordable unit tenants for other optional, unit-specific, non-communal items shall not exceed the amounts charged to market-rate tenants.
8. For any prior round rental unit leased before December 20, 2024, elements of the existing fee structure that are consistent with prior rules, but inconsistent with 5:80-26.13(c)1, may continue until the occupant household's current lease term expires or that occupant household vacates the unit, whichever occurs later.

Section 15-18 Tenant Income Eligibility.

1. Tenant income eligibility shall be determined pursuant to N.J.A.C. 5:80-26.14, as may be amended and supplemented, and shall be determined as follows:

   c. Moderate-income rental units shall be reserved for households with a gross household income less than 80% of the regional median income by household size.
2. Upon the occurrence of a breach of any of the regulations governing the affordable unit by an owner, developer or tenant, the municipality shall have all remedies provided at law or equity, including but not limited to foreclosure, tenant eviction, municipal fines, a requirement for household recertification, acceleration of all sums due under a mortgage, recoupment of any funds from a sale in the violation of the regulations, injunctive relief to prevent further violation of the regulations, entry on the premises, and specific performance.

2. After providing written notice of a violation to an owner, developer or tenant of an affordable unit and advising the owner, developer or tenant of the penalties for such violations, the municipality may take the following action against the owner, developer or tenant for any violation that remains uncured for a period of 60 days after service of the written notice:

a. The municipality may file a court action pursuant to N.J.S.A. 2A:58-11 alleging a violation, or violations, of the regulations governing the affordable housing unit. If the owner, developer or tenant is found by the Court to have violated any provision of the regulations governing affordable housing units the owner, developer or tenant shall be subject to one or more of the following penalties, at the discretion of the Court:

   i. A fine of not more than $500 per day or imprisonment for a period not to exceed 90 days, or both, unless otherwise specified below, provided that each and every day that the violation continues or exists shall be considered a separate and specific violation of these provisions and not a continuation of the initial offense;

   ii. In the case of an owner who has rented his or her low- or moderate-income unit in violation of the regulations governing affordable housing units, payment into the Affordable Housing Trust Fund of the gross amount of rent illegally collected;

   iii. In the case of an owner who has rented his or her affordable unit in violation of the regulations governing affordable housing units, payment of an innocent tenant's reasonable relocation costs, as determined by the Court.

3. The municipality shall have the authority to levy fines against the owner of the development for instances of noncompliance with NJHRC advertising requirements (N.J.S.A. 52:27D-321.6.e.(2)), following written notice to the owner. The fine for the first offense of noncompliance shall be $5,000, the fine for the second offense of noncompliance shall be $10,000, and the fine for each subsequent offense of noncompliance shall be $15,000.

4. The municipality may file a court action in the Superior Court seeking a judgment, which would result in the termination of the owner's equity or other interest in the unit, in the nature of a mortgage foreclosure. Any judgment shall be enforceable as if the same were a judgment of default of the first purchase money mortgage and shall constitute a lien against the low- or moderate-income unit.

   a. Such judgment shall be enforceable, at the option of the municipality, by means of an execution sale by the Sheriff, at which time the affordable unit of the violating owner shall be sold at a sale price which is not less than the amount necessary to fully satisfy and pay off any first purchase money mortgage and prior liens and the costs of the enforcement proceedings incurred by the municipality , including attorney's fees. The violating owner shall have the right to possession terminated as well as the title conveyed pursuant to the Sheriff's sale.

   b. The proceeds of the Sheriff's sale shall first be applied to satisfy the first purchase money mortgage lien and any prior liens upon the low- or moderate-income unit. The excess, if any, shall be applied to reimburse the municipality for any and all costs and expenses incurred in connection with either the court action resulting in the judgment of violation or the Sheriff's sale. In the event that the proceeds from the Sheriff's sale are insufficient to reimburse the municipality in full as aforesaid, the violating owner shall be personally responsible for the full extent of such deficiency, in addition to any and all costs incurred by the municipality in connection with collecting such deficiency. In the event that a surplus remains after satisfying all of the above, such surplus shall be placed in escrow by the municipality for the owner and shall be held in such escrow

for a maximum period of two years or until such earlier time as the owner shall make a claim with the municipality for such. Failure of the owner to claim such balance within the two year period shall automatically result in a forfeiture of such balance to the municipality. Any interest accrued or earned on such balance while being held in escrow shall belong to and shall be paid to the municipality, whether such balance shall be paid to the owner or forfeited to the municipality.

c. Foreclosure due to violation of the regulations governing affordable housing units shall not extinguish the restrictions of the regulations governing affordable housing units as they apply to the low- and moderate-income unit. Title shall be conveyed to the purchaser at the Sheriff's sale, subject to the restrictions and provisions of the regulations governing the affordable housing unit. The owner determined to be in violation of the provisions of this plan and from whom title and possession were taken by means of the Sheriff's sale shall not be entitled to any right of redemption.

d. If there are no bidders at the Sheriff's sale, or if insufficient amounts are bid to satisfy the first purchase money mortgage and any prior liens, the municipality may acquire title to the affordable unit by satisfying the first purchase money mortgage and any prior liens and crediting the violating owner with an amount equal to the difference between the first purchase money mortgage and any prior liens and costs of the enforcement proceedings, including legal fees and the maximum resale price for which the affordable unit could have been sold under the terms of the regulations governing affordable housing units. This excess shall be treated in the same manner as the excess that would have been realized from an actual sale as previously described.

e. Failure of the low- or moderate-income unit to be either sold at the Sheriff's sale or acquired by the municipality shall obligate the owner to accept an offer to purchase from any qualified purchaser that may be referred to the owner by the municipality, with such offer to purchase being equal to the maximum resale price of the low- or moderate-income unit as permitted by the regulations governing affordable housing units.

f. The affordable unit owner shall remain fully obligated, responsible and liable for complying with the terms and restrictions of governing affordable housing units until such time as title is conveyed from the owner.

5. It is the responsibility of the municipal housing liaison and the administrative agent(s) to ensure that affordable housing units are administered properly. All affordable units must be occupied within a reasonable amount of time and be re-leased within a reasonable amount of time upon the vacating of the unit by a tenant. If an administrative agent or municipal housing liaison becomes aware of or suspects that a developer, landlord, or property manager has not complied with these regulations, it shall report this activity to the Division. The Division must notify the developer, landlord, or property manager, in writing, of any violation of these regulations and provide a 30-day cure period. If, after the 30-day cure period, the developer, landlord, or property manager remains in violation of any terms of this subchapter, including by keeping a unit vacant, the developer, landlord, or property manager may be fined up to the amount required to construct a comparable affordable unit of the same size and the deed-restricted control period will be extended for the length of the time the unit was out of compliance, in addition to the remedies provided

for in this section. For the purposes of this subsection, a reasonable amount of time shall presumptively be 60 days, unless a longer period of time is required due to demonstrable market conditions and/or failure of the municipal housing liaison or the administrative agent to refer a certified tenant.

6. Banks and other lending institutions are prohibited from issuing any loan secured by owner occupied real property subject to the affordability controls set forth in this subchapter if such loan would be in excess of amounts permitted by the restriction documents recorded in the deed or mortgage book in the county in which the property is located. Any loan issued in violation of this subsection is void as against public policy.
7. The Agency and the Department hereby reserve, for themselves and for each administrative agent appointed pursuant to this subchapter, all of the rights and remedies available at law and in equity for the enforcement of this subchapter, including, but not limited to, fines, evictions, and foreclosures as approved by a county-level housing judge.
8. Appeals
    a. Appeals from all decisions of an administrative agent appointed pursuant to this subchapter must be filed, in writing, with the municipal housing liaison. A decision by the municipal housing liaison may be appealed to the Division. A written decision of the Division Director upholding, modifying, or reversing an administrative agent's decision is a final administrative action.

3. Residential Development Fees
    a. Imposed fees
        i. Within all Zoning Districts, residential developers, except for developers of the types of development specifically exempted below, shall pay a fee of 1.5% of the equalized assessed value for residential development, provided no increased density is permitted. Development fees shall also be imposed and collected when an additional dwelling unit is added to an existing residential structure; in such

cases, the fee shall be calculated based on the increase in the equalized assessed value of the property due to the additional dwelling unit.

ii. When an increase in residential density is permitted pursuant to a "d" variance granted under N.J.S.A. 40:55D-70d(5), developers shall be required to pay a "bonus" development fee of 6.0% of the equalized assessed value for each additional unit that may be realized, except that this provision shall not be applicable to a development that will include affordable housing. If the zoning on a site has changed during the two-year period preceding the filing of such a variance application, the base density for the purposes of calculating the bonus development fee shall be the highest density permitted by right during the two-year period preceding the filing of the variance application.

Example: If an approval allows four units to be constructed on a site that was zoned for two units, the fees could equal 1.5% of the equalized assessed value on the first two units; and the specified higher percentage of 6% of the equalized assessed value for the two additional units, provided zoning on the site has not changed during the two-year period preceding the filing of such a variance application.

b. Eligible exactions, ineligible exactions and exemptions for residential development

i. Affordable housing developments, developments where the developer is providing for the construction of affordable units elsewhere in the municipality, and developments where the developer has made an eligible payment in lieu of on-site construction of affordable units, if permitted by ordinance, or by agreement with the municipality and if approved by a municipality prior to the statutory elimination of payments in-lieu on March 20, 2024 per P.L.2024, c.2, shall be exempt from development fees.

ii. Developments that have received preliminary or final site plan approval prior to the adoption of this ordinance and any preceding ordinance permitting the collection of development fees shall be exempt from the payment of development fees, unless the developer seeks a substantial change in the original approval. Where a site plan approval does not apply, the issuance of a zoning and/or building permit shall be synonymous with preliminary or final site plan approval for the purpose of determining the right to an exemption. In all cases, the applicable fee percentage shall be determined based upon the development fee ordinance in effect on the date that the construction permit is issued.

iii. In addition to the construction of new principal and/or accessory buildings, development fees shall be imposed and collected for the construction of additions or expansions to existing buildings, for the change or conversion of an existing building to accommodate a more-intense use, and/or for the demolition and replacement of an existing building, provided that:
   (a) The development fee shall be calculated on the increase in the equalized assessed value of the improved building.
   (b) No development fee shall be collected for a demolition and replacement of a residential building resulting from a natural disaster.

(c) No development fee shall be collected for the construction of an "accessory structure" which is not a "building" as these terms are defined in the Montgomery Township Land Development Ordinance.

4. Non-Residential Development Fees

   a. Imposition of fees

      i. Within all zoning districts, non-residential developers, except for developers of the types of development specifically exempted, shall pay a fee equal to 2.5% of the equalized assessed value of the land and improvements, for all new non-residential construction on an unimproved lot or lots.

      ii. Within all zoning districts, non-residential developers, except for developers of the types of development specifically exempted, shall also pay a fee equal to 2.5% of the increase in equalized assessed value resulting from any additions to existing structures to be used for non-residential purposes.

      iii. Development fees shall be imposed and collected when an existing structure is demolished and replaced. The development fee of 2.5% shall be calculated on the difference between the equalized assessed value of the pre-existing land and improvements and the equalized assessed value of the newly improved structure; i.e., land and improvements; and such calculation shall be made at the time a final certificate of occupancy is issued. If the calculation required under this section results in a negative number, the non-residential development fee shall be zero.

   b. Eligible exactions, ineligible exactions and exemptions for non-residential development

      i. The non-residential portion of a mixed-use inclusionary or market-rate development shall be subject to a 2.5% development fee, unless otherwise exempted below.

      ii. The 2.5% fee shall not apply to an increase in equalized assessed value resulting from alterations, change in use within existing footprint, reconstruction, renovations and repairs.

   c. Non-residential developments shall be exempt from the payment of non-residential development fees in accordance with the exemptions required pursuant to the Statewide Non-Residential Development Fee Act (N.J.S.A. 40:55D-8.1 through 8.7), as specified in Form N-RDF "State of New Jersey Non-Residential Development Certification/Exemption." Any exemption claimed by a developer shall be substantiated by that developer.

   d. A developer of a non-residential development exempted from the non-residential development fee pursuant to the Statewide Non-Residential Development Fee Act shall be subject to the fee at such time as the basis for the exemption no longer applies, and shall make the payment of the non-residential development fee, in that event, within three years after that event or after the issuance of the final certificate of occupancy of the non-residential development, whichever is later.

e. If a property that was exempted from the collection of a non-residential development fee thereafter ceases to be exempt from property taxation, the owner of the property shall remit the fees required pursuant to this section within 45 days of the termination of the property tax exemption. Unpaid non-residential development fees under these circumstances may be enforceable by the municipality as a lien against the real property of the owner.

5. Collection Procedures

   a. Upon the granting of a preliminary, final or other applicable approval for a development, the applicable approving authority shall direct its staff to notify the construction official responsible for the issuance of a building permit.

   b. For non-residential developments only, the developer shall also be provided with a copy of Form N-RDF, "State of New Jersey Non-Residential Development Certification/Exemption," to be completed by the developer as per the instructions provided in the Form N-RDF. The construction official shall verify the information submitted by the non-residential developer as per the instructions provided on Form N-RDF. The tax assessor shall verify exemptions and prepare estimated and final assessments as per the instructions provided in Form N-RDF.

   c. The construction official responsible for the issuance of a building permit shall notify the tax assessor of the issuance of the first construction permit for a development that is subject to a development fee.

   d. Within 90 days of receipt of that notice, the tax assessor shall provide an estimate, based on the plans filed, of the equalized assessed value of the development.

   e. The construction official responsible for the issuance of a final certificate of occupancy shall notify the tax assessor of any and all requests for the scheduling of a final inspection on property that is subject to a development fee.

   f. Within 10 business days of a request for the scheduling of a final inspection, the tax assessor shall confirm or modify the previously estimated equalized assessed value of the improvements associated with the development; calculate the development fee; and thereafter notify the developer of the amount of the fee.

   g. Should the municipality fail to determine or notify the developer of the amount of the development fee within 10 business days of the request for final inspection, the developer may estimate the amount due and pay that estimated amount consistent with the dispute process set forth in Subsection b. of section 37 of P.L.2008, c.46 (N.J.S.A. 40:55D-8.6).

   h. Fifty percent (50%) of the development fee shall be collected at the time of issuance of the construction permit. The remaining portion shall be collected at the time of issuance of the certificate of occupancy. The developer shall be responsible for paying the difference between the fee calculated at the time of issuance of the construction permit and that determined at the time of issuance of certificate of occupancy.

6. Appeal of development fees

   a. A developer may challenge residential development fees imposed by filing a challenge with the County Board of Taxation. Pending a review and determination by that board,

collected fees shall be placed in an interest-bearing escrow account by the municipality. Appeals from a determination of the board may be made to the Tax Court in accordance with the provisions of the State Tax Uniform Procedure Law, R.S. 54:48-1 et seq., within 90 days after the date of such determination. Interest earned on amounts escrowed shall be credited to the prevailing party.

b. A developer may challenge non-residential development fees imposed by filing a challenge with the director of the Division of Taxation. Pending a review and determination by the director, which shall be made within 45 days of receipt of the challenge, collected fees shall be placed in an interest-bearing escrow account by the municipality. Appeals from a determination of the director may be made to the Tax Court in accordance with the provisions of the State Tax Uniform Procedure Law, R.S. 54:48-1 et seq., within 90 days after the date of such determination. Interest earned on amounts escrowed shall be credited to the prevailing party.

7. Affordable Housing Trust Fund

a. A separate, interest-bearing Municipal Affordable Housing Trust Fund shall be maintained by the chief financial officer of the municipality for the purpose of depositing development fees collected from residential and non-residential developers and proceeds from the sale of units with extinguished controls.

b. The following additional funds shall be deposited in the Municipal Affordable Housing Trust Fund and shall at all times be identifiable by source and amount:

i. Payments in lieu of on-site construction of an affordable unit, where previously permitted by ordinance or by agreement with the municipality and if approved by a municipality prior to the statutory elimination of payments in-lieu on March 20, 2024 per P.L.2024, c.2;

ii. Funds contributed by developers to make 10% of the adaptable entrances in a townhouse or other multistory attached dwelling unit development accessible;

iii. Rental income from municipally operated units;

iv. Repayments from affordable housing program loans;

v. Recapture funds;

vi. Proceeds from the sale of affordable units; and

vii. Any other funds collected in connection with the municipal affordable housing program including but not limited to interest earned on fund deposits.

c. The municipality shall provide the Division with written authorization, in the form of a tri-party escrow agreement(s) between the municipality, the Division and the financial institution in which the municipal affordable housing trust fund has been established to permit the Division to direct the disbursement of the funds as provided for in N.J.A.C. 5:99-2.1 et seq.

d. Occurrence of any of the following deficiencies may result in the Division requiring the forfeiture of all or a portion of the funds in the municipal Affordable Housing Trust Fund:

i. Failure to meet deadlines for information required by the Division in its review of a development fee ordinance;

ii. Failure to commit or expend development fees within four years of the date of collection in accordance with N.J.A.C. 5:99-5.5;

iii. Failure to comply with the requirements of the Non-Residential Development Fee Act and N.J.A.C. 5:99-3;

iv. Failure to submit accurate monitoring reports pursuant to this subchapter within the time limits imposed by the Act, this chapter, and/or the Division;

v. Expenditure of funds on activities not approved by the Superior Court or otherwise permitted by law;

vi. Revocation of compliance certification or a judgment of compliance and repose;

vii. Failure of a municipal housing liaison or administrative agent to comply with the requirements set forth at N.J.A.C. 5:99-6, 7, and 8;

viii. Other good cause demonstrating that municipal affordable housing funds are not being used for an approved purpose.

e. All interest accrued in the housing trust fund shall only be used on eligible affordable housing purposes approved by the Court.

8. Use of Funds

a. The expenditure of all funds shall conform to a Spending Plan approved by Superior Court. Funds deposited in the municipal Affordable Housing Trust Fund may be used for any activity approved by the Court to address the fair share obligation and may be set up as a grant or revolving loan program. Such activities include, but are not limited to: preservation or purchase of housing for the purpose of maintaining or implementing affordability controls; housing rehabilitation; new construction of affordable housing units and related costs; a market-to-affordable program; conversion of existing non-residential buildings to create new affordable units; green building strategies designed to be cost-saving and in accordance with accepted national or state standards; purchase of land for affordable housing; improvement of land to be used for affordable housing; extensions or improvements of roads and infrastructure to affordable housing sites; financial assistance designed to increase affordability; administration necessary for implementation of the Housing Element and Fair Share Plan; and/or any other activity permitted by Superior Court and specified in the approved Spending Plan.

c. At least a portion of all development fees collected and interest earned shall be used to provide affordability assistance to very low-, low- and moderate-income households in affordable units included in the municipal Fair Share Plan. A portion of the development fees which provide affordability assistance shall be used to provide affordability assistance to very low-income households.

i. Affordability assistance programs may include down payment assistance, security deposit assistance, low-interest loans, rental assistance, assistance with

homeowners association or condominium fees and special assessments, infrastructure assistance, and assistance with emergency repairs. The specific programs to be used for affordability assistance shall be identified and described within the Spending Plan.

ii. Affordability assistance for very low income households may include producing very low-income units or buying down the cost of low- or moderate-income units in the municipal Fair Share Plan to make them affordable to households earning 30% or less of median income.

iii. Montgomery may contract with a private or public entity to administer any part of its Housing Element and Fair Share Plan, including the requirement for affordability assistance.

d. No more than 20% of all affordable housing trust funds, exclusive of those collected to fund an RCA prior to July 17, 2008, shall be expended on administration, including, but not limited to, salaries and benefits for municipal employees or consultants' fees necessary to develop or implement a new construction program, prepare and implement a Housing Element and Fair Share Plan, administer an Affirmative Marketing Program and for compliance with the Superior Court and the Program including the costs to the municipality of resolving a challenge.

9. Monitoring

a. On or before February 15 of each year, the municipality shall provide annual electronic data reporting of trust fund activity for the previous year from January 1st to December 31st through the AHMS Reporting System. This reporting shall include an accounting of all Municipal Affordable Housing Trust Fund activity, including the sources and amounts of all funds collected and the amounts and purposes for which any funds have been expended. Such reporting shall include an accounting of development fees collected from residential and non-residential developers, previously eligible payments in lieu of constructing affordable units on site (if permitted by ordinance or by agreement with the municipality prior to the March 20, 2024 statutory elimination per P.L. 2024, c.4), funds from the sale of units with extinguished controls, barrier-free escrow funds, rental income from municipally-owned affordable housing units, repayments from affordable housing program loans, interest and any other funds collected in connection with municipal housing programs, as well as an accounting of the expenditures of revenues and implementation of the Spending Plan approved by the Court.

10. Ongoing Collection of Fees

a. The ability to impose, collect and expend development fees shall continue so long as the municipality retains authorization from the Court in the form of Compliance Certification or the good faith effort to obtain it.

b. If the municipality fails to renew its ability to impose and collect development fees prior to the expiration of its Judgment of Compliance, it may be subject to forfeiture of any or all funds remaining within its Affordable Housing Trust Fund. Any funds so forfeited shall be deposited into the New Jersey Affordable Housing Trust Fund established pursuant to section 20 of P.L.1985, c.222 (C. 52:27D-320).

11. Emergent Affordable Housing Opportunities. Requests to expend affordable housing trust funds on emergent affordable housing opportunities not included in the municipal fair share plan shall be made to the Division and shall be in the form of a governing body resolution. Amended Fourth Round Spending Plan

February 11, 2026

Montgomery Township, Somerset County, New Jersey

Prepared by:

Clarke Caton Hintz | 100 BARRACK STREET | TRENTON, NJ | 08608

INTRODUCTION

The Township of Montgomery (hereinafter "Montgomery" or "the Township"), has prepared a 2026 Amended Fourth Round Housing Plan Element and Fair Share Plan (HPE/FSP) that addresses the Township's affordable housing obligations. This Spending Plan sets forth how Montgomery Township will spend its affordable housing trust funds in support of the affordable housing compliance plan detailed in the 2026 Amended HPE/FSP. The Township received a Third Round Judgment of Compliance and Repose ("JOR") from the Superior Court On January 24, 2023, approving Montgomery Township's Third Round Amended HEFSP, including the Third Round 2020 Spending Plan.

The Township petitioned COAH for Third Round substantive certification on December 16, 2005. However, COAH did not conduct a substantive review of the 2005 Housing Element and Fair Share Plan prior to the 2007 Appellate Division decision overturning COAH's 2004 Third Round rules. On November 25, 2008, Montgomery adopted a 2008 Third Round Housing Element and Fair Share Plan consistent with COAH's second iteration of Third Round rules. The Township submitted the 2008 Plan to COAH on December 30, 2008 as part of their second petition for Third Round substantive certification; the petition was deemed complete by COAH on March 27, 2009. The Township's 2008 Plan did not receive substantive certification prior to the 2010 Appellate Division decision invalidating COAH's second iteration of Third Round rules.

The Township updated its Spending Plan on April 16, 2012 which was subsequently amended on May 15, 2012. COAH failed to take action on the Township's 2012 Spending Plan. The Court approved the Township's 2018 Spending Plan. Montgomery Township prepared a Third Round Spending Plan in 2020, which was approved by the Court per the January 24, 2023 Third Round JOR.

On March 5, 1997, COAH approved the Township's mandatory development fee ordinance. This ordinance was adopted by the municipality on April 17, 1997. An amendment to the development fee ordinance was approved by COAH on December 5,

2008, which set to establish residential development fees in the amount of 1.5% of the equalized assessed value of residential development and nonresidential development fees in the amount of 2.5% of the equalized assessed value of nonresidential development. The amendment was formally adopted by the Township on December 18, 2008.

As of December 31, 2025, Montgomery collected a total of $3,576,926.20 in development fees, payments in lieu of construction, interest, and other income. It has spent a total of $2,802,269.10, leaving a balance of $774,657.10. All development fees, payments in lieu of constructing affordable units on site, "other" income, and interest generated by the fees are deposited in a separate, interest-bearing affordable housing trust fund account at Citizens Bank. These funds will be spent in accordance with N.J.A.C. 5:93-8.16 and DCA's new 2025 regulations at N.J.A.C. 5:99-2.3 through -2.5, as described in the sections that follow. Montgomery Township will rely on N.J.A.C. 5:93 or 5:97 in this 2026 Fourth Round Amended Spending Plan, as N.J.S.A. 52:27D-329.2.a(4) provides that "[m]unicipalities may continue to rely on regulations on development fees and spending plans previously adopted by the council until new rules and regulations are adopted by the department."

The Township acknowledges that the expenditure of funds contemplated in this 2026 Fourth Round Amended spending plan constitute a "commitment" for expenditure pursuant to N.J.S.A. 52:27D-329.2.d., with the four-year time period beginning to run with the date of collection of the funds as may be extended by virtue of the date of the Superior Court's approval of this Fourth Round Amended Spending Plan.

REVENUES FOR CERTIFICATION PERIOD

To calculate a projection of revenue anticipated during the Fourth Round (2025-2035), Montgomery considered the following:

(a) Development fees: $2,354,720

1. Residential and nonresidential projects which have had development fees imposed upon them at the time of preliminary or final development approvals;
2. All projects currently before the planning and zoning boards for development approvals that may apply for building permits and certificates of occupancy; and
3. Future development that is likely to occur based on historical rates of development.

(b) Payment in lieu (PIL): $0

Actual and committed payments in lieu of construction from developers[1]. Although the Township previously received $200,000 in PILs, no revenues from PILs are expected over the Fourth Round period as the FHA was amended by P.L. 2024, c.2 to eliminate N.J.S.A. 52:27D-329.3 which had enabled PILs.

(c) Other funding sources: $0

The Township is not anticipating collecting money from other funding sources at this time. Funds from other sources, include, but are not limited to the sale of units with extinguished controls, repayment of affordable housing program loans, rental income, and proceeds from the sale of affordable units. All monies in the affordable housing trust fund are anticipated to come from development fees and interest.

[1] - Payment in Lieu of Construction (if creating an affordable housing dwelling unit).

(d) Projected interest: $63,577

Based on interest earned in recent years and projected rates of development fee revenue, Montgomery anticipates collecting $63,577 in interest through 2035.

The following table indicates the anticipated revenue to be generated from development impact fees and interest. Montgomery Township projects a subtotal of $2,418,297.60 to be collected between January 1, 2026 and June 30, 2035, including interest, to be used for affordable housing purposes. The total, after adding the money currently in the account, is projected to be $3,192,954.70. All interest earned on the account shall accrue to the account to be used only for the purposes of affordable housing.

Projected Affordable Trust Fund Revenues – January 1, 2026 through June 30, 2035												
Year Source of Funds		2026	2027	2028	2029	2030	2031	2032	2033	2034	2035	2025-2035 Total

Projected residential development is based on the estimate of $15,000 per year, based on the Township's annual average development fee collection in recent years. This estimate does not include residential development fees on inclusionary residential development (which is exempt), but it does include anticipated non-residential development fees on the non-residential component of mixed commercial/residential projects. Projected non-residential development is based on the estimate of $5,000 per year, based on the annual average development fee collection in recent years. Additional projected development fees are also based on anticipated and potential future residential and commercial development. Interest is anticipated at 2.7%, the interest rate as of December 2025.

ADMINISTRATIVE MECHANISM TO COLLECT AND DISTRIBUTE FUNDS

The following procedural sequence for the collection and distribution of development fee revenues shall be followed by Montgomery Township:

(a) Collection of development fee revenues:

All collection of development fee revenues will be consistent with local regulations which follow COAH administrative models for both residential and non-residential developments and in accordance with N.J.S.A. 40:55D-8.1 through 8.7. and N.J.S.A. 52:27D-329.2 as amended by P.L. 2024 c.2.

(b) Distribution of funds:

The Planning Board adopts and forwards a resolution to the governing body recommending the expenditure of development fee revenues as set forth in this Fourth Round Amended Spending Plan. Alternatively, the governing body may hear and decide upon a request for development fee revenues for the purpose of creating affordable housing. The governing body reviews the request for consistency with the Spending Plan and adopts the recommendation by resolution.

The release of funds requires the adoption of the governing body resolution. Once a request is approved by resolution, the Chief Financial Officer releases the requested funds from the trust fund for the specific use approved in the governing body's resolution.

DESCRIPTION OF ANTICIPATED USE OF AFFORDABLE HOUSING FUNDS

(a) Rehabilitation (N.J.A.C. 5:99-2.3(a)1)

As documented in the 2026 Fourth Round Amended HPE/FSP, Montgomery Township's Rehabilitation obligation is 73 units. The Township will establish a

rehabilitation program open to eligible owner-occupied and renter-occupied units.

In accordance with N.J.A.C. 5:97-6.2(b)3, which requires municipalities to provide sufficient funding to address no less than half of the municipal rehabilitation obligation by the midpoint of the certification period, the Township will reserve funds for 37 of the 73 remaining units to be potentially rehabilitated as rental units. At this time, the Township will set aside $481,000 from its affordable housing trust fund to support these 37 rental rehabilitations, using an average of $10,000 per unit for hard costs (e.g., major system repairs or replacements) and $3,000 per unit for administrative expenses, totaling $13,000 per unit. At the midpoint review, the Township will reassess the program and determine whether additional funds need to be reserved to meet its full rehabilitation obligation.

(b) Affordability Assistance (N.J.A.C. 5:99-2.5)

Montgomery Township is required to spend a portion of development fees and interest collected shall be used to render affordable units more affordable and at least one-third of that amount must be dedicated to very low-income households or to create very low-income units (i.e. households with incomes less than 30 percent of the regional median income). The actual affordability assistance minimums are calculated on an ongoing basis based on actual revenues.

Projected Minimum Affordability Assistance Requirement		
Actual development fees to 12/31/2025		$2,908,983.77
Actual interest earned to 12/31/2025	+	$284,872.96
Development fees projected 1/1/2026-6/30/2035	+	$2,354,720.16
Interest projected 1/1/2026-6/30/2035	+	$63,577.44
Total	=	***$5,612,154.33***
30% requirement	x 0.30 =	$1,683,646.30

Less affordability assistance expenditures to 12/31/2025	**-**	**$2,073,010.52**
Projected Minimum Affordability Assistance Requirement	**=**	**$0**

As of December 31, 2025, the Township has already expended $2,073,010.52 from the Affordable Housing Trust Fund on affordability assistance. Based on fees and interest collected to date, projected revenues, and existing expenditures on affordability assistance, Montgomery Township does not need to dedicate any additional funds from the affordable housing trust fund to render units more affordable. However, the Township may elect to provide additional affordability assistance through a variety of vehicles including, but not limited to the following:

- Emergency Repair Program;
- Down-payment assistance;
- Rental assistance;

RESOLUTION #26-3-102

ADOPTING AN AFFORDABLE HOUSING AFFIRMATIVE MARKETING PLAN FOR THE TOWNSHIP OF MONTGOMERY

WHEREAS, in accordance with P.L. 2024, Chapter 2 and the New Jersey Uniform Housing Affordability Controls ("UHAC")(N.J.A.C. 5:80-26.1 *et seq.*), the Township of Montgomery, County of Somerset, State of New Jersey (hereinafter the "Township") is required to adopt an Affirmative Marketing Plan to ensure that all affordable housing units created are affirmatively marketed to very low-, low- and moderate-income households, particularly those living and/or working within Housing Region 3, the Housing Region encompassing the Township of Montgomery.

NOW, THEREFORE, BE IT RESOLVED on this 5th day of March, 2026, that the Township Committee of the Township of Montgomery, County of Somerset, State of New Jersey, does hereby adopt the following Affirmative Marketing Plan:

Affirmative Marketing Plan

A. The Affirmative Marketing Plan is a regional marketing strategy designed to attract buyers and/or renters of all majority and minority groups, regardless of race, creed, color, national origin, ancestry, English-speaking ability, marital or familial status, gender, affectional or sexual orientation, disability, age or number of children, source of lawful income, or any other characteristic described in the New Jersey Law Against Discrimination, to housing units which are being marketed by a developer or sponsor of affordable housing. The Affirmative Marketing Plan is also intended to target those potentially eligible persons who are least likely to apply for affordable units in that region. It is a continuing program that directs all marketing activities toward the Housing Region in which the municipality is located and covers the entire period of the deed restriction for each restricted housing unit. The Township of Montgomery is located in Housing Region 3, consisting of Somerset, Hunterdon, and Middlesex Counties.

B. The Township of Montgomery has a plan to address both its Prior Round Obligation (1987-2025) and its Fourth Round Obligation (2025-2035). This Affirmative Marketing Plan shall apply to all developments that contain or will contain very low-, low- and moderate-income units, including those that are part of the municipality's Housing Element and Fair Share Plan, and those that may be constructed in future developments not yet anticipated by the Housing Element and Fair Share Plan.

C. The Affirmative Marketing Plan shall be implemented by the Administrative Agent under contract to the Township of Montgomery, or the Administrative Agent of any specific developer approved by the municipality.

D. All of the costs of advertising and affirmatively marketing affordable housing units shall be borne by the developers/sellers/owners of affordable unit(s), and all such advertising and affirmative marketing shall be subject to approval and oversight by the designated Administrative Agent.

E. The implementation of the Affirmative Marketing Plan for a development that includes affordable housing shall commence at least 120 days prior to expected occupancy. The implementation of the Affirmative Marketing Plan shall continue until all very low-, low- and moderate-income housing units are initially occupied and for as long as the affordable units remain deed restricted such that qualifying new tenants and/or purchasers continues to be necessary.

In implementing the Affirmative Marketing Plan, the Administrative Agent, whether acting on behalf of the Township of Montgomery or on behalf of a specific developer, shall meet the following requirements at a minimum:

Additional advertising and publicity shall be on an "as needed" basis. The developer/owner shall disseminate all public service announcements and pay for display advertisements. The developer/owner shall provide proof of all publications to the Administrative Agent. All press releases and advertisements shall be approved in advance by the Administrative Agent.

4. The Administrative Agent of the affordable housing development shall complete the Affirmative Fair Housing Marketing Plan, attached hereto as Attachment A, for review and approval by the Municipal Housing Liaison or the Township's Administrative Agent, as the case may be, prior to commencement of advertising to the public.
